INSURANCE AGAINST OVER-PAYMENT

It is an insurance against over-payment to settle all accounts by check because the cancelled checks returned to the depositor by the bank are unquestionable receipts of what has been paid.

It is also a great convenience to be able to settle accounts involving an odd number of dollars and cents by simply writing a check for the total.

We invite deposits subject to check in any amount and render uniformly courteous attention to all patrons, whether their accounts are large or small.

MURDER HEARING SET FOR TODAY

CHARLES SPENCER, COLORED, IS CHARGED WITH MURDER OF ALICE HARGETT

Charles Spencer, colored, was given a preliminary hearing yesterday afternoon before Mayor McCarthy on a warrant charging him with an assault with a deadly weapon on Alice Hargett, colored. Several witnesses were examined but owing to the fact that the State has several witnesses who could not be found, the case was continued until today.

The alleged assault took place on last Christmas night in Portsmouth, a suburb in the northern part of the city. It is claimed that Spencer severely beat the woman with a pair of brass knuckles and a crutch and that a short time later her death occurred.

Spencer left the city as soon as possible after the affair and succeeded in eluding the officers until captured at Pollockville a few days ago by Constable J. Hawkins. When arraigned yesterday afternoon he entered a plea of not guilty. He is represented by J. Leon Williams.

\$10 IN GOLD GIVEN AWAY FOR A NAME.

To the man, woman or child who will suggest the most appropriate name for the Tisdale farm, which will be cut up into lots and sold about the 10th of March, the entire front on Broad street extended to white people exclusively, and the part next to Duffytown to colored people or white for investment, I will give Ten Dollars in Gold Free.

The "Gaston Boulevard," about 80 feet wide, will run from the Neuse road down where the Tisdale home is, which will be moved aside to the end of the white residential section.

Write the name suggested on a plain piece of paper, with your name and address, and send or hand to Mr. R. W. Haywood at Journal office, or Mr. Owen Dunn at the Sun office, who will serve as judges. If more than one suggests the same name the first one who sends the name chosen will win. The contest closes Saturday, March 1st, 1913 at 6 p. m. Get busy, see the property, suggest the right name and win!

This Feb. 20th, 1913.

D. K. HENDERSON, N. B. Each contestant is asked to suggest only one name. In case any one has already suggested more than one name, he is requested to withdraw all but one.

Prompt and polite service assured at Pinnix Drug Store. (Adv.)

Keep The Lungs Clean.

Bear's Emulsion heals the lungs and throat and builds up the system regulates the bowels and improves the appetite.

Don't blame your parents for giving you consumption. The best way to keep from having consumption is to keep the lungs and throat in a good healthy condition. You do not inherit consumption, but you can inherit weak lungs. And as the air is filled with tubercle bacilli germs, your weak lungs are a fine feeding place for them. Now what are you going to do—let your lungs get weaker each year by the action of the standing coughs on them?

If you want to heal the lungs, don't get these patented cough remedies that are doped up with morphine codeine, or some drugs that will temporarily soothe the throat, and leave the throat and lungs in a worse condition than before.
