CASCARETS' BEST FOR THE BOWELS

Cascaret users never have Head-
 aches, Constipation, Bilious-
 ness or Sick Stomach.

It is more necessary that you keep
 your Bowels, Liver and Stomach clean,
 pure and fresh than it is to keep the
 sewers and drainage of a large city free
 from obstruction.

Are you keeping clean inside with
 Cascarets—or merely forcing a pas-
 sageway every few days with salts,
 cathartic pill or castor oil? This is
 important.

Cascarets immediately cleanse and
 regulate the stomach, remove the sour,
 undigested and fermenting food and
 foul gases; take the excess bile from
 the liver and carry out of the system
 the constipated waste matter and poison
 in the intestines and bowels.

No odds how badly and upset you
 feel, a Cascaret tonight will straighten
 you out by morning. They work while
 you sleep. A 10-cent box from your
 druggist will keep your head clear,
 stomach sweet and your liver and bow-
 els regular for months. Don't forget
 the children—their little insides need
 a good, gentle cleansing, too.

Mr. Taft has sent for the picture
 of Roosevelt that he left in the White
 House, but he didn't say what he was
 going to do with it.

You can say goodbye to constipation
 with a clear conscience if you use Cham-
 berlain's Tablets. Many have been
 permanently cured by their use. For
 sale by all dealers. (Adv.)

Rev. Dr. Dona d McLeod of the First
 Presbyterian church, of Washington
 has invited Secretary Bryan to con-
 duct a Bible Class.

ARE YOU CONSTIPATED?
 If so, get a box of Dr. King's New
 Life Pills, take them regularly and your
 trouble will quickly disappear. They
 will stimulate the liver, improve your
 digestion and get rid of all the poisons
 from your system. They will surely
 get you well again. 25c. at all dealers.
 (Adv.)

Heard in Washington.
 (From the Cleveland Plain Dealer)
 "Yes, suh, that is one of the most
 prominent and popular of Texans, suh."
 "Indeed! And in what way has he
 distinguished himself?"
 "He is the inventor of three new
 drinks, suh."

WOMEN
 Women of the highest type,
 women of superior education and
 refinement, whose discernment
 and judgment give weight and
 force to their opinions, highly
 praise the wonderful corrective
 and curative properties of Cham-
 berlain's Stomach and Liver Tab-
 lets. Throughout the many stages
 of woman's life, from girlhood,
 through the ordeals of mother-
 hood to the declining years, there
 is no safer or more reliable med-
 icine. Chamberlain's Tablets are
 sold everywhere at 25c a box.

HUNNY FISHES.

The Starb Grouper, the Puffer Chubbie,
 and the Drumfish Seamus.
 Perhaps the most conspicuous exam-
 ple of the fishes that are capable of ut-
 terance is the drumfish, so called by
 reason of the deep, booming noise it
 produces at will. It is found along
 the Atlantic coast from Massachusetts
 to Florida.

The squeteague, another salt water
 fish of the noisy variety, resembles in
 appearance the trout, and the not un-
 musical sound that it gives out is
 much like the note uttered by a big
 bullfrog. Allied to the squeteague is
 the fish known as "the croaker," which,
 as its popular name indicates, affects
 the croak—an unmistakable croak.

The sea robin, so called because it
 has crimson fins just behind its head,
 about the size of birds' wings, is an-
 other fish that makes itself heard.
 The "squawk" of the sea robin is es-
 pecially emphatic when on being
 caught it lifts up its voice in reiterated
 protests.

There is a fish that may be said to
 chuckle—the little puffer or swellfish.
 It puffs itself into the shape of a per-
 fect sphere and as it does so gives
 out a peculiar, hoarse chuckle.

The skate when caught grunts,
 groans and gasps pretty much after
 the manner of a human being in dis-
 tress. Carp and goldfish frequently
 utter curious sounds, but hardly sounds
 in the meaning of the term here used,
 inasmuch as their sounds are produced
 by approaching the surface of the wa-
 ter and blowing out air in bubbles un-
 til a rippling noise is heard.—Denver
 Republican.

Sparrow Diet For a Stork.
 An English sparrow flew into the fly-
 ing cage in the zoo and began helping
 itself to the cracked corn thrown upon
 the ground by the keeper. A Brazilian
 stork quietly approached and shot out
 its six inch red beak and caught the
 sparrow. Going to the fountain, the
 big bird dipped the little one in the wa-
 ter and then swallowed it and looked
 about for more.

"Oh, you cannibal! You ought to get
 a beating!" exclaimed a woman vis-
 itor.

"The sparrow ought to know better
 than to go in there," explained the
 keeper. "The stork has been eating
 half a dozen of these birds a week
 since he came here. The English spar-
 row has a quick eye and is on the
 wing and is seldom caught by
 prowling cats, but doesn't suspect any-
 thing with feathers on. The big bird
 is getting fat on a sparrow diet."—New
 York Sun.

True to His Promise.
 "Dearest, will you let me share your
 every sorrow after we are married?"
 she whispered as she cuddled her
 cheek against his.

"Yes, darling," he replied, again
 plucking a delicious kiss from her
 sweet lips.

It was the same lady who two years
 later wearily cried out:
 "Oh, Tom, why can't you ever come
 into the house without bringing a tale
 of trouble with you? I'm so sick of
 hearing about how hard you have to
 work to keep the bills paid."—Chicago
 Record-Herald.

Funny Metaphor.
 The late King Edward when he was
 Prince of Wales once made a funny
 mixture of metaphors. In reply to cer-
 tain inquiries and admonitions he said
 "I will do my best to walk in my fa-
 ther's footsteps, which you have help-
 ed up for my imitation."

Negative Woman.

 after she accepted me. Parks—That's
 nothing. I married mine three days
 after she refused me.—Boston Tran-

THE CAUSE OF RHEUMATISM
 Stomach trouble, lazy liver and de-
 ranged kidneys are the cause of rheu-
 matism. Get your stomach, liver,
 kidneys and bowels in healthy con-
 dition by taking Electric Bitters, and
 you will not be troubled with the pains
 of rheumatism. Charles B. Allen, a
 school principal, of Sylvania, Ga.,
 who suffered indescribable torture from
 rheumatism, liver and stomach trouble
 and diseased kidneys, writes: "All
 remedies failed until I used Electric
 Bitters, but four bottles of this won-
 derful remedy cured me completely."
 Maybe your rheumatism pains come
 from stomach, liver and kidney trou-
 bles. Electric Bitters will give you
 prompt relief. 50c. and \$1.00. Rec-
 ommended by all dealers. (Adv.)

A PLEASANT PHYSIC.
 When you want a pleasant physic
 give Chamberlain's Tablets a trial.
 They are mild and gentle in their
 action, and always produce a pleasant-
 cathartic effect. For sale by all deal-
 ers. (Adv.)

Remarkable! The "money kings"
 have at last done something in "de-
 ference to the government"—but it
 was only refusing a loan.

FOR DISEASES OF THE SKIN.
 Nearly all diseases of the skin such as
 eczema, tetter, salt rheum and barbers'
 itch are characterized by an itching
 and smarting, which often makes life
 a burden and disturbs sleep and rest.
 Quick relief may be had by applying
 Chamberlain's Salve. It allays the
 itching and smarting almost instantly.
 Many cases have been cured by its
 use. For sale by all dealers. (Adv.)
