Boy in the Dock.

On yesterday a negro boy tumbled into the river at the Hughes' wharf where the schooner American Eagle was unloading ice. He fell between the wharf and the schooner and would have been drowned but for the mate, Mr. Frank Clifford, who, being a good swimmer, jumped into the water and rescued him. The boy had sank two or three times before Mr. Clifford reached him and undoubtedly is indebted to that gentleman for the few more days he has to remain on earth.

Oral Examination and Exhibition.

Upon that day an oral examination will ue? be conducted in the presence of the Board of Trustees and a committee of

ows: "That the principal place of usiness shall be at New Berne.

In accordance with the report of the committee on lease the chair appointed the following committee to draw up and prepare a proposition to submit to the stockholders of the A. & N. C. R. R. at their meeting to-morrow for the purpose of leasing said road: Judge W. T. Faircloth, J. C. Wooten, W. F. Kornegay, J. F. Jones, T. A. Green and H. W. Wahab.

Mr. J. C. Wooten presented to the meeting a list of names who are among the best citizens of Kinston, subscribing

Richard Fields died at his home near

"Lice" are injuring the cotton plant considerably in some places.

Those reported sick last week are, a far as heard from, improving. E. W. Bizzell is off on a pleasure trip

to Washington and Stantonburg. The wheat crop, at one time thought to be extra good, is now believed to be only tolerable.

Lila Wooten, a colored woman on the plantation of W. S. Uzzell, died on Monday, the 25th inst.

"The farthest way round is the near-est there," is an adage. Prof. Joyner can tell if its so, if seven miles travel to go three is proof. The cry of farmers is scarce labor

and that inferior. A little of the prop-er kind of dealing with hands would remedy these troubles. Henry Fields, our hotelist, returned from Green last Saturday. His quiet manner and absence of all jokes, makes

one think that he has "jined meetin." Probably he will recover in a day or so. and be himself again. The "Citizens' Cornet Band" received their new instruments last Monday. They are said to be very pretty and of good quality. A room formerly occu-pied by Mrs. L. J. Edwards as a millinery store in the upper story of E. and

M's. store, has been secured and will be very convenient for Mr. Reid who sleeps in a room near by, who says that heavy wind and thunder make him sleep soundly. The band will play at Sugg's store at the 4th of July celebration.

Some one said, "There is nothing new under the sun," but occasionally we hear of things never heard of before; for instance, Jere Sutton, a prosperous farmer who has been in the no fence district about three years, has an old turkey-gobler setting on twenty-five guinea eggs. Jere Says the gobler sets first rate, but he don't know whether or not the "blamed old fool" has sense the young guineas, the guinea hen that laid the eggs, or the turkey-gobler that hatched them? The no-fence law is working wonders among us, even the poultry is affected by it, and difficult

The price of wheat cutters has been raised to one and a half bushels per day. The price in ye olden times was one bushel per day, and four acres was considered a task for a hand. The rise in the price was first in a reduction of children will ever celebrate this day acreage, and now they want an increase of price but don't propose to increase the acreage. De W. Wood, a young farmer of pluck and energy, not being bors, hearing a heavy report of fire disposed to submit to these extravagant prices, armed himself with a cradle, whose blade he made keen and sharp. The field was gained and sickle put in but it was found that it didn't cut good, Another grinding was resorted to with no better success. "Uncle Jim," skilled in the art of scythe grinding, was sent for, and found that the blade had been ground on the wrong side.

Seven Springs Items.

The picnic at the Seven Springs on the 22d was quite an enjoyable affair. It is thought some of the old widowers who infest this community made a days journey to the celestial gates of matrimony and that the eagle of connubial bliss will soon spread her wings over their devoted heads.
