

Death of a Mixed Train Conductor.

The mixed freight and passenger train on the Brunswick and Albany Railroad don't run very fast. It is in the order of things that it should, and there is sometimes something among the Georgia crackers, but the conductor generally gets away with them although occasionally he meets with more than his match. For instance: "Are we most there conductor?" asked a nervous man, for the hundredth time. "Remember my wife is sick and I'm anxious." "We'll get there on time," replied the conductor, stolidly. Half an hour later the nervous man approached him again. "I guess she's dead now," said he, mournfully, "but I'd give you a little something extra if you could manage to catch up with the funeral. May be she won't be so decomposed but that I could recognize her."

"Golden Days,"

A High-Class Weekly for Boys and Girls.

Has just entered upon its third volume

with a very large and steadily-increasing

circulation. It has won its way to

the popular heart, no less by its in-

structive and entertaining contents

than by the high moral tone which

characterizes every article that appears

in its pages.

GOLDEN DAYS is a sixteen-page week-

ly, filled with stories, sketches of ad-

venture, instructive matter, and every-

thing that can interest, entertain and

benefit boys and girls.

The whole aim and purpose of

GOLDEN DAYS, and which permeates

every article that appears in its pages,

is to teach children obedience, honesty,

truthfulness and a reverence for the

Golden Rule as the true guide of life.

The leading scientists, clergymen

and educators are engaged upon

GOLDEN DAYS. Its illustrations are

refuse and in the highest style of art.

Rev. D. P. Kidder, D.D., will give

each week a lucid and scholarly expo-

sition of the International Sunday-

school Lesson of the succeeding week.

"Puzzledom" will perplex and de-

light the ingenious boys and girls, as it

has in the past.

The "Letter Box" will continue to

dispense useful information, and to an-

swer the queries and publish the Not-

ices of Exchange of our young friends.

In short, GOLDEN DAYS will stop at

no expense to deserve in a higher de-

gree than ever before, the title that

the discriminating public have be-

stowed upon it—that of the "Prince of

Juveniles."
