BIG MEMBERSHIP CAMPAIGN IS ENTHUSIASTICALLY LAUNCHED

Chamber of Commerce To Make Vigorous Canvass For New Members.

BANDS OF WORKERS GO ON "GET ONE" MISSION TODAY

Hustle For Three Days, east Two Nights and Report On the Third.

A large number of the members of the Chamber of Commerce attended the smoker given at the court house last evening and participated in the launching of the big membership campaign which will be waged during the next three days by that organization.

L. H. Cutler, Jr., President of the Chamber of Commerce explained the object of the meeting and he was followed by J. Leon Williams, Secretary, who outlined the plan of campaign. At present there are about one hundred and twenty five members in the Chamber of Commerce. It is desired that this number be increased to four hundred. Ten teams consisting of from ten to fifteen members, each under the instruction of a captain, were then appointed to carry on this work. Each man has been given a button on which are the words "Get One." For every new member he secures he will be given a button bearing the words "Got One."

Today and tomorrow these teams will be at work and every business man in the city who is not already a member of the Chamber of Commerce, will be urged to join.

Tonight and tomorrow night the committees will meet in the store under the James Hotel and make their report. The ladies of the City Beautiful Club will serve a free luncheon there to every member, old and new, of the Chamber of Commerce.

The plan of securing new members for the Chamber of Commerce has been tried in a number of cities and in this and other State and has always proven successful and there is no doubt but that it will prove to be such here. HEWS FOOT WITH AXE

Charles Sawyer Badly Injured Himself While Cutting Logs.

While engaged in cutting logs near O'lympia last Friday afternoon Charles Sawyer, a young man who lives near that place, had the misfortune to injure his foot so badly with an axe that it was necessary to bring him to this city for treatment and he is now in Stewart's sanitarium.

At the time of the accident Mr. Sawyer was cutting a log which was lying on the ground. In some unexplained way the axe which he was using in the work slipped from the log and the blade was imbedded in his foot. First aid to the injured was rendered by his friends and the flow of blood stopped.

Later a physician was summoned from this city and upon arrival on the scene and making an examination he found that it would be necessary to bring him to this city for treatment. The wound is a serious one and will take several weeks to heal.

IMPROVES LUNCH ROOM.

The lunch room at the union passenger station which has recently been remodeled so that one may make purchases without going out of the waiting room, has been further improved by C. E. Taylor, the owner and manager, stools having been placed alongside the counter in the waiting room and patrons afforded an opportunity of resting while they eat.

It is just like a man to be able to feel at home most any place-but home.

The Duke de Talleyrand and His Son, the Prince de Sagan

Copyright, 1913, by American Press Association.

VISITING nobility always seems to interest us Americans, especially when our guests are as democratic as ourselves. The arrival of the Duke and Duchess de Talleyrand and their three-and-a-half-year-old son, Prince de Sagan, was therefore accorded much notice. They came over from France for a flying two weeks' visit to attend the wedding of Miss Helen M. Gould, sister of the duchess, who was formerly Anna Gould and whose marital experiences attracted wide attention. The duke, with his son in his arms, posed good naturedly for his picture, as shown above. His wife being an American, he said he had a warm spot in his breast for this country and would see that the prince visited us again when he was older.

MUCH INTEREST IN CORN CLUBS

NUMEROUS INQUIRIES FOR INFORMATION COME IN TO MR. BRINSON.

That much interest is being manifested by the boys of Craven county in the recently organized Boy's Corn Club, is evidenced by the numerous inquiries for information which are being received by S. M. Brinson, County Superintendent of Public Instruction, and who is one of the leaders in the movement.

In addition to the State and National prizes and the prizes offered by the local merchants and manufacturers, the county has recently offered two prizes of five dollars in each township to "successful" contestants. With so many prizes offered it will be almost impossible for a boy to make an excellent record and fail to win one of them.

Mr. Brinson has recently sent to every teacher in the rural schools a quantity of information relative to the rules and requirements necessary to conform to before becoming a member of this Club and this information can be secured from any teacher.

MEETING OF SHAKESPEARE CLUB

The regular fortnightly meeting of the Shakespeare Club, Section A, was held in the Club rooms, yesterday afternoon. The hostesses for the afternoon were Misses Anna and Lize re Hanf.

A thought the attendance, on account of the weather, was small, a delightful afternoon was spent and the interesting literary program was so favored. The members read and discussed Act I of Romeo and Juliet.

Delicious refreshments were served during the afternoon. Those present were Mrs. L. L. Dameron, Mrs. George Henderson, Jr., Misses Bettie Windley, Sara Stewart, Laura Ives, Lize re Hanf and Anna Hanf.

The Co-operative Supply Company has made a number of improvements in its store on Broad street. The stock has been arranged in a most attractive manner and a large quantity of new goods has been received and placed on the shelves.

THRUSTS HEAD INTO LATHE SAW

LENNOXVILLE MAN PAINFULLY INJURED—MINISTERS AT CONVENTION

Beaufort, Feb. 11.—Jack Smith was painfully injured yesterday while at work in the Pennsylvania Lumber Company's saw mill at Lennoxville. Having had cause to stoop down he raised up directly underneath a lathe saw, which cut a deep gash on his head.

Rev. S. A. Cotton of Anti-Street Methodist church, and Rev. C. H. rueblood of the Beaufort Baptist church, and Rev. F. N. Skinner of St. Paul's church have returned from attending the Laymen's convention in New Bern.

Davis of this city, who survives him. The funeral was held at the Episcopal church this morning at 10:30 o'clock. Rev. F. N. Skinner officiating. Mr. Shelton was one of Beaufort's best beloved citizens.

SOUVENIRS FOR LADIES.

Lovick and Taylor, managers of the Athens theatre, have secured for next week a rare treat for their patrons in Charles Gramlich, the celebrated Dutch comedian and his company of twelve people; eight girls and four men. This is one of the best recommended companies on the road. Tonight every lady attending the theatre will be presented with a souvenir.

TIME FOR THE PUBLIC.

The A. T. Willis Company has placed a large electric clock in the union passenger station and is furnishing the traveling public with the correct Washington time. This progressive firm is always on the lookout to cater to the needs of the public and at the same time remind them of "The Shop That's Different."

OPPOSITION TO NEW COURT FORMS

Not Needed, Four New Judges Having Been Added, Is Argument of Some.

BILL SHOULD BE PUBLISHED

Opponents of Court Say That It Is Not Worth What It Will Cost.

The indications are that the plan for the proposed Recorder's Court will not go through without considerable opposition.

It is pointed out in the first place that a meeting of the bar held Monday night to discuss the matter was called without notice having been given to all the members. This being so, it is held that the measure cannot, at present at least, said to have the support of the Bar Association. Several lawyers are said to have had no notice of the meeting at all.

Those who oppose the bill say further that this is the very time when it would seem that a recorder's court is not necessary, the Legislature having provided for four new Superior Court judges in order to meet the demand for a prompt administration of justice.

The expense of the court, it is estimated, will be several thousand dollars annually and the benefit resulting from it, it is argued, will not be commensurate with that expenditure. And at all events, say those who are opposed to the court, the advocates of the measure ought to "use no time in getting the bill published here so that the public at large can have an opportunity of considering the matter intelligently.

FINDS NOTHING IN THE CHARGE

GAME WARDEN ASSURES PUBLIC NORTHERN MEN HAVEN'T SHIPPED GAME.

Editor Journal:—

In your issue of the 9th inst. I noticed an article, stating that "Northern Sportsmen" were violating the game laws of this county, by making a business of shipping game to the Northern markets. I consider that the said article is not only a reflection upon the Northern sportsmen who are spending the winter in our city, but is also a reflection upon myself, as the game warden of this county and in the interest of all concerned, I wish to make the following statement, to wit: I have made a thorough investigation of the case which brought forth the article mentioned and have found that there is absolutely no cause for anyone to suspect the gentlemen in question, of having violated the game laws in any respect. On the other hand, I find that these gentlemen observe a rule, among themselves, that no one of them shall kill more than one dozen quail, in one days hunting, on lands that they are interested in. I also wish to state for the benefit of the writer of the article, before mentioned, that the States from which these gentlemen come, have enacted laws prohibiting the sale of game and of course it would be extremely difficult for them to market game, even if they wished to do so.

In the future if your reporter, who is the writer of the article in question, has occasion to publish any criticism in reference to violations of the game laws, I trust he will be careful to obtain his information from a more reliable source, as it is decidedly unpleasant to me, to be subjected to unjust criticism for not properly attending to my duties as game warden.

Signed,
GEO. B. WATERS,
Game Warden.

J. K. WILLIS WINS SUIT

At the opening of yesterday's session of Craven county Superior Court the case of J. K. Willis, Admr vs. J. W. Waters was taken up. In this case the plaintiff was suing for the possession of a dwelling house in which the defendant resides. The case was tried before a magistrate and jury several weeks ago and a decision in favor of the defendant was rendered. The defendant claimed that he has a case on the house for a term of three years but the jury yesterday decided in favor of Mr. Willis.

The next case taken up was that of Rosa A. Grantham vs. George K. Grantham, in which the plaintiff is suing for divorce. There were a large number of witnesses in this case and it was not concluded at the end of the day's session.

L. S. SWAIN TAKES CARBOLIC ACID

Young Insurance Man, Formerly Of This City, Commits Suicide At Washington.

DRANK BOTTLE OF POISON

Body To Pass Through Here This Morning EnRoute To Brunswick County.

L. S. Swain, formerly of this city but who about three weeks ago moved to Washington, N. C., to engage in the insurance business, yesterday morning committed suicide by drinking a bottle of carbolic acid. He left a note giving information as to the whereabouts of his relatives but gave no cause for committing the rash act.

Mr. Swain, while living in this city resided with his wife and one child, at No. 68 Metcalf street and was engaged in the insurance business, representing the Pan American Insurance Company. When he went to Washington his wife and child went to Shallotte, N. C., near Wilmington, for a visit with relatives and have been there since that time.

Mrs. William Street of this city, who is a sister-in-law of young Swain received a telegram informing her of the affair yesterday morning and she at once got into communication with his wife and relatives. Another telegram received from Washington stated that the body would be sent to New Bern on the early morning train. On arrival here it will be transferred to the Atlantic Coast Line train and taken to Shallotte for interment.

Just why the young man took his life will probably never be known. He visited here last Saturday and told his friends that his business at Washington was all that he could desire. The inspector employed by the Pan American Insurance Company was in the city yesterday and he informed the relatives of the deceased that his books were in good order and that he was positive there was no shortage in the company's funds of which Mr. Swain had charge.

COMES HERE TO LIVE

We Capture One of Oriental's Most Progressive Citizens.

(Special to the Journal.)

Oriental, Feb. 11.—Jonathan Perkins, who for the past fifty years has lived in Pamlico county, has moved to New Bern where he will make his home in the future. Mr. Perkins was one of the town's most progressive citizens and his absence will be felt very much.

The entertainment given in Mid-yette's hall last Friday night by the Primary Department of the Methodist Sunday school was a decided success in every way. The attendance was gratifying and quite a neat sum was realized from the sale of tickets which was devoted to the purchase of purchasing furniture for the primary room in the new church.

A number of our citizens have been examined by the hookworm specialist who are now in this county and several have taken the treatment. This next dispensary will be held in this town on February 13 and on the following day will be held at Arapahoe.

The congregation of the Methodist church at this place who are soon to move into their new house of worship, have so d the building which they have occupied for the last eight or ten years to the Episcopalians.

Mr. Frank Brown Hooker of Aurora has moved to Oriental and will make his home here in the future.

MONUMENT PROJECT NOT DEAD, JUST SLEEPING.

Although but little is being said just at this time in regards to the proposed erection of a monument in memory of the Baron De Graffenried Colony, the plan has not been forgotten and contributions are still coming in to this fund. It is the intention of the committee who has charge of the project to make an active campaign within a few weeks and secure the money needed for the erection of this memorial. In the meantime all donations may be sent to S. M. Brinson, who is treasurer of the fund.

The Junior Epworth League of the Methodist church at Bridgeton will give a basket party at Lee's store on Bridge street next Friday night. The proceeds will go to the parsonage fund. Everybody is cordially invited to come out and help the good cause along.
