Not Appreciated.

The other night a policeman who was patroling Grand River avenue and trying the doors of business houses came to a grocery and found the door unlocked and the key in the lock. He sprung the bolt, put the key in his pocket and sauntered on, and in the course of an hour he found opportunity to send word and the key to the house of the proprietor. He didn't expect any particular praise for his action, but he was hardly prepared for the storm which soon swooped down upon him. The grocer himself, with battered hat, torn coat and two fingers bleeding, suddenly appeared before him and said:

"If I've any influence in this town I'll have you off the force inside of two days!"

"Why, what's the matter?"

"Matter? Ask me what's the matter? Oh! I'll fix you!"

"For what? For finding your store unlocked and sending the key to your house?"

"Yes, sir! I was down there hunting up mustard for a sick child at home, and what do you do but lock me in and promenade off!"

"Is it possible?"

"And there I've been for an hour or more, and would be yet if I hadn't crawled through a cellar window! Oh! I'll lay for you, old guardian of the peace!"—*Detroit Free Press.*

The Secret of Living.

Scovill's Sarsaparilla, or Blood and Liver Syrup, will cure Scrofulous Taint, Rheumatism, White Swelling, Gout, Goitre, Consumption, Bronchitis, Nervous Debility, Malaria, and all diseases arising from an impure condition of the blood. Certificates can be presented from many leading physicians, ministers, and heads of families throughout the land, endorsing it in the highest terms. We are constantly in receipt of certificates of cures from the most reliable sources, and we recommend it as the best known remedy for the cure of the above diseases.

Saddened Again.

"Boy," he asked, as he stood at the foot of Woodward avenue and looked across to the Canadian shore, "what is the depth of water off the dock here?"

The boy looked him all over with careful eye, and then slowly answered:

"That's the way it's allus been! If a feller wants to commit suicide it's allus some one so big that his clothes won't begin to fit me! I won't tell you nuthin' about it!"

It is a good rule to accept only such medicines as have, after long years of trial, proved worthy of confidence. This is a case where other people's experience may be of great service, and it has been the experience of thousands that Ayer's Cherry Pectoral is the best cough medicine ever used.

POCOMOKE

Super-Phosphate

is unrivaled for all fertilizing purposes, and especially adapted to the growth of

Early Trucks,

having stood for the past eight years at the head of the list of high grade super-phosphates. The largest and most prosperous truckers in Maryland, Virginia, and North Carolina, by their voluntary testimony, declare it superior to any fertillzer in the market, producing a stronger and earlier growth, full development, prompt maturity, and a more abundant yield than any of its competitors, while it permanently enriches the soil, showing its durable effects upon even the second and third crops.

FOR COTTON

POCOMOKE reigns supreme, and wherever used sales have tripled each season. A trial is all that is necessary to establish promptly and permanently its hold upon public favor. The best lint cotton raised in Carolina during the year 1883 was from POCOMOKE.

Buckingham Whiskey,

A Really Pure Stimulant.

This whiskey is controlled entirely by Venable & Heyman, N. Y. It is distilled in Maryland in the slate water regions of that State, from the small grain grown there. The distillation is superintended by a gentleman who understands his business thoroughly. Nothing deleterious is allowed to enter into its composition, and none of it is allowed to be sold until it is fully three years old in order that it may be entirely free by evaporation from the fusel oil. Venable & Heyman offer these goods as perfectly pure to fill a long felt want for medical purposes. It is their own brand and they stake their reputation on the truth of this assertion.
