The article on the "Advance on Freights" on corn from New Berne to Raleigh in to-day's paper deserves consideration. Some time ago Governor Jarvis directed the Attorney General to look into the matter and see if the Richmond and Danville Railroad had not forfeited their lease of the North Carolina road on account of discrimination in freights. Pretty soon a love snap is throwing them back again. The Goldsboro Graded School closes feast seems to have been celebrated between the contending parties, and we Peaches selling in Goldsboro at 25 hear nothing more about the matter. Mr. D. C. Parker, the mail carrier between Trenton and New Berne brought down on Wednesday, one Charlie Cook, a colored boy about 13 years old, hunting quarters in Craven street jail. This youth was caught concealed in Charlie Foy's store at Trenton, intending to open the door after night and let in confederates. He has been engaged in a number of crimes in Jones and is a noted offender.
