WHERE TO BUY.
Are you in the habit of buying from the store that you happen to be nearest to when you have the buying notion?

That's not a good habit if you have it. You can never be sure of getting the best values if you do not watch the advertisements of the merchants who are competing for your patronage. Turn now to the advertisements in the Journal and look them over carefully. Advertising news is mighty fine news for any one to read. You will often find some surprising values.

ANNOUNCEMENT.
To the Democratic Voters of the City of New Bern.
I hereby announce myself a candidate for the office of Mayor of the City of New Bern, subject to the wishes of the voters to be expressed at the Democratic Primary to be held on April 8th, 1913.
If elected, I promise to give the people an efficient, an economic and a business-like administration of City affairs.
I am in favor of running the City within its income, which can and should be done; and am unalterably opposed to the sale of bonds to cover running expenses. It will be my purpose to promote a feeling of civic pride and co-operation in all things which affect the city; and to stand for a progressive administration in both ideas and in action.
I am at all times a "Booster" of New Bern and a strong believer in the Greater New Bern to be. I stand for the moral uplift of the city, for the enforcement of the laws, without fear or favor. If elected, I will be the Mayor of all and will not go into office as the tool of any man, or as the property of any faction or clique.
Respectfully,
W. K. BAXTER.

ANNOUNCEMENT.
Learning that many of my personal friends are interested in the selection of Aldermen in the coming Primary, with a view of my re-election as Collector of Water and Light Rentals, and desiring to relieve them as well as all of the candidates for the office of Aldermen of any embarrassment occasioned by the suggestion that I would again be a candidate for the position of Collector, I respectfully desire to state, with grateful acknowledgement to my friends for their interest in me, that AS I AM A CANDIDATE FOR THE POSITION OF POSTMASTER in this city, and feeling that it would be improper for me to seek my former position, while an applicant for the second, I am not and will not apply for re-election to the position of Collector.

I do not blame any man for his honest conviction, but I do not think that City Employes should take active part in politics. Ask Mr. Tooker or Mr. Huff who the machine is supporting.
I refer the people to the closing remarks of my announcement, which I think should be sufficient especially to those who know me best.
I desire to say that I am free, with out entanglement and shall remain free. No influence controls me, or will control me after I am elected except the dictates of my conscience, and

A FEW POINTS IN FAVOR OF THE PITTSBURG VISIBLE TYPEWRITER.
There is not the least doubt but that THE PITTSBURG VISIBLE TYPEWRITER is the best low priced machine on the market today. It is durable, attractive and light. Its simplicity is marvelous. There are no complicated parts to get out of order. It is like an open book. If something clogs, you have only to make a few turns with a screw driver, remove the part causing the trouble, clean it off, replace and go ahead. It is the only machine in the world on which the set-off type and type bars can be taken apart from the machine in less than ten seconds. This feature alone is worth many dollars as a time saver. It is the only machine now on the market with twenty legible typewritten copies can be made at one writing. The ribbon control is automatic, the color change is simple and convenient, the back spacer and tabulating key are within an inch of the operator's hands when using the machine. The type are lined in a symmetrical row in front of the operator and are easily cleaned. Strong piano steel wires control the type bars and it is impossible for these to break. The machine is so constructed that the lightest touch or the vigorous pound used in heavy manifolding have the same effect on the mechanism.
Call at the office of the E. J. Land Printing Company and take a look at this wonderful machine. Price \$65.00 on the easy payment plan.
