Pipe smoking is the real test of a to-bacco. It is the regal way of smoking. You get more directly at the flavor and fragrance. You take the smoke cooler, and the tonic cleanlier and safer. Pipe moking is smoking reduced to a fine ur fancy. As

We were visited on Saturday last with seconds; the prize was a belt. Next a severe wind and hail storm, which lasted but a few minutes.

Col. Mozes says he is going to try the intensive system of farming. He says he would have made last year three bales of cotton to the acre, but the worms prevented him. "But," said he, "I will this year try for four.

The superintendent of fisheries, in a reply to a letter sent him from one of our citizens requesting him to send us some shad fry for Trent river, says that he will do all he can to put some in our river, and if it is in his power so to do, will send them in charge of a messenger of his force.

The weather prophets of our county are predicting a very wet summer. They say that the first thunder clouds that rise in the new year, their course will be followed throughout the season; and as they have risen this season in the southwest so far and came directly over, we may lookout for heavy showers during the summer months, and that the farmers had better open their ditches if they expect to make good crops.

Our town of Trenton is looking up. caught by Mr. Barrett. A match game She is putting on a new set of ideas. of hase ball was also played. She has built a new pair of steps and had them put up in new style to the school room and also gone one better and purchased a large bell for the use of the school. Furthermore, she is debating the subject now of furnishing a new set of furniture for the school house. Now that's the way to do things; keep the school well furnished with everything it needs, and with a good teacher you will soon see a wonderful change in and around your town.

I would like to call the attention of our citizens to the miserable footways with all their learning, weak and unable to stand the contest. Therefore it is the duty of every citizen to cherish and aid as much as possible this athletic as sociation, so that the man who goes out from the University may be active in body as well as mind. <u>Yours,</u> J. C. J. <u>Yours,</u> J. C. J. <u>A heavy fire occurred at Greenville</u> on Monday night, entailing a loss of \$30,000. which our road masters are placing and The ball at Trenton on Friday even-

The ball at Trenton on Friday even-ing last was a grand success; the court house was crowded with an array of female loveliness which was a pleasure to behold. Bachelors and widowers were in their glory. Five counties were represented by these female beauties, Wilson, Lenoir, Craven, One-low and our own little Jones. Three gallant widowers did their duties on this occasion, one from Lenoir, one from Graven and one from Jones. This trio of gontlemen certainly contributed their share towards making it a grand success, just as widowers always know how to do, first in the dance, first in

married. On the 21st. at the residence of the bride's father, Mr. Davis Jerry, of Jones, to Miss Minnie Adams, of Pitt Long and happy may they live.

Commodore Griffin has had his, the Central block, in town, set with nice

young trees and is now building an ice house; he intends to keep cool. That is right Commodore, sit under your own shade and enjoy your own ice lemonade

We want to know something about the steam mill that Major Geo. Credle was to put up at Jolly Old Field. It is reported that there are a great many logs now at the proposed mill site and parties still hauling. We say come on, Major, with your mill. Remember, Mr. Spencer Brooks is now in the lumber trade.

Messrs. John B. and F. M. Kilpatrick. L. B. Cox and others, while making a survey for the what is known as the no fence a few days ago were brought to a

halt by Miss Ruthey Dennis, who, by the way, is very much opposed to the Stock law. Mr. John B. says she had a gun presented at him two or three times; says he looked square down the barrel and knows it was loaded, for he could see the wad. Some of the crew tried to crawl under the seat of their buggy, but could only hide their heads. From what we can learn Miss Dennis has discontinued the stock law in Pitt.
