ÓL II.

M. DeW. Stevenson, Esq., has re-turned from Providence, Rhode Island. A three masted schooner is at More-

head City loading with steel rails to be taken to Canada. Mr. James Ernul sent in a watermelon

to the Register of Deeds on yesterday that weighed forty-five pounds.

Miss Ada Hardy who has been visiting her sister Mrs. Les McCullen for a few weeks, leaves this morning for her ome in Greene county.

Fird Parry unboxed a bran new organ at the New Berne House, at Morehead City, on yesterday morning for the con-venience and plassure of his guest. E. H. Henderson has sold out his in-

terest in the Henderson House, on Middie street, to Mr. J. W. Stuart, who has be hoped that the State of Carturight taken charge and assumed the role of will have acquisitions enough of this proprietor.

The steamer Trent took up a 20 horse engine and 25 horse power boiler-Krieble's vibrating valve, to the Foscue landing on Trent river yesterday for E. M. Foscue, Esq.

Friday. He is thinking so well of the guage: corn crop that he purchased a 86 inch Moore county grist mill from J. C.

wharf at New Berne on Sunday morning next at 8 o'clock for Polloksville, and we part with regret. Our citizens will have an opportunity of attending the union meeting of the Eastern Baptist Association now in ses- Officers and members of the Wilmington sion at Polloksville, returning on Sunday evening. See ad.

In noticing the errors in the schedule 'B'' returns a few duys ago we uninentionally conveyed the idea that the error was made by the Register of Deeds, which was not the case. The mistakes were made by the parties making the returns.

Newbornians Abroad. Mr. J. U. Smith of the Cotton Exchange has folded his tent and quietly, stole away to Asheville where he will remain for a month and then take in the Louisville Exposition. Rudolph Ulrich and D. S. Willis are off to the mountains for a season. Mr. A. M. Baker is on a visit to Ral-eigh and will go thence to Asheville.

S 11 C 143 More Territory.

On Tuesday last a large iceberg was seen passing South off Cape Lookout. It is said upon hearing of the fact. Shoriff Jones, thinking it was the ap pearance of a new island, with his invincible surveyor put off to survey it and found it covered ten acres. It is to Craven.

Presentation Speeches.

Chas. D. Myers, Chief of Fire Department of Wilmington, presented the handsome pitcher awarded to the At-Mr. Lewis Bynum was in the city on lantic Company in the following lan-

The talegraph operator murdered our message from Marehead City in regard to the stockeolders' meeting so badly that it will hardly be recognized by the operator at the other end of the line.
The Goldsboro Fire Company did the hing ip nicely for the Atlantics on their return from Wilmington. The "boys" enjoyed themselves as well as any company possibly could, and will show their appreciation of the kind reception given them in fitting and becoming words.
The geamer Trent will leave the BROTHER FIREMEN.-I have been

The steamer Trent will leave the general appearance and general deport ment has elicited the highest enco miums. Sir, we met you with pleasure

To which Foreman A. W. Wood, o the Atlantics, responded as follows:

Fire Department: GENTLEMEN.—In the days of yore, when the olympic games were the chief

granted the State would settle her porion of the debt against the Road as the counties had done) but in this we were mistaken, for what was not applied to the discharge of the interest on the mortgage debt was squandered in litigation and nothing was left to apply to the discharge of the principal or for the stockholder. Now if forty thousand

dollars per annum would leave nothing for the private stockholders as a divi-dend, and we submit that nothing but a dividend or some prospects of a dividend in the near future, would enhance the value of the stock, what can we ex-pect from an annual rental of thirty thousand dollars?

house, where they had been entertained Yes, our home people are entitled to since their arrival, and got their engine the same clever treatment that W. J. and hose reels, when they proceeded to Best was, but who are our home peothe Little Giant engine hall, which ple? OURNAL won by the Atlantic Fire Company of this city while in Wilmington, can now be seen at the show window of E. H. Meadows drug store. It is quite a hundsome and valuable prize, engraved on one side "Fireman's Tournament, July 24, 1883, Wilmington, N. C." and on the other side simply the word "Atlantic."

The American Rapid Telegraph Company has acceded to the demands of the and put them to work. Four hundred operators in all had returned to work. There is a rumor that the American Rapid Company and the Bal-timore and Ohio Company would concollidute and form a combination against the Western Union, which remains firm and shows no indications of weakening.

The stockholders of the A. & N. C. Railroad Company adjourned on yester-day to meet in Goldsboro on the 2nd Thursd vy in December, unless the litiga-tion in regard to the restraining order shall have terminated before that time. In case it does the chairman will call a meeting by giving ten days notice but in no case shall the meeting be held under sixty days from the time of ad-journing this meeting. Maj. John Gatlin il Col. T. C. Fullar were selected on part of the stockholder as attorney

id during

nonorable men-s contest so close, that while we had grave apprehensions as to the result, yet we were compelled to ponents with pride and admiration, for if there is one thing that I admire more than another, it is a live, energetic fire-man, and especially a North Carolina fireman. But my ideal men as firemen are the Wilmington firemen. They know how to handle hose, they know how to subjugate a fire and they know how to subjugate a fire and they know how to subjugate a fire and they know how to entertain their visiting brethren better than any fire department ever known or heard of. Gentlemen, again I thank you for this beautiful work of nature and art combined. We will ever remember you, and in behalf of my comrades i extend to you a cordial invitation to promise you so princely a reception as we have met with, still we will receive you will open arms and promise you a good time. while we had grave apprehensions as to

Po Longe, St .

esteemed cotemporary, the New JournaL, favors a sale of the At-Road upon the grounds that i's ass would not embrace the value ounds that i's lense would not embrace the data to atonk," while, if the Boad was for only half its value, the coun-of Craver, Lonoir and Pamilco id be somewhat lightened of their e somewhat lightened of them b. Why was not this same ob-raised to the Best lease? Are home people-our business men ed to the same clever treatment Are

entitled to the same clover treatment and confidence that was bestowed upon an interioper like W. J. Best? And granted that the JOURNAL states the matter correctly, is there not danger of the county of Graven sacrificing more than its receipts from sale of her stock oan amount to? Would not the interests of New Borne be safest in the hands of the bisiness men? The stock in the N. C. Road advanced under a lease, in ten your time, from 30 to 90 cents. Is it not remonable to suppose that at the expiration of a thirty years lease the nock of the A. & N. C. Road would be worth full value, and would not this give it a better market value?--Mes-sentor.

We endeavor to profit by experience! Index the Bost lease we figured out

now the interest of the mortgage debt of the Road could be paid and a sinking fund set aside for the payment of the orinoipal which would have been dis-

and intraive or fifteen years, and after that time the routel could have

bein applied as a dividend to the stock-

day evening. See ad. Anthony Davis, Esq., and wife, of Pink Hill, Lenoir county, sailed on the Shenandoah yesterday for Elizabeth City, and they go from there to Norfolk, thence to Northampton county, Va., on a visit to friends. Mr. Davis is one of the best farmers in Pink Hill and keeps fine stock. He will bring on his return a fine Jersey calf. That pitcher spoken of in yesterday's shade trees just opposite W. F. Stanley's own familiar stalls at home. The test Pridgen's fine tree on his sidewalk is Fire Department, Foreman A. Adrian, prostrate. "Archbell loses one half of of the Howard Relief Fire Company. his shade. Mrr. Green's house came Foreman Edgar C. Parmele, of the W. from its wooden pillars and placed upon the ground. The large colored church near the cemetery, nearly completed, was wrecked completely and levelled to the earth. The new colored Masonic Lodge is lying prostrate. The belfry of Kinston College lies low. Mrs. Therees Chadwick loses a fine shade tree and several panels of fence. A large maple in front of Dr. Lewis' residence broke in half and toppled over crushing the street fence and missing the house by three feet. All hands are busy to day clearing away the wrecks. No lives lost. ARACHEL.

THE LATEST NEWS.

ST. PAUL, MINN., July 26.-A special from Miles City, Montana, says a party of thanks and appreciation. Other offices of masked men proceeded to the county last night, overpowered the jailor ty last night, overpowered the jailor and seized a prisoner named Rigney. The mob took him about a mile and hanged him to the projecting end of a railroad tie over a culvert. Rigney had been lodged in jail the day before for disorderic conduct and was resulted for disorderly conduct, and was reputed to be a bad citizen, being accused of robbing and other crimes. He was the bar tender in the salsoon of the Cosmobar tender in the salacon of the Cosmo-politan Theatre. Two hours after the hanging the theatre was burned, to-gether with six other buildings, entail-ing a loss of \$50,000. It is generally believed that the fire was the work of an incendiary in retaliation for the hanging of Rigney. In yesterday's report of the
