## LOCAL NEWS.

**NEW ADVERTISEMENTS.**  
D. T. CARRAWAY—The New South.  
YOUTH'S COMPANION—Family newspaper, etc.

**Journal Miniature Almanac.**  
Sun rises, 5:41; Length of day, 12 hours, 30 minutes.  
Moon sets 5:50 a. m.

**New moon to-day at 7:44 a. m.**  
Eggs are in demand at 18 cents per dozen by the wholesale.

The Register of Deeds issued two marriage licenses last week, one to white one to colored.

Mr. B. A. Bell killed a good big water moccasin near the door of his jewelry store last night.

The schooner *Thos. J. May* which arrived on Saturday with ice for Watson & Daniels was detained at Hatteras for over a week.

Mayor Howard has been quite sick for several days, consequently no Mayor's court. He was able to be out a little yesterday evening.

Messrs. Wm. Cavanaugh, B. W. Marshburn and C. N. Marshburn of Onslow are in the city. They report fine crops in their neighborhood.

Prof. Sylvester Hassell's Collegiate Institute at Wilson opened with 30 pupils. A private school can't live in a small town by the side of a good graded school.

Capt. K. R. Jones moves back to his old stand to-day into a large and commodious new store, where he is opening a large stock of dry goods and groceries. Mr. Pavis, the contractor, has made quick work of it.

**Religious News.**  
The Baptist revival at Pollockville continues with much interest. Several confessions were made up to yesterday. The meeting is conducted by Rev. Mr. Cashwell assisted by Rev. Mr. Baker.

**Crops on South Creek.**  
Capt. W. A. Thompson who has just returned from a trip to Portsmouth via South Creek, gives us the following information about the crops:

Cotton is materially damaged; there will not be more than one-fourth of crop made on the beach land, but on the swamp land it is not injured so badly. Two thirds of a crop is a fair estimate. Corn is very good. There will be more made this year than ever before. Rice is very good; the acreage is not as large as last year, but double the quantity will be made to the acre.

**Fire Companies.**  
The Fire Companies held a meeting last night to take some action on the resolution of the City Council to reduce the salaries of the Engineers. At the Atlantic Engineer Green tendered his resignation, but it was ruled out on a point of order and a committee appointed to confer with the City Council. The *New Bernes* accepted the resignation of Engineer Hilton and, after trying to fill the vacancy and finding no one who would accept it for the salary tendered, appointed a committee to notify Mayor Howard that after to-night the *New Bernes* was out of service.

It is unfortunate that there should be any trouble in this matter. The Fire Companies are very efficient and should be supported. It is also unfortunate that the city should be in debt. Get an act of Legislature to allow more taxes.

**Your Name in Print.**  
Rev. N. M. Jurney passed up the road yesterday morning on his way to the Sovereign Grand Lodge No. 10, O. F., which convenes in Baltimore next Monday.

Mrs. Sarah Taylor and Miss Cole who have been visiting this section recently, returned to Chapel Hill yesterday.

Gen. R. Ransom is on a trip North on a business connected with government works in his charge.

Mr. Batt Manly returned on Sunday night from Maryland, whither he has been spending the summer, and is now ready to tackle the new crop of cotton.

Mrs. E. Ulrich and children returned from Danforth yesterday morning.

Miss Sallie Carraway is visiting Goldsboro.

Mr. J. H. Bell's family returned from Morehead City yesterday morning.

**Teachers for the Graded School.**  
The trustees of the New Bernes Academy at a meeting held yesterday evening decided the following as assistant teachers for the Graded School:

Prof. Geo. W. Neal, Miss Corinne Harrison, Miss Rachel Brookfield, Mrs. A. E. Ferrebee, Miss Annie D. Chadwick, Miss Pettigrew, of Washington county, and Miss Core of Norfolk. Va. It is believed that Prof. Johnson is allowed the privilege of selecting the teachers.

The teachers selected give assurance

that the Graded School will be successful from the beginning. Five of them have won enviable reputations in this city as successful teachers; and Miss Pettigrew brings a flattering recommendation from the Nashville, Tennessee Normal School, and Miss Core is highly recommended by the Norfolk Female College.

The names of two hundred and sixty pupils had been enrolled up to last night.

**Refutation Meeting.**  
The Hahn faction of the Republicans assembled at the Court House last night to ratify the nomination made at the convention on the 2nd of September.

The meeting was called to order by E. R. Dudley, and A. G. Oden presided and Smith acted as Secretary.

The meeting was hardly as large as the Stimson meeting but it was equally as enthusiastic. A campaign song preceded the speaking which was well rendered by the glee club.

Mr. Geo. E. Tinker was the first speaker. He admitted that the division now existing in the party in this county was of some magnitude, but claimed that the Hahn faction were the regular Republicans and that all Republicans should stand by the party organization. He was followed by E. R. Dudley, who went into the particulars of the county convention. He was followed by W. E. Clarke and others.

**River and Marine.**

**ARRIVED.**  
The steamer *Defiance* of the Clyde line arrived on Sunday from Baltimore with a good cargo of merchandise.

The steamer *Neuse* arrived yesterday from Kingston with twenty six bales of new cotton and ten casks of spirits turpentine as through freights, 10 bushels of corn and four passengers.

**Fifth Ward Stimson Club.**  
Pursuant to previous notice the Republican voters of the Fifth Ward of New Bernes, who are in favor of the election of Daniel Stimson, Esq., to the office of sheriff of Craven county, met at the warehouse of Thos. F. McCarthy, at the junction of Pollock and Queen streets, on Friday evening, September 8th, 1882, at 8 o'clock.

The meeting was called to order by Rev. B. W. Morris, who stated that the object of the meeting was for the purpose of organizing a Fifth Ward Stimson Campaign Club.

The meeting was ably addressed by Hon. Geo. H. White, Hon. L. B. Abbott, A. J. Marshall and others, all of whom spoke in high terms of Daniel Stimson, Esq., and urged their hearers to stand up to and vote for him as the regular nominee of the Republicans of Craven county for sheriff.

After which, on motion, it was voted that there shall be a Fifth Ward Stimson Campaign Club, and the following persons were elected permanent officers of the club, viz.: Q. W. Slade, president; James C. Harrison, 1st vice president; Frederick Douglass, 2d vice president; C. R. Robbins, secretary; John T. York and Richard Tucker, assistant secretaries; Matthew Simmons, treasurer; Executive Committee: Thos. F. McCarthy, Augustus Powers, Lewis Pope, A. J. Marshall, V. H. Styron, J. A. Wiggins, George Manly, J. W. Harrell and Wm. F. James.

On motion, the secretary of the club was instructed to purchase a blank book on which to record all the proceedings of the club.

On motion, the secretary was instructed to enroll the names of all the members of the club and all others in the ward who are in favor of the election of Daniel Stimson, the regular nominee for sheriff of Craven county.

On motion, it was voted that the club shall meet on every Thursday evening

at 8 o'clock, at the warehouse of Thos. McCarthy.

On motion, James C. Harrison, John T. York and Rev. Alex. Bass were elected a committee to draft suitable by-laws and rules for the government of the club, subject to the approval of the club.

On motion, the secretary was instructed to request the Hon. L. J. Moore and W. W. Clark, Esq., to address the club on next Thursday evening.

On motion, the club adjourned to meet on Thursday evening, Sept. 14th, 1882, at 8 o'clock. Q. W. SLADE, C. R. ROBBINS, Secy. President.

**The Claire Scott Troupe.**

The Claire Scott Combination will commence a four nights engagement at the Opera House on Wednesday evening Sept. 13th. The following notice we clip from the Rome Ga., Sentinel.

The performance of Claire Scott was certainly a surprise to our people, notwithstanding the almost fulsome praise so lavishly bestowed by our exchanges throughout the country. Our people did not expect to see a star and company which may be said to be the equal, if not the superior to any that has ever visited the South. Claire Scott certainly is a most magnificent actress, and the claims set forth for her have not been magnified. Her acting has been sublime—in fact she may be called a natural actress, for no attempt at artificial means of attraction is needed. In the course of her performance, she has surpassed herself in the most magnificent and casting defiance at *Rudolph*, she causes a shudder to run through the veins of her hearers and when at the close, the breathless silence is broken by long and hearty plaudits. Of Mr. S. K. Coburn, her leading support, it is only necessary to say that in every act and motion of Miss Scott, he seconds her and meets every requirement. The entire company are artists, and ably lend their aid to the star. In fact it may be said that no actress ever had a better support than Miss Scott.

During the engagement Mr. Joseph Gaylord formerly of the Skiff and Gaylord's Minstrels will execute some of his wonderful Banjo Solos. He offers a purse of \$500 to any man to equal him with this instrument.

**Pollockville Items.**  
Quite a bevy of pretty girls now visiting our town.

Cotton has commenced coming in and the features of the furnisher relaxeth a little.

It makes a darkey mad to tell him that the Democrats don't intend to allow him to hold office and that they have E. R. Page to help carry out that intention.

Mr. S. H. Rountree of Kinston, Grand Lecturer of the State, has been holding close communion with the members of Pollockville Lodge No. 175 A. F. & A. M., for the past few days.

The Messrs. Bell have moved to town and commenced business in their new store, with Mr. Gas Haskins as chief clerk. The advent of this firm adds materially to the business and social status of the place.

Politics continue to attract unabated interest and it really looks as though the whites, even in this benighted county have the inside track. The color line has been drawn by the white Republicans themselves, at the Trenton convention held by the Republicans a few days ago, not a single negro was nominated for office. Contrary to the wishes of a great many of that race.

We've heard a good many darkies around here say that they will not support Cab Scott and Eli Perry, but if S. E. Koonce and T. J. Whitaker announce themselves independent candidates, they will do all they can to elect them. The former has already announced himself an independent candidate and it behooves the latter to do likewise if he desires re-election. The Democrats seem much elated at the action of the Beaufort convention of Sept. 7th and strongly predict Whitford's victory over factions, fraud and variegated politicians.

**Stonewall Items.**  
Rain, rain and still it comes.

The Tiger Lily arrived here with a full cargo of freight yesterday, discharged and left for your city.

The Republican convention of this county convened in Bayboro yesterday agreeably to adjournment. Mr. R. S. Daniels was made permanent chairman, and Mr. W. A. Carraway Secretary.

The committee on credentials reported all right on that line. The first business on hand was the nomination of Sheriff Mr. W. D. Alford being the man. For clerk Superior Court, David Lee; for Register of Deeds, P. J. Delama; for Coroner W. T. Dickerson; Surveyor W. A. Carraway. Mr. Jno. R. McCotter who had already announced himself an independent candidate for Treasurer was unanimously endorsed and Capt. Jas. S. Lane independent for the Legislature was also unanimously endorsed. It was one of the most harmonious and orderly conventions I have witnessed.

Mr. C. H. Fowler is receiving a large stock of merchandise and so is Mr. F. F. Cherry. Mr. W. H. Gaskins re

turned home Friday night from a trip to Morehead City where Madame rumor says he went to see some one in or about Portsmouth who he would be more than pleased to induce to become a citizen of Stonewall. Mr. C. H. Fowler is pushing his saloon and warehouse to completion. Prof. A. H. Hamilton is having his lumber put in position for his new residence and for the occupancy of a desirable housekeeper. Mr. S. H. Fowler, of Bayboro is having one of the most commodious stores in the county built to accommodate his extensive trade. Mr. Jas. B. Turner of same place is adding an addition to his store to supply a necessity. To accommodate his trade he and Mr. H. H. Dowdy are North purchasing their goods etc.

Last Saturday, some 200 or 300 assembled to hear the speech of Hon. J. W. Shackelford and some of the county candidates. The speech by Shackelford was as good as usual; he spoke in interest of Col. W. J. Green for Congress and the nominees generally of the Democratic party. J. H. Foy, independent and C. S. Hewett, also independent, with Dr. C. Thompson, nominee, all made speeches, all candidates for the same office, that of Representative of Onslow. Foy and Hewett had the most to say, one giving the other's record, etc., which added not a little to the merriment of the crowd. Thompson seems to be confident of his election, as is the nominee, but the county is badly split, and a good chance for a Republican to get elected this year to the Legislature. Mr. Thomas Gilman is the Republican candidate; he made a speech at Jacksonville on last Monday. Only five candidates for the Legislature and three for Register of Deeds; all the rest have dropped out. Two for Sheriff, two for Clerk are all in that line. Don't want the Sheriff and Clerk's office—so bad.
