|  |  |  |
|  |  |  |

We reached Wayneeville about ${ }^{6}$
o'lock p. m. and put up at the "Na-
tional Hotel"-a small old wooden
building-a common looking place
Mr. Goode, the proprietor, is kind and

Mr. Goode, the proprietor, is kind an
feeds well. Rev. Mr. Jones and my solf took a walk and surveyed the tow
before dark. The town is small beorere dark. The dilapidated, but the mountamin wenenery is grand. We visited the
grave yard and found the city of th dead contained as many as the
coity of the living. People
will die in the mountain will de in mountains
well as on the sea coast. Dr. McFad gon, formerly of Bladen county, live Dere. His wife was very ill. Th
Doctor told me that there were 20 casee
of "Typhoid fever" of "Typhoid fever" in and around
Waynesville. Near the grave yard we met a venerable gray-bearded moun
taineer, and the following dialogue took place.
James: What church is this?
Mountaineer: The Methodist Churoh
South.
J: Have you \& Methodist Churct
