Yesterday was Ascension Day as laid down in the Church Calender, and observed at the Episcopal and Roman Catholic Churches.

The day commemorates the ascension of our Lord into Heaven, of which event interesting accounts are found in the Gospel by St. Luke and the Acts of the Apostles. The day has been observed in various countries and for many years.

A Letter of Recommendation. NEW BERNE, N. C., May 19, 1884. To the pastors and members of the Mis-

sionary Baptist Church: Mr. James H. Carey is no longer a minister nor a member of the Beptist Church, but a lay-member of the Protestant Episcopal Church.

It is due to Mr. Carey that I now say he left us in good standing and full fellowship in the church, and in the ministry. I now call the attention of the pastors and members of the Missionary Baptist churches to the fact that according to contract, the churches owe Mr. Carey two hundred and fifty-four dollars for services rendered as Principal of the Conway Institute, in the City of New Berne, N. C.

We, the members of Saint John's Chapel, of which I am pastor, have paid \$46, which is more than our portion. Mr. Carey is hereby authorized to visit our churches and to collect money for himself, to the amount above mentioned. The money is justly due, and I hope all will do their part in trying to raise it.

JOHN S. JOHNSON, President of the Eas-tern N. C. State Convention, and Moderator of the New Berne Missionary Baptist Association.
