S. Carr, a dozen years ago, were young men very little known outside of their county. To-day they are the best known to South America, to all parts of Europe. And the fame of "Durham tobacco" has done a vast deal of good for the whole State of North Carolina, causing many a foreigner to cogitate as he smoked his G. BRYAN Capt. cigarette, or pipe-"Durham, North Carolina' Where is North Carolina?

the 99th.

We are very glad to see Judge Thurman back in the United States Senateat least that is how our telegraphic reports of the proceedings of Congress stated in yesterday's paper, Our printer says Thurman ought to be there; but if we insist on it he will print Sherman hereafter.

Murder in Lenoir .

We learn from passengers on the down train yesterday morning that a day. negro man was killed by another negro on Mr. W. L. Kennedy's farm near Falling Creek on Wednesday night. We did not learn the names of the parties. This is the second murder in the county within the last ten days.

Personal,

Dr. Whitaker of Jones county was in the city yesterday. He says the farmers are much earlier planting cotion in his section this year than usual. Capt. E. R. Page of Trentone was in the city yesterday. He says the pic-nic at Trenton was quite a success. Large crowd present and everybody enjoyed themselves.

Newspaper Enterprise.

Our agent at Beaufort drummed an old salt to subscribe to the JOURNAL. The man refused in a hesitating manner, and the agent, with accustomed newspaper cheek, pressed home on the ancient mariner, extolling the marits of the New Berne JOURNAL, its spicy correspondence, its market reports, letc.; etc.; until at last the deviled sailor exclaimed: 'Good Lord, mister, Fcan't read !" ADI VISIOS NO'S

Mail Facilities. New Berne suffers for want of mail facilities. The pressing want now is a daily niail between / Washington and this city, and a tri-weekly line from here to Hyde county. This latter route demands immediate attention. The bulk of the corn trade from Hyde is marked in New Ferne and the people there suggests have the benefit of the Chicago com market as given by tele-graph in the Daily, Joff S 11. The New Berne and Pamlico Company

will soon have a steamer on the river and we hope the company will make arrangements to get a mail contract with other intermediate points. We suppose Mesaw, Hubbs and Latham, in Congress, would renderald in this cause n it is so avident that it is a necessit

Collins was living with the mother of his child, though not married to her, and it is said had been very cruel to the mother and her child .-

Collins was committed to the county jail to answer the charge of murder at the next fall term of our Superior Court. He appears to be an old offender.

How He Makes Them.

We heard a gentleman say yesterday that Col. McMahon's spoke and handle cred from his own garden. - Lewis works at this place turned out daily between 4,500 and 5,000 spokes and handles, besides 40 or 50 sets of rime. To do this against our present county government it requires much timber and a large force of hands. The commercial value of such an establishment in a place can the Durham manufacturers for the hadly be realized .- Greensboro Bugle.

The Wheat.

Growing wheat in this county never looked finer than it does now. The acreage is very large and if no evil befalls it an immense crop will be har-vested. The yellow appearance on the blades, noticed last week, is thought to be due to the cold weather rather than to rust, and to bode no serious harm. come. "Bro. Ephraim's got the foon and gone on." It is a character to be a series and the series of the M E Church here probably, as were ever harvested in the county. Much of it will be left on hand oration at the 20th of May celebration, even after the new crop is gathered. It has stood in good stead to those whose upland corn was cut short by last sum-mer's drought. As proof of its abun-dance, Mr. N. P. Watts tells us that he Mr. Dempsey Wood, sr. an aged and honored resident of the Bucklesberry section in this county, died on the night of May Sd. before, an unmixed evil. To begin with, it was not more than one-fourth as bad Some have plowed up a part, and are in as generally represented; most farmers doubt as to what is best to do with the raised about as much corn and cotton people into economy and they lived on and wasted less less of the lived on The Quarterly Conference of the La and wasted less last winter than they grange Mission, M. P. Church, will be ever did before. Again, it taught them the wisdom of deep plowing and thorough cultivation, and its lessons in day before the second Sunday in this month. S. I. Wooten was enquiring this (Wed-nesday) morning for cotton seed. He says that he has seventy-five or one hun-
