Big day to-morrow.

Low tide yesterday.

Prepare mottoes for the parade to-morrow night.

Steamer *Defiance* sailed last night with a full cargo of cotton.

Read the line of march for to-morrow night and illuminate your houses.

We are glad to learn that Mrs. John O. Gardner has returned to her home.

A colored school house was burned at Woodbridge, in this county, last Friday night.

The steamer *Florence* arrived from Vanceboro last night with cotton and lumber.

Our cigar manufacturer, Mr. C. Erdmann, packed 10,000 cigars for South Carolina yesterday.

Rev. A. D. Cohen is in the city and preached at the Baptist church on Sunday morning and evening.

We call attention to a change in the schedule of the New Berne and Pamlico Transportation Company. See "ad."

Seven prisoners escaped from the county jail in Wilmington on Friday last by overpowering the jailer. Two of them were recaptured.

On our second page to-day will be found a striking and instructive illustration of the comparative worth of the various kinds of baking powders now in the market.

Rev. J. S. Cummings and Mr. Haywood Waller, of Lenoir county, called to see us yesterday on their return from the Free Will Baptist Conference. They report a large crowd present and a good time.

The regular quarterly meeting of the Ladies' Memorial Association will be held at the residence of Mrs. Daves this (Tuesday) afternoon at 4 o'clock, Nov. 13th, 1883. The members are all invited to attend.

It has been suggested, and we think the suggestion a good one, that all the merchants close their stores for awhile to-morrow, say from eleven a. m. to two p. m., so as to give the clerks an opportunity of attending the ceremonies of laying the corner stone and hearing the Governor's speech. If the merchants agree to do this we will take pleasure in announcing the hours of closing and opening.

Died.
In this city, Nov. 10th, 1883, Mr. L. D. Wilkie, of Catawba county, but for many years a resident of this city. The cause of death was softening of the brain. The funeral took place on Sunday.

Officer Transferred.
Assistant Engineer Webber, of the Outer Stevens, has been permanently assigned to duty at Savannah, Ga. This officer has made many friends in New Berne while on duty here who will part with him with regret.

Masonic.
A special meeting of St. John's Lodge No. 3, A. F. & A. M., will be held to-night at 7:30 o'clock. The members of New Berne Lodge No. 245, and all other Master Masons in good standing in the city are requested to attend.

Railroad Improvement.
The President of the A. & N. C. Railroad has purchased 600 tons of the steel rails at Morehead City which will be brought to New Berne and stored, and laid as fast as they can be paid for. One hundred tons of these will be taken out next Monday and the work of putting them down will begin. The best of the old rails taken up will be used in repairing the road where it is most needed, and those unfit for further use will be sold. The President is pushing the work of improving the road bed and warehouses with commendable zeal.

Line of March.
Some changes having been made in the line of march for the fire department on to-morrow, we publish it as corrected:

The companies will assemble on Broad street, between Middle and Hancock, right resting on Hancock; will march up Broad to Metcalf; countermarch to Middle, down Middle to South Front, down South Front to East Front, up East Front to Nones, up Neuse to Craven, up Craven to Johnson, up Johnson to Metcalf, down Metcalf to Broad, up Broad to George, down George to Pollok, down Pollok to Craven, up Craven to Broad, down Broad to East Front, down East Front to Pollok, up Pollok to Craven, down Craven to South Front, countermarch to Pollok, up Pollok to Middle, up Middle to Broad.

By order
J. W. Moore,
Chief Fire Department.

Dr. Barker's Lecture.
Dr. Barker was greeted at the Theatre last night by a fine audience. His lecture was exceedingly interesting, and was highly appreciated. Those who fail to attend will miss a rare treat. The lecture will begin to-night at 7 o'clock sharp.

The Baptist State Convention.
This body convenes at Edenton to-morrow. Quite a number of delegates arrived on the A. & N. C. Railroad last night and will leave on the steamer *Shenandoah* this evening. Among the arrivals are the following:

Rev. T. H. Pritchard, D. D., Wilmington, N. C.; Rev. A. D. Cohen and wife, Cary, N. C.; Rev. H. W. Norris, Wake county; Mr. Braxton Banks, Wake county.

Rev. C. A. Jenkins goes as the representative of the church in this city.

Northern Visitors.
The committee appointed at the meeting at the Cotton Exchange and Board of Trade, and added to by the City Councilmen, have arranged with the authorities of the Atlantic and North Carolina Railroad to bring northern visitors over the road to New Berne for half fare.

They have also arranged with Mr. Street, of the Gaston House, for board at very low rates. An invitation has been extended through Hon. M. McGehee, Commissioner of Agriculture, inviting the Pennsylvania and Massachusetts visitors to extend their trip to New Berne.

Public Library.
We quote the following valuable suggestions from an article on the subject by I. B. Peasler, Superintendent of Public Schools of Ohio:

"Let us look at the circumstances in which our youth are placed in regard to literature.

At the homes of a large part of them there is scarcely a book, except the text-books of the children themselves. At the homes of a majority of those remaining may be found a few books upon the parlor table, which are usually considered by the parent as too nice for the children to read. It is safe to say that very few indeed of our youth have access to a good home library. That child who is trained at home to a love of reading good books is the exception. Is it any wonder, then, that our youth yield to the temptation to read the worst kind of story papers and novels, which are everywhere thrown around them? In addition to other enticements, we find near all the large school buildings of our cities, shops which keep, besides pens, pencils and school books, a large assortment of trashy story papers and novels. What a comment on the public schools! The vendors of these papers place those having pictures of murders and Indian outrages, etc., in the windows. The children, attracted by these pictures, buy the papers and read the stories. They soon become intensely interested in the stories, and in the slang language in which they are written. The boys and girls buy novels of the same or of a worse tendency for from five to ten cents. These are purchased and devoured, and thus by degrees is formed the habit of reading this pernicious class of writings. The children are not to blame. There is nothing in their home surroundings to counteract these evil tendencies. The schools have been standing by, saying, "Don't touch, don't touch," but doing nothing to interest the pupils in good reading.

Knowing from experience, as I do, that it is in the power of the schools to control almost entirely the reading of the pupils, and to implant in them correct literary tastes, I appeal to boards of education, to superintendents and teachers, to take immediate and decisive steps to make this literary training in all the grades a prominent feature of school work; as the only effectual way to keep the youth of our country from reading the terrible dime novel is to interest them in the writings of good authors and this must be done, if at all, by the schools."

The New Berne Graded School Library was started last year, for the purpose of furnishing pure and interesting reading for the children, and it has given much pleasure and instruction to the five hundred school children of the city. An effort is now being made by Dr. Barker, who is a friend of every good enterprise, to increase the Library Fund.

We trust that his lectures will be well patronized. The ticket holders will get the full worth of their money in pleasure, and the money will materially aid in furnishing good reading matter for the children.

Cannot a Library Association be formed in New Berne which will enlist the services of our best workers? Much can be done by united, persistent effort.

Lynched.
CHARLOTTE, N. C., November 10.—A special to the *Observer* from Mt. Mourne, Iredell county, says a party of 65 negroes to-day captured Lawrence White, col., and hanged him to a tree near the E. R. station. A few days before White had a fight and killed a colored man named Frazier with a knife. White had been arrested and was on his way to jail in Salisbury when he was taken from the guard by the lynchers.

Mr. J. R. B. Carraway, New Berne, N. C., says: "I do not hesitate to say that Brown's Iron Bitters is the best tonic I ever used."

Hookerton Items.

The farmers are busy bringing in the golden grain.

The whiskey sellers of this place are generally very busy.

Seed cotton sells in Hookerton for three cents and lint at 9¢.

W. M. Coble and lady have returned from a trip in Jones county.

Misses Nannie Latham and Nannie Kizle are visiting friends here.

Colds are the unpleasant visitors of every family in this community.

Rains have ceased and the river is so low it prevents the boats from running regularly.

The largest man in the county is dead; he died near Snow Hill. His name is James Jones.

The Methodists are holding a protracted meeting here but are not raising much of an excitement so far.

We have seen a copy of the *Telegraph*, a newspaper published in Snow Hill. We think it very good for the first.

The Doctors of this place are having a very nice time riding about with the girls, as it is so healthy they have nothing else to do.

Stonewall Items.

Judge Eure paid us a short visit a few days ago.

The Methodist held their Quarterly meeting at this place on the 11th.

Messrs. Baxter & Bro. have sold their entire stock of goods to Mr. S. W. Hudnut.

Mr. J. H. Beeton, the seignor of the Pamlico *Enterprise*, has bought Hon. W. T. Caho's interest and is now the sole proprietor.

Mr. L. B. Midyett was thrown from his horse in this place last Saturday and very painfully hurt, and fortunate he was to get off as well as he did.

Messrs. Stevenson and Guion, of the legal fraternity of your city, are with us at this time—other matters besides big meetings brought them, I should guess.

The Free Will Baptist Conference convened near this place on the 8th inst. A large crowd was in attendance and all have been edified to their satisfaction, if preaching could do it.

P. L. A.

To the officers of *Philosophical Literary Association*:

You are hereby notified to attend a regular meeting Tuesday evening, Nov. 13th, 1883, at 7 o'clock at West street Chapel. By order

M. W. CHAPMAN, Pres't.
W. W. LEWIS, Sec'y.

Another Murder in Iredell—The Third in One Week.

Iredell county is making a reputation on murders, three having been committed within her borders during the past seven days besides goodness knows how many during the year which is now nearing its end. Yesterday's *Observer* contained accounts of the murder of a tax payer by a tax-collector, and of the slaying of a husband by his wife, and to-day we give news of yet another murder. Two negro men, Julius Frazier and Lawrence White, became involved in a quarrel near Mount Mourne Thursday evening and finally clinched. White in the scuffle got out his knife and plunged the blade into Frazier's throat, cutting a deep gash and severing the jugular vein, causing death almost instantly. The murderer was arrested, we are told, and carried to jail in Statesville.

From a citizen of Statesville who arrived in the city yesterday, we learned additional particulars of the killing of Wm. Pope, by tax collector Wilson. Pope lived about seven miles from Statesville and Wilson rode up to his house to collect his taxes. Pope owed for two years, but paid up, and then, so it is charged, the collector demanded an additional 50 cents from Pope as his fee for collecting the taxes. Pope refused to pay this and a quarrel ensued, which ended in a fight between the two men, during which Wilson drew his pistol and shot Pope in the breast, killing him instantly. The slayer was lodged in the jail at Statesville.—*Charlotte Observer*.

A Million Dollars Depending on the Letter 'S.'

A correspondent of the *New York Sun* says that Leonard Case, a millionaire old bachelor, charitable and eccentric, died in Cleveland city several years ago, leaving beside a handsome legacy for a school of applied science which bears his name, a large property for his heirs and next of kin to quarrel over in the courts. One of the suits now pending in the Ohio Supreme Court, the court of last resort, hinges upon the appearance of the letter 's' in the statutes. The other descendants of Leonard Case's mother claim a share in the estate. The statutes provide that under certain contingencies the estate of a deceased person shall pass to the next of kin of the blood of ancestors from whom the estate came. If the word "ancestors" is to be construed in its full force, the descendants of Mrs. Case can obtain full share. On the other hand, it is claimed that the letter "s" at the end of "ancestor" crept into the statutes through the carelessness of some printer or proof reader. The case will be heard in the Supreme Court before long. The property involved is valued at \$1,000,000.

Tully & Co., who have been doing a good business in renovating feathers and mattresses, will remain in the city only this week. Housekeepers should attend to their work, as it is their last chance.

Mr. J. H. Hawkins, Ridgway, N. C., says: "I used Brown's Iron Bitters as a tonic and found it very beneficial."

Lost Faith in Physicians.

There are innumerable instances where cures have been effected by Scovill's Sarsaparilla, or Blood and Liver Syrup, for all diseases of the blood, when the patient has been given up by physicians. It is one of the best remedies ever offered to the public, and as it is prepared with the greatest care, as a specific for certain diseases, it is no wonder that it should be more effectual than hastily written and carelessly prepared prescriptions. Take Scovill's Blood and Liver Syrup for all disorders arising from impure blood. It is endorsed by all leading professional men.

No sensible man prefers wealth to health. Some few have both; very many have neither. Well, you may have first choice. Which will you take? "Health." Very well, what's your ailment? "A little of everything." What's the cause? "Blood out of order, kidneys weak, digestion bad, heart's action irregular." Yes, and every disease can be traced to these same sources. Just take a few bottles of Brown's Iron Bitters, it will remove the causes of disease and restore you to robust health. Ask your druggist and use Brown's Iron Bitters.

In the Saloons of Fashion

white teeth are more frequently seen than formerly. This is because our ladies have given the seal of their approval to SOZODONT, foremost among toilet articles. This superlatively pure and sublimely prepared checks the further decomposition of the teeth, removes impurities which obscure their natural hue, strengthens them and makes the gums as rosy and hard as coral, and communicates sweetness and rosiness to the mouth.

For DYSPEPSIA, INDIGESTION, Depression of Spirits and General Debility, in their various forms; also as a preventive against Fever and Ague, and other Intermittent Fevers, the "FERRO-PHOSPHATED ELIXIR OF CALSAYA," made by Caswell, Hazard & Co., New York, and sold by all druggists, is the best tonic; and for patients recovering from fever or other sickness, it has no equal. tw1j

Nervousness, Nervous Debility, Neuralgia, Nervous Shock, St. Vitus Dance, Prostration, and all diseases of Nerve Generative Organs, are all permanently and radically cured by Allen's Brain Food, the great botanical remedy. \$1 pkg., 6 for \$5. At druggists, or by mail from J. H. Allen, 315 First Ave. New York City.
