Very large crowd at the rink last night.
Cotton reached ten cents yesterday at the Exchange.

Solinger Collins is pestered with a great many witnesses who will get no pay.

The steamer *Shepherd* both carried out a full cargo of cotton and other freights yesterday.

Thanksgiving turkeys are going at one to two dollars apiece, and hard to find at that.

The schooner *John W. Hull* has arrived from Philadelphia with a cargo of coal for Elijah Ellis.

A little fire at E. B. Cox's stable last night brought out the Fire Department in hot haste. No damage.

Hare and hounds' chase will come off Thanksgiving day. Many ladies will join in the sport.

Thanksgiving services will be held in the Presbyterian church at 11 o'clock a. m. by Rev. L. C. Vass.

Mr. Sam K. Eaton is North purchasing holiday goods and has already sent forward several installments of valuable bridal presents.

Mallett Bros. obtained, through their cotton brokers, Kinsey & Oliver, on yesterday, the highest price paid for cotton recently. It was of an extra grade and brought ten cents.

The Big Snake.
By reference to the advertisement in another column, Mr. E. C. Howes will exhibit to-day and to-morrow the Giant African Python, which he claims to be the largest living snake now on exhibition. We suppose that Mr. Howes has his snakeship chained, muzzled or caged so that there will be no danger, and our citizens will have the privilege of seeing this wonderful monster for the small sum of ten cents.

Correction.
Our Stonewall correspondent in his items of yesterday was evidently mistaken in his reference to the Judge, who held court in that county last spring. Our attention has been called to the fact that Judge Shepherd held the court at that time and remained until the docket was cleared. Our correspondent must have had reference to last fall or the spring before. We have yet to hear of Judge Shepherd's leaving a court before completing his work.

The Entertainment To-Night.
We have probably said enough on the subject of the entertainment to-night and to-morrow night but our anxiety is great that our people shall by a liberal patronage show to the world that they do appreciate the gallantry of our fallen soldiers who died in the earnest support of a cause they thought to be right and upon the altar of which their life's blood was sprinkled.

In honoring the memory of General Pender we are honoring that of every Confederate soldier, whether living or dead, and better still we are honoring ourselves also.

Then let us all go up as one man and present the small amount of the price of the tickets for the two occasions, have a pleasant evening's enjoyment and come away thinking the better of ourselves because of doing so.

Superior Court.
His Honor Judge Shepherd and Solicitor Collins hammered away on the criminal docket all day yesterday, disposing of several knotty cases. A committee, consisting of Messrs. H. R. Bryan, F. M. Simmons and W. W. Clark, was appointed to prepare a calendar of the civil docket for next week. The following are the cases disposed of on the criminal docket:

State vs. John Bryan: larceny and receiving. Jury empanelled. Geo. H. White appeared for the defendant. Not guilty.

State vs. Dr. Charles Duffy and R. H. Barry: Affray. Duffy plead guilty. Jury empanelled as to Barry. W. W. Clark for the defendant; Nixon, Simmons and Manly for the State. Verdict: Guilty.

State vs. David Swindell and Nathan Hill: Injuring jail. Not pros.

State vs. J. J. Wolfenden and George Green: Affray. Jury empanelled. C. C. Clark for defendants; Solicitor Collins for the State. Verdict: Not guilty.

State vs. Wm. Lovick: Injuring personal property. W. E. Clarke for defendant. Verdict: Not guilty.

State vs. Caesar Beaton: perjury. W. E. Clarke for defendant; Nixon, Simmons and Manly for the prosecution. Dismissed at the cost of the prosecutor.

State vs. David Whiby: false pretense. Dismissed on payment of cost.

State vs. Southey Blanco et al: affray. Wm. Whitford for defendants. Verdict: Not guilty.

Court adjourned to 9 o'clock this morning.

Personal.
Professor Bously arrived last night and is at the Gaston House. To-night he will be at the theatre.

Mr. J. O. Foy, of Richlands is in the city.

P. H. Pelletier, Esq., of Pollockville, is attending court.

Messrs. J. F. Mads and John Elliott, of Jones, called to see us last night and renewed for the JOURNAL. They report short crops, but must have the paper.

Important to Justices.
Solicitor Collins requests us to call the attention of Justices of the Peace in the 2d judicial district to sections 744 and 745 of the Code and ask that they act accordingly. For the benefit of those who have not yet received the Code we copy the two sections:

Section 744. When witnesses on the trial of criminal action to be paid; not more than two witnesses to be paid. 1871-3, c. 186, s. 3. 1879, c. 284, s. 2.

No person shall receive pay as a witness for the State on any such criminal action unless such person shall have been summoned by the clerk under the direction of the solicitor prosecuting in the court in which the action originated, or in which it shall be tried if removed; and no solicitor shall direct that more than two witnesses shall be summoned for the State in any prosecution for a misdemeanor, nor shall any county or defendant in any such prosecution be liable for or taxed with the fees of more than two witnesses, unless the court, upon satisfactory reasons appearing, shall otherwise direct. And no witness summoned in a criminal action or proceeding shall be paid by the county for attendance in more than one case for any one day; nor shall the county be required to pay any such witness if his attendance shall be taxed in more than one case on the same day.

Section 745. On appeal from justice in criminal action, only two witnesses to be bound over. 1879, c. 264, s. 3.

When the defendant shall appeal from the judgment of the justice of the peace, in any criminal action, it shall be the duty of such justice of the peace to select and bind over on behalf of the State not more than two witnesses, and neither the county nor the defendant shall be liable for the fees of more than two witnesses on such appeal, unless additional witnesses shall be summoned by order of the appellate court as provided in the preceding section.

The justices will at once see the injustice done many witnesses by compelling them to attend court without compensation.

Kinston Items.

A good rain here last Sunday changed our dust into mud, without mending matters greatly.

There was a very dark darkey here last Monday rigged out in the uniform of a lieutenant of the "Lost Cause" and he looked like a lost nigger too.

About one thousand bales of cotton were shipped from this place last week. The streets last Saturday were blocked with vehicles bringing it, while Exchange place was crowded disagreeably. It brought from 9.45 to 9.70 for the best. Very little came in last Monday.

If you must have a best girl by all means get one from Kinston. It is said that a young lady of this place recently confessed that she so adored a dentist, the homeliest man of the place, too, that she had had five teeth pulled for the sole privilege of being near him a few moments.

Courting characters like our U. S. Commissioner Perry, and our indefatigable young merchant, W. E. Hay, are anxious to know what it signifies when cats follow a courting couple, an editor being one of the couple. Our old sooth-sayer, Richmond Bryan, predicts matrimony will soon follow and now Perry and Hay keep themselves well perfumed with tincture of valerian when they go among the girls.

Hookerton Items.

Sheriff Harper was in town to-day. Business is brisk at this season of the year.

The Knights of Honor are thriving here.

The weather is very warm for the season.

The farmers are bringing in loads of baled cotton.

The Methodist revival has closed with but four additions.

No rain in several weeks and the boats have not run in some time.

We hear of several families going to move to town. We bid them welcome.

O. G. Hartsfield, of Kinston, is in town tuning pianos. He carries his silver horn with him.

Z. B. Taylor lost a bag of cotton several nights ago. They began the search immediately and have arrested some parties brought them to town and had a trial, bound them in a bond for their appearance at court. After the trial one of the witness, a negro, stole a pair of shoes from Patrick & Dixon, but they caught him before he made his escape and took him to trial and sent him to Snow Hill to jail to wait there until court.

The official books show that Blackwell & Co. pay nearly two-thirds of all the revenue collected on tobacco in their district. Their facilities for packing and storing, that the tobacco may not be hurried but may have time to cure and sweeten in a natural way, are the largest and finest in the world. These facts are mentioned to show that when you use Blackwell's Durham Long Cut in your pipe or cigarette you necessarily smoke a pure tobacco.

La Grange Items.

"Cotton is a little off," saith the buyer.

Rev. C. J. Nelson preached in the Baptist church in this place last Sunday.

Carson Cobbs, of Greene county, had his gin house burned last Saturday, together with about four bales of cotton. The fire was caused by sparks from the engine. No insurance.

N. J. Rouse, Esq., had a runaway last Saturday night. The horse started forward before entirely free from the buggy, became frightened and ran, doing considerable damage to the buggy.

Rev. J. D. Cavanaugh filled his appointment at Hickory Grove last Saturday and Sunday. I learn that the congregation was large on Tuesday, and that he is making a very favorable impression on the people. So mote it be.

Two rows in town Saturday, in both of which attempts were made to use the knife, so I hear. No serious damage was done. A little more stringent police regulations would have a wholesome effect in such cases, and put a stop to such disgusting conduct of drunken men as was committed here on Friday.

Rev. J. D. Carpenter, P. C., of this circuit M. E. Church, will leave for Statesville to-morrow (Tuesday) to attend the Annual State Conference of his church. Mr. Carpenter has been here for twelve months, and has, by his piety, zeal and ability, won to himself many warm friends, who hope for and expect his return to this field.

Thomas Dawson died at his residence in Lenoir Institute township, this county, on the 24th inst., in the 64th year of his age. Mr. Dawson had long been a true and faithful member of the Primitive Baptist church and was an exemplary christian. In his family he was one of the kindest of husbands and best of fathers. His life as a citizen was above reproach. A true christian, a loving companion and father and a peaceful citizen has died. His afflictions were long and severe, but:

"Servant of God, well done!
Rest from thy loved employ;
The battle fought, the victory won,
Enter thy Master's joy!"

"The voice at midnight came;
He started up to hear:
A mortal arrow pierced his frame,
He fell, but felt no fear."

"The pains of death are past,
Labor and sorrow cease,
And life's long warfare closed at last,
His soul is found in peace"

Swansboro Items.

Maj. Russell made more potatoes than any four men in our community.

Elijah Summerville makes the largest hayman potatoes. One measured 14 inches long, 1 1/2 inches around and weighed 6 1/2 lbs. I. M. Prow and not Brown, was his house builder.

The health is good in Swansboro now, only a case or two of sickness. Mrs. D. G. Moore has severe attack of bilious fever, and Mr. Otway Freshwater, while playing with his child, fell down and sprained his wrist severely, perhaps broke one bone. But these cases were speedily attended to by Dr. Blount and Ot. and Mrs. M. are getting on all right.

Maj. Hearne, the Superintendent of the Inland Coasting Company, was here all last week at work for the Company. He chartered the schooner *Ray*, Capt. Dennis, and sent off a load of cotton and naval stores. He has also two or three flats chartered. The people have somewhat got over their scare about the boats not coming as soon as they expected. The Major says all will be right in a few days more; the first steamer will be in New River next week and to our place the same time.

Several families have moved in our town lately and this is because we are having and going to have so many improvements. Messrs. Wm. Roe and Isaac Bass, from Wilson county, with their families, have lately moved here. These, with Dr. Blount and his wife, make three families, all told, and one new store of goods, D. I. Moore & Co. owners. Mr. Roe is a one armed man, but can handle tools to perfection, he is a No. 1 carpenter and ship builder. We can now boast of six carpenters, three ship builders, three machinist and the best M. D. in the county. Good for old "Bogy." She will come out of the kinks all right before you know it.

We have preaching often in our place and near here, from all denominations. I heard a good sermon by Dr. R. O. Burton, P. E., of Wilmington District, last Sunday at Queen's creek. Text: Romans xiv, 7, "For none of us liveth to himself and no man dieth to himself." A very large crowd was there, about 800 or 850 people. Rev. S. W. Hardy preached here the 25th inst. He is a Primitive Baptist, from Carteret county, and Rev. D. B. Clayton, Universalist, from Columbia, S. C., is expected to preach here the first Sunday in December and on Saturday before at Bethel, near Church in Carteret county, and Rev. Mr. C. W. Smith, Methodist, our circuit preacher, preached his last sermon at this place last Sunday. Every body seems to like the boy preacher and want him to come back to Onslow again.

Chicken raising is coming in to practice with us now. Mr. E. M. Farnell is putting up what is called a henry on his place (the island) and wants 1200 hens right away (we don't know many roosters he wants) and we think it will pay, it pays elsewhere and why not here, and we wish Ned success. We will give an instance where it pays. Mrs. C. J. Hewitt, wife of our late member of the Legislature from this county, purchased ten hens a little over five months ago, forgot the name of breed, and has realized up to this time, enough money by eggs sold and perhaps a few chickens, to buy her a good sewing machine, paying for the same in cash the last installment this week, and all from these ten hens. The machine was bought from Lewis Cox and was a \$45 one. Lewis is the best sewing machine man agent in the State. He can tell more in a shorter time than any ten men in the county can, but don't know as he can tell it as straight as some of them. Ed. Smallwood, of New Berne, can't touch Lewis with a forty foot pole.

Try POTTER'S COUGH DROPS.
Do Not Fail to See the GIANT REPTILE.

A MONSTER MAN-EATING SERPENT!!
For years the terror of Middle Africa. It has absolutely devoured human beings cast into its cave by a barbarian despot.

Once in its cruel constricting coils, the tiger, lion and leopard are reduced to a pulseless pulp, and engulfed within the walls of its wondrous elastic body. It rivals the Python destroyed by Romulus.

Ancient records of GIANT SERPENTS are verified by this LIVING MONSTER.

AN AFRICAN PYTHON.
Will be exhibited below Central Hotel, on Middle Street, on NOVEMBER 28th and 29th.

Strayed or Stolen.
One DARK ROAN MARE, eight years old, one white hind foot, heavy mane and tail, pony build, and ONE TOP HUGGY, said mare and buggy were stolen while hitched on the side of the road at Chumney Gray's place, one mile below Kinston. Buckingham Whiskey,
A Really Pure Stimulant.
This whiskey is controlled entirely by Venable & Heyman, N. Y. It is distilled in Maryland in the slate water regions of that state, from the small grain grown there. The distillation is superintended by a gentleman who understands his business thoroughly. Nothing deleterious is allowed to enter into its composition, and none of it is allowed to be sold until it is fully three years old in order that it may be entirely free by evaporation from the ruse oil. Venable & Heyman offer these goods as perfectly pure to fill a long felt want for medicinal purposes. It is their own brand, and they stake their reputation on the truth of this assertion.
