Messrs. Watson & Daniels are preparing to rebuild their ice house.

About 500 bushels of rice sold in the market yesterday. Prices unchanged.

A pretty, bright day was yesterday, notwithstanding the call of Turner's almanac for snow and rain.

The steamer *Geo. H. Stout*, of the Clyde Line, arrived from Baltimore yesterday evening with a large cargo of freight.

"Mallett's Pride" is the name of a sample of fine cotton in the bur displayed at the Exchange. It came from the field of Mallett Bros. at Riverdale.

Sheriff D. B. Hooker of Pamlico passed up yesterday with two recruits for the penitentiary. They were Moran Clayton and Graham Burrus, col., convicted of larceny and sentenced to two years each.

A subscriber at Morehead City complains that he has not received the *DAILY JOURNAL* for two days. We know that it has been put in the post-office here promptly every morning in time for the down mail.

Thanksgiving Day.

The Board of Trade at its last meeting resolved to close their places of business on Thursday, the 30th day of November, that day having been set aside by the President of the United States and the Governor of North Carolina as a day of thanksgiving to Almighty God for the many blessings and privileges we have enjoyed during the past year.

Jail Cases.

There are seventeen prisoners in the county jail at present. Of these, five are serving out terms of imprisonment, one awaits trial for murder, one for highway robbery, one for burglary, seven for larceny and two for assaults with deadly weapons. Those awaiting trial are held at a cost to the county of about five dollars per day, and should be disposed of by all means during the present term of the court.

Cheap Manures.

Low price manures seem to be rapidly taking the place of high priced guanos, and, as far as we have heard, are giving general satisfaction. On yesterday while Mr. A. S. Lee, the manufacturer of Lee's Prepared Lime, was in our office, a farmer from Jones county, Mr. J. R. Hargett, of Beaver creek, came in, and in conversation with Mr. Lee stated that he had used his Lime this year and was satisfied that it doubled his crop. We hear of equally as good reports from near Kinston and La Grange where this Lime has been extensively used for several years. Kaint has also been used extensively during the last two years and gives general satisfaction. These manures do not cost more than half the price of manipulated guanos.

River Steamers.

The steamer *Neuse* came in from Jolly Old Field last night with 95 bales of cotton—12 through—200 bushels of rice and 15 passengers. Ten bales of this cotton is from C. K. Johnson, of Ridge Springs.

The *Contentnea* brought in from up Neuse 71 bales of cotton, 50 bushels of rice and 30 passengers.

The *Snow Hill* received her repairs yesterday and left for up Neuse, making double quick time.

The *Trent* arrived from Bayboro yesterday evening with 2,488 bushels of rice, 21 bales of cotton and 106 bushels of corn.

Steamer *L. H. Culler* from Pollocksville with 113 bales of cotton and 250 sacks cotton seed.

Cotton Yesterday.

Spot cotton was firm in New York on yesterday at former quotations. Futures were weak at quotations given below. Liverpool spots declined one-sixteenth; futures steady. 250 bales were sold at the Exchange at 94 to 95, the most of it going at 9.63 and 9.65.

Directors of the Western insane Asylum.
(News and Observer)

On the 21st the following proceedings were had by the governor and his council:

COUNCIL CHAMBER, EXECUTIVE DEPARTMENT, RALEIGH, November 21, 1882.

At a meeting of the council held to-day the following members of the council were present, to wit: W. L. Saunders, Secretary of State; W. P. Roberts, Auditor and J. C. Scarborough, Superintendent of Public Instruction. The governor was also present and read to the council the following paper and asked their advice upon the subject matter set forth.

"The Western Asylum is now about ready to be occupied, at least the time has come when a board of directors ought to be appointed, so that the proper officers of the institution may be provided. The appointment of the board is of such importance that I desire to have the benefit of the advice and views of the council. Were the board now to be appointed simply to manage the institution, I would think it wise to select them from that section of the State contiguous and convenient to the institution. But as the most important work this board will have to do, will be the selection of the superintendent and other officers, it seems to me it will be wise not to confine the selection of the board to the locality."

After mature deliberation and consultation between the governor and his council, the following persons were named to constitute the first board of directors of the Western Insane Asylum, to-wit: Theo. F. Davidson, Buncombe; James W. Wilson, Burke; Alex. E. Perkins, Burke; S. M. Finger, Catawba; Dr. Marcellus Whitehead, Rowan; W. J. Yates, Mecklenburg; Dr. F. T. Fuller, Wake; Dr. J. C. Walker, New Hanover; Dr. W. R. Capeheart, Bertie. Adjourned sine die.

W. L. SAUNDERS,
Secretary of State.

W. P. ROBERTS,
Auditor.

JOHN C. SCARBOROUGH,
Supt. Public Instruction.

Spirits Turpentine.
(Wil. Star.)

Galloway's majority for Solicitor is 2,499.

The negro boy Cox, on trial for murder in Wayne, has been acquitted.

Bishop Merrill will preside at the Northern Methodist Conference to convene in Winston, N. C., January 21st, 1883.

The Methodists are beginning to discuss who shall be the successor of the late Dr. Craven as president of Trinity College.

Gen. Scales was elected two years ago by 2,003 majority. He is elected this year by 2,590—an increase of 487 votes.

The friends of ex-Representative Yeates will be glad to learn that he has recovered entirely from the recent mental attack that sent him to the asylum.

Conference year, at Fairfield, Amity and Soule. Rev. Mr. Nelson makes an efficient presiding officer and is a good practical preacher.

The election resulted in the defeat of the Democratic county ticket. Jos. Baum, Democrat, for Representative, was elected by small majority. Reduced Democratic majority given for all others, so far as I learn.

Tilmon Credle, of Swan Quarter, and Louisa Credle, of Englehard, were married about November 1st. We wish them a long and happy life, and trust that they may be blessed in every particular, especially * * * * *

Have not written in some time—cause—sickness. It has been quite sickly all over the county. Martha E., wife of Frank Swindell, Caroline M., wife of Taylor Burris, Romulus O'Neal and Lida Spencer, children, have passed into eternity since my last communication.

White Walking Home from Church.

COLUMBIA, S. C., Nov. 21.—In Abbeville on Sunday, as John Arnold, accompanied by his wife and mother, was returning from the Methodist church, Whitt Crosby walked stealthily behind him and knocked him down with a heavy hickory stick. Arnold regained his feet, drew a pistol, and shot Crosby in the head, the ball passing through the brain and producing instant death. Arnold gave himself up to the Sheriff and is now in jail. The tragedy was the outgrowth of a bitter feud of many years' standing.
