He tries to make us has been to town several times as late think he is getting old, but many of the in the day as 9 or 10 o'clock but he is young men gazed with envious eves at not in place. Perhaps Mr. Erwin is not his light and graceful waltzing. His so early a riser as that. Suppose you daughter, Miss Matt, the beautiful try about 12 m.

Mr. Harley, a musical gentleman, who was dismissed from a London displayed to great advantage her this morning, by being caught in symetrical arms. The classical drapery a belt and drawn into the macomedy theatre for singing out of tune, sued the director, Mr. Alexanderson, Mr. Henderson who is out of tune now. arranged its graceful folds. -News and Observer. No, it is the News "Mand," appeared in w and Observer out of tune.

The schooner Georgia, Capt. D. G. Ackerly, arrived yesterday from Elizabeth City with a cargo of corn for Mr J. A. Meadows. Besides this, Mr. Meadows has received since last Saturday cargoes by the Henrietta Hill, Capt. Hill, Regulator, Capt. Lewis, Nettie Wadavorth, Capt. Wm. Thomas, aggreon 11,500 bushels, which has been

Maj. W. A. Hearne is writing up the Yadkin Valley Bailway. No man in the State is better qualified for the work. When Julius A. Gray had an eye on the A. & N. C. Railroad, the Major in several exhaustive articles, which were published in the JOURNAL, pointed out the importance of such a connection to Pleed Notes. this section. But Mr. Gray's proposition was never acted upon by the stockholders of the A. & N. C. Railroad, and it now seems that the products of the rich | Courier-Journal: Yadkin Valley and Northwestern North Carolina will be eventually emptied into the lap of Wilmington.

We learn that extensive preparations are being made at Morehead City by Means. Gatlin and Simmons for summer visitors. The new hotel will be enlarged, a mammoth pavilion will be erected en the beach and a tramway constructed across the banks to it. They have also leased the old Macon House, and steps are being taken to build a plank walk from one hotel to the other. Many other improvements will be made, in fact the proprietors are determined to make Morehead one of the most delightful summer resorts on the Atlantic coast."

Ald for the Flood Sufferers.

Mayor Howard received quite a num-ber of donations on yesterday in answer to the appeal from Kentucky, but he desires to do more and will not send forward the contribution until to-morrow. He will have some one to wait on our citizens this morning for the purpose of soliciting further contributions.

The following is given by the Light-come Board, under date of the 12th

outsult Paint light house, W. i S. eacon Hill of Block Island, N. E. i E. r order of the Light House Board:

More Items of the Fancy Ball,

Our reporter last night unwittingly forgot to mention our distinguished ing his bon mots in every group. When brought to task by us this morning the only excuse he could render was that if the handsome old gentleman had given him a pinch out of his jeweled snuff-box his faculties would have been so stimulated that nothing could have a continuous worn by the ladies and approciate were extremely beautiful, and approciate and appropriate. About eleven o'clock the dancing was well under way and a more beautiful scene can scarcely be imagined than was presented by the ladies are consistent as the Carolina Central railroad near Polkton, killing a woman, completely blowing her house away and carrying large trees with it. Hail fell in large quantities, the stones measuring 2½ by 1½ inches. The storm then moved in an easterly direction, crossing the Carolina Central railroad near Polkton, killing a woman, completely blowing her house away and carrying large trees with it. Hail fell in large quantities, the stones measuring 2½ by 1½ inches. The storm then moved in an easterly direction, crossing the carrying large trees with it. Hail fell in large quantities, the stones moved in an easterly direction, crossing the carrying large trees with it. Hail fell in large quantities, the stones moved in an easterly direction, crossing the carrying large trees with it. Hail fell in large quantities, the carrying large trees with it. Hail fell in large quantities, the stones are carrying large trees with it. Hail fell in large quantities, the stones are carrying large trees with it.

McCann's run a line of street cars from the parlor floor to the depth of several inches court house to the Exposition last evening. On Wednesday evening Grounds. It is to be hoped it will a wedding reception was held in the inaugurate a permanent system of inaugurate a permanent system of lines at least as far as Peace Institute and St. Mary's. The city would expand in both directions if it were not that business men object to walking a mile or more three times a day, through mud or dust, to reach their place of business.— Why talk about supporting. "home industries," when even our "State Guard's are being measured by a Guard's are being measured by a Cincinnati tailor, and uniformed in Yankee "blue?" Are there uo tailors in North Carolina? True, it may be that Pettibone & Co., who make so many uniforms for Yankee solbe that Pettibone & Co., who make so many uniforms for Yankee soldiers, can under bid our clothing makers; but even if an higher price were paid our home makers, the money would remain at home.

A great many Democrats would like to see Maj. John W. Graham nominated for Secretary of State.

HORRIBLE CYCLONE.

Hundreds of Persons Killed, and Terrible Destruction of Property.

A special from Hamlet to the News

About half past eight last night a cy-

Reports from Lillington, Harnett

pended. The dead and wounded are being brought into the court house. Search is being constantly made for victims of the great disaster,
Mr. B. Whiting writes from Hamlet:

Trees were taken up by the roots and hurled with fearful rapidity through the air. Chickens were found with all the feathers picked off them; millstones weighing 2,000 pounds were moved fifty yards. All the houses were swept away in an instant. Reports come in from all sections

telling of death and devastation. One woman was killed at Brown's creek, near Polkton. It may be worse than we can now imagine. In Union, Anson, Montgomery, Stan-

ley, Richmond, Moore, Robeson, Cumberland, Harnett, Johnson and Samp-son it is thought the bulk of the damage has been done. Reports from Lilesville say that sev-

eral negroes were killed ten miles from that place. Among the dead found was a mother with her babe clasped to her

wife. In the country west of here barns, ginhouses and dwellings were destroy-

d, and six persons were killed. At Darlington, S. C., four persons were killed. In Georgia it is estimated that 200 lives were lost, 5,000 houses destroyed and the damage to property reaches

\$1,000,000. In South Carolina the destruction was Hussey, of the Patriot, who has not near so bad-nor in this State. And

> exaggeration; but at all events it is bad enough. The great storm entered Alabama from the Gulf. It was accompanied by a great funnel-shaped cloud, which, in passing over the country, created great devastation wherever it touched the
