### ARE YOU A COLD-SUFFERER?

Take Dr. King's New Discovery.  
The Best Cough, Cold, Throat and  
Lung medicine in the world. Money refunded  
if it fails to cure you. Do not hesitate  
—take it at our risk. First dose helps.  
J. R. Wells, Florida, Texas, writes:  
Dr. King's New Discovery cured my  
terrible cough and cold. I gained 15  
pounds. Buy it at all dealers. (Adv.)

It's just a man's luck to get back  
a ten-dollar loan (the night he's going  
to be home, so it will come in handy  
for the family.

This is the season of the year when  
mothers feel very much concerned over  
the frequent colds contracted by their  
children, and have abundant reason  
for it as every cold weakens the lungs,  
lowers the vitality and paves the way  
for the more serious diseases that so  
often follow. Chamberlain's Cough  
Remedy is famous for its cures, and  
is pleasant and safe to take. For sale  
by all dealers. (Adv.)

Even the price of gasoline has blown  
up now.

### FOR COLDS AND COUGHS.

Just before retiring put Savodine  
up both nostrils, breathe deeply and  
swallow piece two or three times size  
of pea. Easy breathing is soon fol-  
lowed by a sense of comfort and re-  
freshing sleep. Can be used during  
the day as needed. (Adv.)

## Railroad LUNCH ROOM

C. E. TAYLOR, Prop.

Have you stopped to think  
that there is only one  
CAFE in New Bern that is  
open all day and night,  
365 days to the year, and  
that we give quick and  
polite service?

### FOR THAT TERRIBLE ITCHING.

Eczema, tetter and salt rheum keep  
their victims in perpetual torment.  
The application of Chamberlain's Salve  
will instantly allay this itching and  
many cases have been cured by its  
use. For sale by all dealers. (Adv.)

Judge Goff will doubtless decide in  
favor of that senatorship.

## Children Cry FOR FLETCHER'S CASTORIA

The dove of peace will hardly build  
a nest in Mexico this spring.

### FOR ASTHMA.

The successful treatment for all  
cases is indeed hard to name. Those  
who are subject to frequent and se-  
vere attacks of asthma should be care-  
ful as to the selection of their diet and  
the regulation of their bowels. A  
change of climate is often helpful and  
the quick relief given by Savodine should  
always be remembered. (Adv.)

Bad season for those who live out-  
side of the artificial ice belt.

ration day any old time down in  
Mexico.

### REASON ENTHRONED.

Because meats are so tasty they are  
consumed in great excess. This leads  
to stomach troubles, biliousness and  
constipation. Revise your diet, let  
reason and not a pampered appetite  
control, then take a few doses of  
Chamberlain's Tablets and you will  
soon be well again. Try it. For sale  
by all dealers. (Adv.)

The Democratic Congressmen can  
be relied upon to fuss continually.

The "finishing touches" of the in-  
auguration will come when the hotel  
bill is presented.

### QUICK RELIEF FOR RHEUMA- TISM.

George W. Koous, Lawton, Mich.,  
says: "Dr. Detchon's Relief for Rheu-  
matism has given my wife wonderful  
benefit for rheumatism. She could  
not lift hand or foot, and had to be lifted  
for two months. She began the use of  
the remedy and improved rapidly.  
On Monday she could not move and  
on Wednesday she got up, dressed her-  
self and walked out for breakfast."  
Sold by Bradham Drug Co. (Adv.)

Male suffragettes in Washington are  
wearing red feathers in their hats, a  
delicate tribute indeed to the women.

## Children Cry FOR FLETCHER'S CASTORIA

Being in love never made anybody  
a reputation for sanity.

Do you know that more real danger  
 lurks in a common cold than in any  
other of the minor ailments? The  
safe way is to take Chamberlain's  
Cough Remedy, a thoroughly reliable  
preparation, and rid yourself of the  
cold as quickly as possible. This  
remedy is for sale by all dealers. (Adv.)

### NOT SO

It has been said that "you suffer  
from a severe attack of La Grippe six  
months after getting well". Nasal  
catarrh, headache and neuralgia some-  
times hang around for quite a while.  
Not so with one who uses Savodine  
freely during the active and convales-  
cent stages of the disease. (Adv.)

A girl is never afraid to flirt with a  
man unless he isn't dangerous.

For a sprain you will find Cham-  
berlain's Liniment excellent. It allays  
the pain, removes the soreness, and  
soon restores the parts to a healthy  
condition. 25 and 50 cent bottles for  
sale by all dealers. (Adv.)

Unless the women in a man's fam-  
ily spoil him they seem to him mighty  
selfish.

### FOR CROUP.

Make the air of bedroom moist by  
means of steam and rub Savodine on  
little sufferer's throat and chest. Then  
cover with warm flannel cloth. (Adv.)

A man can begin to get pretty fond  
of his wife if she's far enough away  
on a visit.

### MOTHERS CAN SAFELY BUY.

Dr. King's New Discovery and give it  
to the little ones when ailing and suffering  
with colds, coughs, throat or lung trou-  
bles, tastes nice, harmless, once used  
always used. Mrs. Bruce Crawford,  
Niagara, Mo. writes: "Dr. King's New  
Discovery changed our boy from a  
pale weak sick boy to the picture of  
health." Always helps. Buy it at  
all dealers. (Adv.)

A man hates so much to show pride  
about his brains that he does it about  
his whiskers.

### SURPRISE YOUR FRIENDS

For four weeks regularly use Dr.  
King's New Life Pills. They stimulate  
the liver, improve digestion, remove  
blood impurities, pimples and eruptions  
disappear from your face and  
body and you feel better. Begin at  
once. Buy at all dealers. (Adv.)

A girl likes to impress upon every  
young man she meets that she has  
rich relatives.

Here is a message of hope and good  
cheer from Mrs. C. J. Martin, Boone  
Mill, Va., who is the mother of eighteen  
children. Mrs. Martin was cured of  
stomach trouble and constipation by  
Chamberlain's Tablets after five years  
of suffering, and now recommends  
these tablets to the public. Sold by  
all dealers. (Adv.)

### NO NEED TO STOP WORK

When the doctor orders you to stop  
work is staggers you. I can't you say.  
You know you are weak, run down and  
failing in health day by day, but you  
must work as long as you can stand.

health and strength. Try them. Every  
bottle is guaranteed to satisfy. Only

### LIFE IN MACEDONIA.

It is Very Much In the Open, With Lit-  
tle or No Privacy.

We arose early one February morn-  
ing and left our fairly clean hotel in  
Neapolis for four hours of travel over  
the modern road near the Via Egnatia,  
which should take us to ancient Philip-  
pi. Our vehicle was a somewhat dilap-  
idated hack, such as Americans are  
familiar with at almost every consid-  
erable railway station, but a surpris-  
ingly comfortable conveyance for this  
part of the world. Rattling down some  
steep, roughly paved streets, we came  
to the center of the old Neapolis, pass-  
ed near the great Roman aqueduct and  
ascended another steep street on the  
other side of the market place.

Early as it was, we found that the  
people of Kavalla were up and doing.  
The stalls of the fruit men were at-  
tractive with oranges, pomegranates,  
lemons and dates. The vegetable de-  
alers displayed a tempting array of caul-  
iflowers, cabbages, onions, okra, leeks  
and potatoes.

As in all eastern cities, there was no  
privacy. The cook was preparing his  
breakfast on the sidewalk, the shoe-  
maker was plying his awl, the tailor  
his needle, and the blacksmith was  
shoeing his horses almost in the very  
street.—Christian Herald.

### A MOTHER'S TRIBUTE.

Pathetic Ceremony at Night on an At-  
lantic Ocean Liner.

Strange, perhaps, to us, but very  
touching, is the tender, intimate soli-  
tude of the Latin races for their dead  
—"I nostri morti," as the Italians are  
wont to call those whom they have  
lost. There is a simple pathos in the  
incident that was related by a passen-  
ger on one of the great transatlantic  
mail boats.

A few days before the steamer sail-  
ed from Havre its captain received a  
letter from a peasant woman of Indre-  
et-Loire. In it she explained that her  
only son had been a cook on the Titan-  
ic and had gone down with the vessel.  
She was sending, she wrote, a cross  
which she begged him to drop into the  
sea at the spot where the disaster oc-  
curred.

The cross came in due time, a simple  
cross of wood, fashioned rudely enough  
by the mother's fingers, and one night,  
as the great vessel neared Newfound-

### TONIGHT TAKE A

## "CASCARET" SURE

No Sick Headache, Bilious Stomach,  
or Constipated Bowels  
by Morning.

Turn the rascals out—the head-  
ache, the biliousness, the indiges-  
tion, the sick, sour stomach and foul  
gases—turn them out tonight and  
keep them out with Cascarets.

Millions of men and women take a  
Cascaret now and then and never  
know the misery caused by a lazy  
liver, clogged bowels or an upset  
stomach.

Don't put it another day of dis-  
tress. Let Cascarets cleanse and regu-  
late your stomach; remove the sour,  
undigested and fermenting food and  
that misery-making gas; take the ex-  
cess bile from your liver and carry  
out of the system all the constipated  
waste matter and poison in the in-  
testines and bowels. Then you will  
feel great.

A Cascaret tonight will surely  
straighten you out by morning. They  
work while you sleep. A 10-cent box  
from any drug store means a clear  
liver and bowel action for months.  
Children love to take Cascarets be-  
cause they taste good—never gripe  
or stick.

Find, for the space of a minute her  
engines ceased to pulse, and the little  
wooden cross, weighted with lead, sank  
beneath the waves of the Atlantic.—  
Paris Cor. Philadelphia Telegraph.

### Stevenson on Invalidism.

Robert Louis Stevenson, himself the  
most heroic of invalids, would have  
agreed with Sir George Birdwood in  
his contempt for the valetudinarian.  
"To forego all the issues of living in a  
parlor with a regulated temperature,"  
he writes, "as if that were not to die  
a hundred times over, and for ten  
years at a stretch! As if it were not  
to die in one's own lifetime, and with-  
out even the sad immunities of death!  
As if it were not to die, and yet be  
patient spectators of our own pitiable  
change! The permanent possibility is  
preserved, but the sensations carefully  
held at arm's length, as if one kept a  
photographic plate in a dark chamber.  
It is better to lose health like a spend-  
thrift than to waste it like a miser.  
It is better to live and be done with  
it than to die daily in the sickroom."—  
London Chronicle.

### California's Petroleum.

Petroleum was produced in a small  
way in California very early in the  
history of the country—in fact, long  
before it was invaded by the army of  
gold seekers. Mr. C. Morrell, a drug  
gist in San Francisco, is commonly  
credited with being the first to attempt  
the distillation of kerosene from crude  
petroleum. This was in 1857, but sev-  
eral years prior to that Andreas Pico  
made illuminating oil from petroleum  
which he obtained in the Newhall re-  
gion in Los Angeles county. This oil  
was burned, so it is said, in lamps in  
the mission San Fernando.—Argonaut

### Not Stationary.

A carpenter who had been engaged  
to build a cabinet for paper, envelopes  
and other office supplies in a local com-  
mission house was busy at his task  
when one of the bookkeepers inquired:  
"Is that going to be a stationary cabi-  
net?"

"No. I don't think so," replied the  
worker. "At least I have instructions  
to put casters on it."—Cleveland Plain  
Dealer.

### Her Portrait.

The painstaking artist, anxious to  
please, remarked to prospective cus-  
tomer:

"I can paint you a portrait of your  
wife which will be a speaking like-  
ness."

"H'm. Couldn't you do it in what  
they call still life?"
