Muddy streets.

See change in Geo. W. J. Harvey's

One marriage license issued to a white couple last week.

Two oyster boats were at the canning

establishment yesterday unloading. Two buck shad in market yesterday found ready purchasers at \$1.00 and 75

Farm work in this section is much retarded on account of unfavorable weather.

The cold snap played havoc with the determined to destroy what plants are vited to attend the services of this alive, were not hurt.

Mr. Buck Bland, of Pitt county, sold in this market yesterday 2,200 bushels of rice. Cotton is not the only thing that brings money in this market.

We call attention to the change in the advertisement of the Dismal Swamp Lottery Company. The next drawing takes place on the 21st of February.

As an evidence of the fine oysters brought to this market, one was opened here yesterday, the shell of which measured 7 inches in length and four in breadth.

We are indebted to the marshals for an invitation to attend the 49th anniversary of the Euzelian and Philomathesian Literary Societies of Wake Forest College, which takes place on Friday, Feb. 15th. The cards are gotten up in handsome style.

There was an interesting coterie at the Exchange yesterday gathered around the list of prizes drawn at the Dismal Swamp Lottery Company's late drawing, each one anxious to know if he or his friends had been the lucky man. Upon its being discovered that nothing was drawn, there was a division of sentiment as to what was best to be done, some boldly declaring their intention to try again, while others suggested the propriety of buying some fishing rods and putting in a larger pool.

The Proposed W., W. & O. Railroad. Wednesday night, to consider matters goods. pertaining to the proposed Wilmington, Wrightsville and Onslow Railroad, an address was delivered by the President, Gen. T. M. Chester, who outlined the

company, under its new organization. It is proposed, we understand, to insure the construction of the road to grocery business it will be seen that Wrightsville by the summer, to commence with, and it is intended to in the dry goods line Asa Jones is the push the matter vigorously. To this largest purchaser, while T. A. Green end the new president will very shortly start out on a tour of the State to secure stook in the proposed enterprise. He is said to be a man peculiarly adapted to the business of canvassing, having made a very successful tour of Europe in the interest of colored schools some years ago. He is a lawyer by profession, is a native of Louisiana, but has been practicing in Pennsylvania. In company with the Board of Directors he passed over the road-bed on Wednesday .-

What Will the "Acme" Harrow Do the soil perfectly level.

"What else is it good for?" For putting in small grain such as oats, wheat, rye, clover and grass seeds; it has no equal.

"Does the," Acme" Harrow ever break or get out of order?" It being made of wrought iron and steel is very durable, the cutting blades

are steel and warranted for twelve months. "What do those who have them think of them?"

"Just like I do-that no well regulated farm can afford to be without one. "On what terms are they sold?"

Parties giving good note can get the harrow at \$25.00 payable Nov. 1-t, 1884 "But suppose I pay cash for one?" Then you get a discount of one per cent a month from date of purchase to

Nov. 1st, 1884. "What guarantees do the manufac-turers offer?"

That after you have given it a fair and impartial trial, and it does not do all that is claimed for it, then they take

it back without any expense to you.
"That is certainly fair enough; will you please inform me where I can get one?

J. C. Whitty's, New Berne, N. C., agent for all classes of machinery.
"Thank you; I will certainly call on him. Good day."

In the Isle of Wight a spider was observed dragging two or three leaves to the water. It fastened them together with a web, then launched the raft, and sailed away. It darted off after insects upon the water, and returned to the raft to devour them.

The reputation of Blackwell's Durham Long Cut, for pipe or cigarette smoking, is the result of studying how best to preserve the natural qualities of the leaf through its curative stages, and how to get it up for the smoker in its daintiest form. The trade-mark of the Durham Bull is now the standard throughout the world for the very best smoking and cigarette tobacco.

Mono Lake, in Colorado, was recently swept from one end to the other by a tornado, which lashed the water and piled lathery foam upon the shore twenty feet high. In the mass of foam were thousands of dead ducks that had been dashed against the rocks.

An Undoubted Blessing.

About thirty years ago a prominent physician by the name of Dr. William Hall discovered, or produced after long experimental research, a remedy for diseases of the throat, chest and lungs. which was of such wonderful efficacy that it soon gained a wide reputation in city. Every one of them is contracted for this country. The name of the medicine by residents of other States.
