**DOCTORS FAVOR THE TIGHT SKIRT**

HYGIENIC AND CORRECTS BAD WALKING, SAY CHICAGO MEDICOS.

Chicago, May 30.—At a meeting of a branch of the local Medical society twenty-five doctors went on record as favoring tight skirts for women as hygienic, artistic and comfortable. Of this mind were Drs. Maurice B. Wolff and Norman Curry, who spoke on the subject. "Plaited and wide skirts are the finest little germ carriers that were ever invented," said Dr. Curry. "When I saw the woman a few years ago switching that wide, germ-laden skirt from a public street car into her home, I shuddered." Dr. Arthur R. Reynolds had decidedly definite views. "As long as the individual can walk to her own personal comfort," he said, "the narrow skirt is a splendid thing. It is not the germ carrier that the wider skirt is. Moreover, if you have ever noticed it often corrects a bad walk. American women think it is stylish and pretty to turn their feet out at right angles while walking. This a narrow skirt makes it difficult to do, therefore it is a good thing. The Indian walked naturally and turned his toes slightly in. The narrow skirt is gradually correcting a manner of walking that was surely breaking down the arch of American women's feet."

**TWINS HALT TRIAL**

Mothers of Youngsters Named as Witnesses in Slander Suit.

Scranton, Pa., May 30.—Three pairs of twins which the stork delivered in a South Scranton neighborhood Tuesday night have clogged the machinery of Alderman James Moir's court. The mothers are important witnesses in a slander suit which the Alderman was to try, and in their absence he yesterday continued the suit indefinitely. All the parties to the suit live in the same block. Mrs. Joseph Savage charged that she was slandered by Mrs. Joseph Slidage in the presence of several women of the neighborhood, among whom were Mrs. Ellen O'Boyle, Mrs. Hannah Boyd and Mrs. Margaret Stanton. It was to the latter three that the stork was so generous.

**KINSTON LADY WELL KNOWN IN THIS SECTION DIES.**

Kinston, May 30.—Mrs. Rosa West, wife of Ralph N. West, died here Wednesday morning. The interment was made yesterday afternoon. Mrs. West was well known all over this section. She was a sister of Mrs. W. A. Wilson and Mrs. L. T. Korngay of Dover.

**BIG PENNIES STILL GOOD.**

Albany, May 30.—Old-fashioned big copper pennies are still legal tender and must be accepted as fare by trolley car conductors if presented. A jury in City Court here so decided.

Joseph W. Texter last February offered a conductor on a local car four "big coppers" and a modern cent in payment for his fare. The conductor refused to take them and when Texter refused to leave the car the conductor and motorman tried to put him off. Texter sued the United Traction Company and a jury awarded him \$275.

**WASHINGTON AND RIDING ASTRIDE**

MATRONS OF CAPITAL SAY CROSS SADDLE IS SENSIBLE WAY.

Washington, May 30.—Washington horsewomen consider Gen. F. P. Dickman's order forbidding women to ride astride in the parks of the national Confederates at Chattanooga a far-fetched and out of date. "I think the order is foolish," said Mrs. Burleson, wife of Lieut. B. Earl Burleson of Fort Myer. "I am a Southern woman, but the new way of riding cross saddle is much preferable to the old way." "I do not take exception to Gen. Hickman's order," said Miss Mildred Greble, daughter of Col. St. John Greble of the United States Army. "Everybody to his notion. I have ridden a side saddle and astride, and the new way is far better for the rider and the horse. The cross saddle is the more sensible."

Here is convincing proof of their merit: J. A. Williams, 203 McDaniel St., Kinston, N. C., says: "Doan's Kidney Pills proved of more benefit to me than any other remedy I ever used and it would be impossible for me to say too much in their praise. I had kidney trouble for a long time and was caused much annoyance by a frequent desire to pass the kidney secretions. There was also lameness through the small of my back that on some occasions made it hard for me to attend to my work. I used many remedies but the benefit I obtained was only temporary. I finally got a box of Doan's Kidney Pills and soon after using them, I was cured."
