LOCAL NEWS.

Journal Ministure Almanac. Sun rises, 7:11 | Length of day, Sun sets, 5:01 | 9 hours, 53 minutes. Moon sets at 3:53 a. m.

High tide yesterday evening. No cotton weigher to be found yes

The schooner Melvin is loading staves and shingles for the West Indies.

Maj R. S. Tucker, of Raleigh, was in the city yesterday attending the stockholders' meeting of the National Bank.

The county commissioners, at the request of Mr. R. L. Thornton, discontinued the New Berne and James City Ferry on Monday.

On account of the weather the funeral of Miss Mary R. Attmore was postponed. It will take place this morning (Wednesday) at eleven o'clock.

Mr. F. Ulrich was seen on the streets vesterday with the latest style of silk Literary. umbrella. It had battled with the winds and was demolished.

During the shower yesterday evening a 52 pound canon ball was washed from Wahab's corner down in front of W. F. Rountree's store, a distance of twenty-

Owing to the very disagresable weather the special meeting of the M. E. Church Working Society, to have been held at Mr. L. H. Cutler's residence last night, was postponed until to-night.

The weather has gone clear back on Turner's Almanac which reports "fair weather" for last Saturday, and is silent | School Funds. on the question until next Saturday. If we didn't have weather on yesterday, we'll give it up.

Schooner Arrivals.

The Carrie, Capt. Whitehurst, from Elizabeth City with a cargo of corn.

The Beula Benton, Capt. Chadwick, from Elizabeth City with a cargo of corn.

Fire Record.

Several members of the New Berne Steam Fire Co. have called our attention to an error in the Atlantic Co's record as published in yesterday's issue. By reference to our files we find that Hackburn Bros. were burned out on Monday morning, the 1st day of January, 1883. the fire breaking out at 11 o'clock a. m. Our notice of the fire states that the New Berne Co. had on a stream five before the Atlantics. As this was the last night in the old year, the Secretary of the Aflantic Co. must have entered it upon the records of 1882.

Officers Elected.

At a meeting of the stockholders of Evangelical Alliance. the National Bank of New Berne held on yesterday the following directors were re-elected for the ensuing year: Maj. John Hughes, Messrs. Geo. Allen, L. H. Cutler, Geo. B. Guion and Washand Mr. J. R. B. Carraway, Book-keeper. The stockholders declared a semi-annual dividend of five per cent.

The officers of this institution are clever, courteous, square up business for God's word and regard for the aumen and we are pleased to note that it is in a prosperous condition.

Pettiton to Discontinue a Road. On Tuesday Mr. Freeman Ernul appeared before the county commissioners with a petition to discontinue the public road known as "Old Core Point road" to the head of Navigation on Little Swift creek. J. A. Askins, from that ighborhood, supported the petition with a very sensible speech. Mr. Adolph Cohn argued against the petition, favoring a continuance of the ad and the building of a bridge. The sioners, after patiently hearing the argument on both sides, decided to reserve their decision until the next

mosting.

Local News. Tuesday was a dark, dismat, rainy What could the Journal do for ocal news? While meditating upon tion we picked up the Daily of Saturday, January 9th, wenty five years ago—and under al of 'local matters' the only news we find in that the editor's over the way, had sold a bill of goods to be shipped to on the North Carolina Raildisor claimed that it was "ad." in the Progress that I. True it was some conon to snow that a live and pros-or paper like the Progress could put a readers one day without any local y to gather up the usual amount

License Tax.
The Register of Deeds requests us to state for the benefit of all interested that he has given fair notice to all, that the law requires them to renew their license, which are to be countersigned by him, and list their schedule "B" during the first ten days in January, and if they have to pay the penalty of twenty dollars for failing to comply with the law it will be their own fault.

Steamer Movements.

The U. S. buoy tender Violet came into port yesterday.

The Stout arrived from Baltimore yesterday evening with a cargo of general merchandise.

The Shenandoah arrived on time yesterday morning and left in the evening with cotton and other freights.

The Kinston arrived yesterday evening with 198 bales of cotton.

The Neuse arrived from Jolly Old Field

with cotton.

The January number of Dio Lewis Monthly is to hand and contains much one would recognize as a bright, enervaluable information for both young and old.

The Golden Days No. 6 of volume 5 is with us. It is filled with its usual Raynor and Master Ed. Tull reciting. amount of sparkling stories and beautiful poems.

We have received the January number of the Richmond Mercantile and Manufacturing Journal. It is full of interesting and instructive reading matter, containing many practical suggestions, and is published for the low price of \$1.00 per year.

The county Treasurer reported to the commissioners on Tuesday that he had on hand school funds to the amount of \$7,508.00, whereupon the board proceeded to apportion \$7,402,50-being father expresses great pleasure. Snow on old Christmas.

The merchants are not very busy ince Christmas.

Prof. E. W. Wilcox has been gone to his farm for several days. Capt. I. Jones has recently been elected Mayor of this place.

Mr. H. M. Jones, of Pitt, spent Christ mas with his father, at this place.

Mr. G. W. Hart, a former resident of this place, has gone to Kinston College. The people of our village are generally very healthy, except some of the young

The old firm of Patrick & Dixon has taken in another partner and holds the name of Patrick, Dixon & Parker,

Some of our citizens were invited over to William Dixon's to witness the marriage ceremonies of his daughter. His Addle and Mr. Alph Grimsley were united in the holy bonds of matri-

Kinston Graded School. EDITOR JOURNAL:-In company with several gentlemen, we visited the above school last Thursday. We were kindly ushered into Miss Cynthia Tull's room, who has in charge part of the 1st grade. Misses Vienna Coleman and Suzie Kilpatrick were reading alternately. Each did well, and the class seemed anxious for a mistake so they might hold up hands. This is a large, warm roomchildren clean and in order-and the teacher is an earnest and attractive young lady. The next room-up stairs. and we step into a large, well lighted room-Miss Amelia Hardee's-2nd grade. Everything cleanly and orderly and two fire places makes it cosy. Masters Robert Mewborne, Jas. Delamar, dently or carelessly roasted alive in their house on Wm. G. Taylor's place, near Kiniston, last Saturday night. The chared bones of the largest child Misses Mary Harvey and Minnie Harper the class. Master Dilamar was the less confused-next called up for reading-Masters Eugene Raynor, Harold Stanly, Bert Sellers, Harry Pollock and William Huggins. Sellers did extra well, pleasing very much his teacher, whom any getic lady. In the next we find 3rd grade, and Miss Emma Pittman in ed as far as the bridge across Neuse charge. Miss Sudie Hunter, Daisy river, and the conductor finding it im-This is a smaller room, well warmed by one fire place and a good light. These children stand up, talk, read and explain very well. Order reigns. Miss Pittman is a watchful and instructive teacher, quick to see and mild in speech.

Next and here we are among the little ones indeed—the 1st grade. Room warm, large and orderly. The little faces clean and pleasant. These children make fine progress, and sing with a gusto. Master Claude Pridgen holds out his hand as he responds to black board questions, and Miss Julia Aldridge holds up her slate, at which writing her teacher, Miss Whitehurst, a lady who is active and pains-taking.

Down stairs and we find the 4th grade-Miss Clara Dixon's-and Miss Jesse Harper is up reading a small poem; now Miss Lina Fields reads, now Miss Fannie Murphy, and lastly Master Quinnerly-very well done. This room's teacher is a calm, dignified lady and we see all orderly, room warm, and we now hear the closing exercises of the Georgia and Florida. 5th grade, under Prof. Ray. Master Jas. W. Cox lays down his chalk for in action, so I learn. This way may questions, and Master Herman Grainger last for years, but it is hard to see how is ready for explanations. Kinsey started it and Prof. Claxton near three years Mr. J. has been one of says "that Prof. Kinsey must be a good the principals of this school and during teacher." Why? "Because I find he that time has won for himself the highteacher." Why? "Because I find he has done good work here." I heartily est esteem and regard of the parties that the state of the parties of the say to that, Amen!

At this school the children are taught to think, to speak it out after thinking. As a parent, I am rejoiced to see our children enjoying and profiting by such a most excellent school at whose head is an enthusiastic and admirable teacher. January 8, 1884. V.

What will Brown's Iron Bitters cure? What will Brown's Iron Bitters cure? It will cure Heart Diseases, Paralysis, Dropsy, Kidney Disease, Consumption, Dyspepsia, Rheumatism and all similar diseases. Its wonderful curative power is simply because it purifies and enriches the blood, thus beginning at the foundation, and by building up the system drives out all disease. For the peculiar troubles to which ladies are subject it is invaluable. It is the only preparation of iron that does not color the teeth or cause headache.

Some say "Consumption can't be Some say "Consumption can't be cured." Ayer's Cherry Pectoral, as proved by forty years experience, will cure this disease when not already advanced beyond the reach of medical aid. Even then its use affords very great relief, and insures refreshing sleep.

For Dyspersia, Indigestion, Depression of Spirits and General Debility, in their various forms; also as a preventive against Fover and Ague, and other Intermittent Fovers, the "FERRO-PHOS-PHATED EVIKE OF CALBAYA," made by Caswell, Hoxard & Co., New York, and sold by all druggists, is the best tonic; and for patients recovering from fever or other sickness, it has no equal, tuy

Tuckahoe, Kinston, has more sausages and fewer cats than all the town beside. This itemizer and "Old Chow Chow" live on Tuckahoe.

The Band serenaded the Caswell Monument last Friday night, when the etherialized spirit of the old hero appeared on the stately shaft, exclaiming "Ministers of Grace, defend me."

The county commissioners were in regular session last Monday, a full board being present. They passed the usual poor orders, paid for the bridge recently built over Neuse river near Campbell landing and there being no report as to the new road below Kinston, adjourned for this term.

William Croom, colored, his wife and their six small children were all acciwere found near the fire place and it is supposed he became cold during that very cold night and made up a fire and fell asleep over it, when the house and all it contained were burnt up.

The mail train due here about o'clock p. m. last Saturday night did not arrive till about 12 o'clock, the movement of the train being retarded possible to make headway, returned to Kinston for the night. Capt. Quick, of the depot force, not conceiving snow could stop a train, assured every one the delay was caused by a "d-n collusion with a destruction train."

It snowed here all day last Saturday, but cleared off at night, the moon appearing in fall her silver brightness There was fine sleighing Sunday morning, which Wm. Hunter, Esq., who sports a fine team. turned to pleasant account. Master W. A. J. Pollock, a young Floridian attending our Graded School, who never before witnessed a snow, was, at first, quite as badly frightened as when "yellow jack" visit-ed him in the land of flowers last fall. He soon, however, learned the fun of the thing and taking quickly to the old ways of his Dad, fell to snow-balling the girls like a Russian.

Buckingham Whiskey

A Really Pure Stimulant.

This whiskey is controlled entirely by Venable & Hoyman, N.Y. It is distilled in Maryland in the slate water regions of that State, from the small grain grown there. The distillation is superintended by a gentleman who understands his business thoroughly. Nothing deleterious is allowed to enter into its composition, and none of it is allowed to be sold until it is fully three years old in order that it may be entirely free by evaporation from the fusel oil. Vensble & Heyman offer these goods as perfectly pure to fill a long felt want for medical purposes. It is their own brand and they stake their reputation on the truth of this assertion.

In Stock and for Sale FOR CASH.
