SOUT

Rusting ears were carried around the city yesterday on the top of a boy's head.

The net receipts from the festival given for the benefit of the Silver Cornet, Walker among the Immovable Jewels. Band footed up \$238.

Cohen, the buggy man, is preparing the second story of the Weinstein building for the reception of buggies.

The trustees of the Academy have had the weeds and grass howed down on the Green. Now give the trees a coat of white wash.

A shingle machine arrived on the freight train Thursday evening for Mr. J. C. Whitty's mill at Polloksville. It has a capacity of making from five to eight thousand shingles per day.

River and Marine.

The schooner Melvin, Capt. Sabiston, sailed yesterday for Philadelphia, taking a cargo of lumber at Bay River.

Whale Aground.

Dr. E. W. Ward tells us that a whale run into Brown's inlet Onslow county, a few days ago, grounded and died. He was a small one—measuring about seventeen and a half feet. The fishermen took charge of him.

Improvements at the Cemetery. The energetic chairman of the ceme-

tinues to add improvements to the cem- server, \$7.00 per annum." etery. He has recently purchased a mower to keep the grass down, had the trees whitewashed and is putting in more seats.
