The frame for the covering over of the railroad wharf is being raised.

The Register of Deeds issued one marriage license to a colored couple during the past week.

L. F. Tillery has relieved Justin Jones at the telegraph office in this city. Mr. Jones goes to Salisbury.

A stock company has been organized in Beaufort for the building of another hotel on the site of the old Atlantic House.

Our thanks are due Senator Ransom for two bound volumes of the complementum of the tenth census of the United States.

Rev. E. M. Forbes preaches at Christ's Church to-day, having exchanged with Rev. V. W. Shields, who fills his place at Beaufort.

Presiding Elder J. E. Main will preach at the M. E. Church this morning and evening. Quarterly Conference will be held at the church on Monday night at 8 o'clock.

Two parties were arraigned before His Honor, the Mayor, on yesterday for disorderly conduct. They were represented by counsel who asked that the hearing be postponed until to-morrow. The court so ordered.

At the District Conference of the M. E. Church, held at Mount Olive last week, the committee on parsonage reported that a neat building had been erected in the city of Goldsboro at a cost of \$2,500. It is now occupied by Rev. Dr. Main.

Schooner Arrivals.
The Mary S. Capt. Jim Berry, from Juniper Bay with corn consigned Burris & Co. and Wahab & Credle.

The Sarah E. M. M. Capt. G. Stowe, from New Bedford for Burns & Co.

Hazards.
Havana Capt. Caffy, from England with corn for Burris & Co.

Fire.
Yesterday morning at about one o'clock Mr. J. W. Hill, a private watchman on Middle and Pollock street, gave the alarm of fire, which proved to be the kitchen on the premises occupied by Mr. James Willis on East Front street. A stream from the Atlantic engine soon squelched it. The New Bern engine was out in good time, but for some cause did not get to work.

Commissioners' and Magistrates' Meeting.
The County Commissioners and Magistrates meet to-morrow for the purpose of levying taxes. We don't know whether it is the duty of the Board of Magistrates or not but we think it is the duty of some one to inquire of the Commissioners if sec. 45, chap. 12, act of 1831 has been complied with; and if not, is there any reason why sec. 47 of that same act should not be enforced? People who hold claims against the county are entitled to their money, and if it is neither in the hands of the sheriff nor treasurer, they should know it so that they can go about making terms with somebody to have them. Let the inquiry be made either by the Board of Magistrates or the finance committee.

Sunday Train.
As will be seen by the paper sent elsewhere the Sunday train on the A. N. C. Railroad will be discontinued on the 12th inst. While it may be a pleasure to many, who have no other time to spare, to take a trip on the Sunday train, yet it is incompatible with Holy Writ, as we are commanded to remember the Sabbath day to keep it holy. Yet we have heard that the said train advanced that it is just as much a violation of the commandment to fail to work six days in the week as it is to labor on the seventh. We think the railroad authorities are right in discontinuing the Sunday train, for whatever work is done on that day should be done in the service of man.

Mail.
Our correspondence is to be addressed to hold possible.

Adam's letter to the editor, cannot throw any light on the subject.

The newly elected members of this county have nearly all of them only a short time to live. Some are to be appointed to the Sand Hill ship.

It is hard to what slip up in the table, but S. Loftin didn't know not that him, as he was working in the dark lantern, never heard any suggestion of Col. Parrish's representative.
