We call attention to the new advertisement of Messrs. Geo. Allen & Co. They offer first-class fertilizers for trucking, garden peas, seed oats and good farmer knows the importance of good seed and reliable fertilizers.

The recent cold snap and stormy weather has materially interfered with the fish and oyster business. Very few of eitheir have been brought in for several days. A few days more like yesterday, however, will enable the fishermen to get to work again and the market will soon be supplied.

The weather has moderated and people are coming to town again. We noticed several in from Jones county yesterday, and among them were E. F. Saunderson, Esq., M. N Harriett, N. M White and Capt. E. R.
