THE JOURNAL.

H. S. NUNN. - - - Editor. NEW BERNE, N. C., JAN. 16, 1884.

Entered at the Post office at New Berue, N C.

HON. HENRY WATTERSON, it is have gone so far in this direction did Mr. Foscne; as for neighbor that it is too late for them to strad-Maides, he hasn't raised one in savages shall be continued, or whether the savages shall be put upon the basis. Vice-President, then let Mr. Warfew Poland Chinas, sheep in abundance, and they will eventually bebut if the Democrats who do not come as cotton is now, king.

whole woods are covered with them; spent much time among the scalpers of the plains, is expected to throw light upon the difficult problem. but if the Democrats who do not stand on his platform take his ad.

But there is one thing I can say stand on his platform take his ad. vice and go to the Republicans, his

to "old master and misstiss." When ing with cold; I tell pa it claps the to plant shells for the spawn to one of these natural orators, him-climax of total depravity. "set" on, but dredged and sold one of these natural orators, him-self an old man, extended his black. I would say (though it's off of the shells that had been smothered by self an old man, extended his black, horny hands and said: "There can be do great race enmity between most of the girls nowadays love to almost wholly on the Long Island old master and misstiss live. No, and husbands want them to milk these beds will furnish that supply nor while their children and mine them, for I don't believe it is the are high now and are going up survive. They were kind and gen- girl's place. Let every farmer have every day.- Ex. erous to me. I knew no want of a hired boy to feed the horses, milk to-day, nor care for the morrow, the cows, and in short do all he when I was their property. Look choses; if one is not enough, hire at these wrinkled, rough hands. They tell the tale. They tell how I toiled for them. And the story is not ended. They are old and helpless now and live, as I once

cause it contains some good suggestions, though according to our harmony in the ranks of either rules it should not appear because the writer withholds his real name, probably because he don't practice what he preaches. We say it contains some good suggestions, but not act in accord on the tariff questhese abound in every agricultural tion, the result of which will be a paper, and in almost every issue of the Journal. How many farmers will maintain his views to the last, will maintain his views to the last, put them into practice? Wonder if and will have enough followers in "Clod Hopper" has a stable for the committee to hold the balance every cow, a shelter for his hogs and plants only ten acres of cotton to every thirty in corn? We desire to make the Journal useful to the to make the JOURNAL useful to the ing to get all of the appropriation farmers in this section and give bills before the House, and to disthem the news also, and in order to pose of other important business as do so we must have their co-opera-tion. But suggestions as to what to do on the farm is not what the cussion. These, and various other farmer wants. Give us your actual matters, promise material for a session of intense interest and of Solid Silver and Plated Ware the cotton patch, the corn field, po-tato crop, and every other crop planted, and by next January be prepared to give us a statement of

the actual result, giving the charac- the Cable Railway company right ter of the soil, manure and how applied, manner of cultivation, time of planting, etc., etc. Whether you diers and sailors of the late war of your experience.

MAYSVILLE, Jan. 8, '84. EDITOR JOURNAL:—As there is no one from this seeming dilapidated country writing for the Jour-NAL, and some one certainly ought, allow me through your most excel-lent paper to make a few suggestions. I know not of what would be most interesting to my brother readers of the JOURNAL, but I ope there is a great many of them. idea, but the young man don't ing it too. I would say in connecclear more money (I mean working of so much importance to their on a farm) in North Carolina than constituents. for through the many vicissitudes of jaws are so full of nerves. After a I hold that forty acres is enough for cerning a lottery. jaws are so full of nerves. After a man gets married he sorter wishes nature hadn't put so many nerves any farmer, provided he don't grow all cotton. Plant ten acres of cotton to every thirty of corn, raise monday has some grave problems horses, cattle, hogs, sheep, for it is of no use to try to farm without Under existing treaties the tribes. stock. It don't pay us down here said, has gone to Washington to to raise horses, the cause of which work up a boom for Joseph Mcis staggers; they will grow finely
until nearly large enough to work,
then have the staggers and die, with cratic candidate for the Presidency. then have the staggers and die, with but few exceptions; it is an old say-If the Democrats have made up ing and a true one that "every bittheir minds to make a square fight ter has its sweet," but that's all or important question with which the most bitter we have. Mr. committee will have to deal will be dle the fence as suggested by the twenty years. Yes, it is as I have savages shall be put upon the basis of ordinary settlers, so much land being accorded and MR. FLOWERS-for President and can raise anything but horses; as a free trader—Mr. Morrison—for for hogs—poor land pinies—the age. Mr. Finnerty, of Chicago, a whole woods are covered with them;

of North Carolina, not North Carolina either, but of her people: they candidate will be left in November. don't care for their stock as they bivalves of good quality are only THE most thoroughly eloquent speeches ever made in the Legislature of Texas were pronounced by should have a shelter for all his dredges are keeping the holidays. two negroes and both much of the stock.
