## WORST STOMACH TROUBLE ENDED

No Indigestion, Gas, Heartburn or Diarrhea five minutes after taking "Pape's Diap." pain."

Every year, regularly more than a million stomach sufferers in the United States, England and Canada take Pape's Diap., and realize not only immediate, but lasting relief.

This harmless preparation will digest anything you eat and overcome a sour gassy or out-of-order stomach five minutes afterwards.

If your meals don't fit comfortably, or what you eat lies like a lump of lead in your stomach, or if you have heartburn, that is a sign of indigestion.

Get from your pharmacist a fifty-cent case of Pape's Diap. and take a dose just as soon as you can. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach, nausea, debilitating headaches, dizziness or intestinal griping. This will all go, and, besides, there will be no sour food left over in the stomach to poison your ut-breathe nauseous orders.

Pape's Diap. is a certain cure for out-of-order stomachs, because it takes hold of your food and digests it just the same as if your stomach wasn't there.

Relief in five minutes from all stomach misery is waiting for you at any drug store.

These large fifty-cent cases contain more than sufficient to thoroughly cure almost any case of dyspepsia, indigestion or any other stomach disorder.

**What is Caddis?**  
 Is it a corruption of the word "cadfy," meaning one who holds the "tee"? Or is it the diminutive of cad—a small cad?  
 Or is it from "kados," the Doric form of the Greek word "kados," meaning "one who suffers sorrow or affliction" one who mourns, one who attends a funeral procession?  
 Or is it from another Greek word "kados," which may mean either "collecting box" or "a cask containing liquor"—World of Golf.
