Railroad Meeting.

We learn that a very enthusiastic railroad meeting was held at Trenton last Saturday. It was the day appointed for the meeting of the committee from Jones and Onslow counties. Capt. E. R. We give below a telegram from Mr Best to Mr. J. P. Caddigan. We trust the Midland road may have Mr. Best's personal attention in the future, and that the work may be pushed with vigor for Dr. J. L. Latham. It was in good and energy.

Acting upon my advice the Directors the Pacific National Bank of Boston voted last Saturday to discontinue busi-ness. The Midland will suffer no inconvenience from this change of policy.
