Report of observations taken at New Berne:

New Berne... J. W. WEBB, Observer.

The thermometer at 3 o'clock yesterday registered 90 in the shade.

Some of the straightout Republicans seem to be getting Tye-d of York.

The effects of the street sprinkler are to be seen on Pollock, Middle and South Front streets.

The government has awarded to Marshall Parks, Esq., the contract to dredge Harlowe creek.

Lodge's ice wagon was on the street yesterday, not on the route of delivery yet, but will be to-day.

The steamer *Florence* arrived yesterday evening heavily loaded with rosin, spirits of turpentine and lumber.

President Arthur's name will probably be presented to the Chicago Convention to-day by Henry Ward Beecher.

The Riverdale Sunday School will have their annual picnic to-morrow on the steamer *Trent*, from Riverdale to Pollokville. A pleasant time is expected.

We call attention to the city ordinance printed elsewhere in this issue. The Marshal requests us to state that he will rigidly enforce this ordinance, and those interested may look out.

Ever increasing congregations attend the Baptist revival here. There have been some forty professions of religion and twenty-seven additions to the Church. The meetings continue every night.

The Excursion to Harlowe is not likely to come off on the 13th on account of the laying of the corner stone of the public school building, but will be probably at an earlier day if the steamer can be obtained.

The vestry of Christ Church have contracted for the painting of their Church building which, together with the porch and spire now in progress, when completed will render this one of the finest looking buildings in the State.

A new trouble has arisen in our sister city of Norfolk, Va., in recent brutal fights which have occurred in the city jail; one case, that of a young man, incarcerated for the night on account of drunkenness, was so severely battered and bruised while in that helpless condition that his case is pronounced most precarious. The hurdling of prisoners together irrespective of character or offense for which they are committed, should not be permitted.

Dr. York vs. Satan.

In a sermon, Dr. W. H. Milburn said: "The Devil had cold, steel grey eyes." The Statesville *American* says: "Dr. York has a cold, steel grey eye." One would be led to suppose these two celebrated persons are closely related, as the *American* says, "he (York) is h-l on facts." We do not desire to have a Governor who has a "cold, steel grey eye," or one who is "h-l on facts."

PERSONAL.
J. D. Grimsley, Esq., of Snow Hill, Greene county, is in the city.

Rev. J. L. Winfield, of the Watch-Tower, is in the city.

Mr. and Mrs. Geo. Allen, with a number of friends, ran up to Pollokville on the steamer *Trent* yesterday and returned in the afternoon.

Messrs. F. H. Busher, H. H. Roberts, M. T. Bentley and Maj. John Giffin, of Raleigh, Sheriff Hannan, of Smithfield, Dr. B. B. Evans, of Statesville, J. P. Brogden, of Trenton are registered at the Gaston House.

Mr. D. B. Arnan, of Palo Alto, Onslow county, called to see us yesterday.

The Board of Trade.

This body has elected their board of directors and officers for the ensuing year, and by a glance at the list it will be seen that some of our best business men are chosen to govern and direct its operation. That the Board of Trade has been of great usefulness to the community can doubt a fact; it is a body through which any movement having the interest of this community in view can be quickly formulated and perfected, and harmony of action attained, and that the members of the board feel a deep interest in the well-being of the property of New Berne and country is scarcely to be wondered at. The board has taken the following action:

Bishop Northrop.

This eminent Roman Catholic divine, so well and favorably known in this community, will preach in the Roman Catholic Church in this city next Sunday at 11 o'clock a. m., at which time High Mass will be celebrated by the Bishop, assisted by the Pastor, Rev. J. J. Reilly and his assistant, Rev. Father McGinnerty. Vespers will be held at 7:30 p. m., after which the Bishop will perform the solemn and interesting rite of confirmation.

Election of Officers.

At the annual meeting of the New Berne Board of Trade, held on Tuesday, June 3d, 1884, the following officers were elected:

Geo. B. Guion, President.
K. R. Jones, Vice-President.
James Redmond, Sec'y and Treas.
E. B. Hackburn,
F. Ulrich, Directors.
T. A. Green,
S. H. Scott,
J. J. Tolson.

The Chicago Convention.

The balloting will probably begin to-day, and from all indications no nomination will be made without several ballots. We give below the news as bulletined at the W. U. T. office yesterday:

CHICAGO, June 4th, 1884.
Convention called to order at 11:17 a. m. Impense attendance; weather clear.

Gen. Sherman has telegraphed ex-Senator Henderson saying that he would not accept the nomination nor serve if elected.

LATER.

Resolution that all delegates should bind themselves to support the nominee, whoever he may be, created a warm discussion. It was withdrawn. Committee on credentials will not be able to make final report until this evening.

STILL LATER.
The committee on permanent organization reported Gen. J. B. Henderson for permanent chairman.
Adjourned to 7 p. m.

Superior Court Work.

The calendar for Wednesday was cleared and the summons docket called. There being no cases for Thursday and only one for Friday, and His Honor receiving a telegram calling him away, he announced that he would not adjourn court, but let the term expire by limitation. Judge Avery has done good work during this term of the court. His firmness, and thorough knowledge of the law, enables him to dispatch business. When he decides a point that is the end of it, and it does not require arguments thrice repeated to enable him to make a decision. Notwithstanding this, he is courteous and polite to counsel and other officers of the court. Among the cases disposed of on yesterday was that of the city of New Berne vs. A. E. Woodruff and others, which was referred to H. R. Bryan, Esq., to state account.

In the case of Jane Tables vs. Daniel Tables, being an action for divorce from the bonds of matrimony, judgment was given in favor of the plaintiff, and Jane now has the privilege of marrying again if she can find a second. Lucinda Mundine vs. Delamar Mandine obtained judgment in a similar action.

Luke Mason vs. G. Allen and others, one of the old chronic land cases that Luke has had on the docket, was decided against him, notwithstanding the act of 1783 was brought to his aid. He took an appeal.

The clerk of the court, Mr. Carpenter, has been sick during the term, but his deputies John B. Willis and R. B. Blackledge have discharged the duties in a manner satisfactory to the court. Mr. Blackledge, especially, is familiar with the duties of the office and performs them with promptness, politeness and efficiency.

MARRIED.

At the Baptist church, on the evening of the 4th inst., by Rev. C. A. Jenkins, Mr. Wm. Luther Lewis to Miss Tillie D. Metts, daughter of Wm. P. Metts, Esq., all of this city.

The attendants were Mr. Willie Metts, Miss Johnnie Whitford, Mr. W. S. Wooten, Miss Sallie Metts, Mr. Walter H. Cochran and Miss Sallie Mitchell.

Magistrates' Meeting in Onslow.

The time having arrived for the election of county commissioners, the magistrates of Onslow county met at Jacksonville on Monday, the 2nd inst., and after affecting a permanent organization by electing Dr. W. J. Montford chairman and Geo. W. Blake, jr., secretary, the following gentlemen were elected county commissioners to serve for the next two years:

From Swansboro, township, Sol Gorton; White Oak township, Jno. D. Coston; Jacksonville township, R. F. Pelletier; Richlands township, E. L. Franks; Stump township, I. C. Davis.

The following gentlemen were elected finance committees for the county:

White Oak township, C. S. Hewitt; Swansboro township, A. F. Farnell, sr.; Richlands township, N. E. Armstrong; Frank Thompson, jr., was elected County Superintendent of Public Instruction.

After levying the necessary taxes for the county, and transacting other business, the board adjourned.

A communication from the Button Steam Fire Engine Company was read by Councilman Wood in regard to exchanging the old Amoskeag engine belonging to the New Berne Steamer Company for one of their engines. The following terms were offered: One of their new engines to cost \$3,600 payable as follows: \$100 cash, \$1000 allowed for old engine and balance in \$500 notes payable yearly, at the rate of 6 per cent interest. Considerable discussion was had on the matter.

On motion of Councilman Gates the matter was referred to the Fire Department and Finance Committees, with instructions to confer and report to the Mayor who shall call a special meeting for action.

On motion, Mr. Nunn was allowed to have a desk in the office during the meetings of the Board.

A proposition from Messrs. Nunn & Harper to do the publishing for the Board for five dollars a month was accepted.

On motion, the Tax levy for all purposes was made same as last year.

The salaries of the city officials were made same as last year.

The City Marshal's report was read, showing fines and costs turned over to the city amounting to \$28.50, and having expended for work on streets and pumps \$151.

The monthly bills were allowed.

Ex-Mayor H. R. Bryan gave the amount due him by the city to be distributed amongst the poor of the city in such way as the Board deemed best.

The minutes read and adopted.

On motion, the Board adjourned.

To John Collins, Esq., Solicitor of 2d Judicial District:

DEAR SIR:—Will you please inform me why it was that a number of men indicted for selling liquor on Sunday were not pressed and I was made to pay. If the laws are to nullify against me alone I think it unjust. If it is the law please have the sheriff had officers to serve me.
