ning it out.

The farmers in this section are rather behind with their work in consequence of the rany, bad weather, but more especially on the account of so much sickness—the measles. Mr. Wright Smith, the first one who took the complaint, is said to have caught it in New Berne; he came home, was taken sick, his children were taken sick and going to school inoculated the whole school, and for two weeks the school was entirely stopped. There was but few, if any, of the old people near the head of the river who had ever had the measles, consequently, whole families were taken sick almost at once. There has been seven deaths, some, perhaps, by imprudently exposing themselves in the cold air too scon after getting up. Elder Job Smith lost two of his children, Renjumin F. Smith lost two, Wright Smith lost two of his children, Renjumin F. Smith lost two, which is shall be an added beats. # NOTICE.

### Sale of Valuable Steam Mill Property.

Pursuant to the powers conferred on us by a mortgage executed by Joshua Dean, dated the 7th day of November, 1882, we will sell at Public Auction, at the Court House door in Bayboro, Panilico county, N. C., on MONDAY, the TENTH day of MARCH, 1884, at 12 o'clock, midday, all that tract of land whereon is situated the large Steam Saw Mill, formerly known as "The Dean Lumber Company's Mill," together with all the valuable improvements and ma chinery on said premises.

The boiler in said mill is 100-horse power and the engine is 63 horse power. This property is situated on Lower Broad Creek in said Pamlico county, about two miles from where said Creek empties into Neuse River, with deep water up to the mill wharf.

A fine opportunity for parties wishing to engage in the lumber business. Terms cash. Feb. 6th, 1884.
