The Cotton Exchange will be closed on the day of election.

Wayne Superior Court will convene at Goldsboro on Thursday of next week.

A meeting of M. E. Church Working Society will be held at L. H. Cutler's to-night.

Mr. J. J. Wolfenden offers something of interest to farmers and truckers. See adv.

We see from the Lodge that Col. The Young is billed for New Berne on Thursday night.

Messrs. Clement Manly, Jas. A. Bryan and Phil. Holland, jr., will be at Russell's on Friday.

All boys having torches used in the late procession will please return them to the office of M. Manly.

Chairman Wood has called a meeting of the Democratic Executive Committee for next Saturday, Nov. 1st.

The city authorities are extending Middle street twenty or thirty feet by filling in a portion of the dock where the city market stood.

We call the attention of the Jones county Republicans to the card of Mr. B. F. Dillahunt in this issue. Mr. Dillahunt has been a Republican for many years, and is in every respect worthy of the support of his party.

W. G. Burkhead, Esq., of Goldsboro, and F. M. Simmons, Esq., of this city, will address the citizens of New Berne and surrounding country at Collins' store, 5th Ward, in this city, on Thursday night at 8 o'clock. Mr. Burkhead is a young man of fine ability and an effective speaker.

Mayor's Court.

The following cases were disposed of by His Honor Mayor Meadows yesterday:

John Mayo, disorderly conduct; fine, one dollar and cost.

Bill Lovick, assault on York Jones; fine, one penny and cost.

John Thomas, hogs running at large; fine, one penny and cost.

The Living Age.

We have received No. 2 of this pamphlet, edited and published by Dr. J. T. Walsh, of Kinston, and are pleased to note that it is an improvement on No. 1. The Doctor, though past his three score and ten, still displays a vigorous pen. The Living Age should be a welcome visitor to every Disciple's home.

Public Speaking.

F. M. Simmons, Esq., has consented to speak at the following times and places:

At Kamico, in Kamico county, Friday, Oct. 31st.

At Pollockville, Jones county, Saturday, Nov. 1st.

At Smith's Store, Onslow county, Monday, Nov. 3rd.

At Shackelford's Banks, Carteret county, Wednesday, Oct. 29th.

At Collins' Store, 5th Ward, New Berne, Thursday, Oct. 30th, at night.

Mr. Simmons is one of the most forcible speakers in Eastern North Carolina. If the people will turn out and hear him they will not regret it.

Rushwhacking.

Chairman Moth has despaired of carrying North Carolina for Blaine by fair means, and has resorted to a trick that is calculated to injure Grover Cleveland as a candidate for the Presidency. A circular is being circulated among the country people, with damaging charges, by which it is hoped to produce an effect that will not be corrected before the election. The character of the candidates has been discussed for three months or more, and anything sprung on the eve of the election by either party ought not to govern any voter, no matter what the excuse for holding it back. This circular has been kept out of the way of the newspapers, because they would have ventilated the false charges it contained.

Registration.

There is a chance for much fraudulent registration which Club Committees in different precincts should assist the registrar in preventing. A man moving from one precinct or ward to another should produce a certificate from the registrar of his former ward or precinct that his name has been erased from the book of the said ward or precinct. It should also be remembered that any person having been convicted of any infamous crime is not entitled to vote until the Legislature restores him to citizenship. Committees should look after this matter. It is too much for the registrar to attend to.

Personal.

Mrs. Joseph Nelson and children have returned from a visit to Warrenton. Mr. L. H. Cutler and family and T. A. Green and family returned last night from the Exposition.

Messrs. J. M. Franks and A. J. Aman of Onslow are in the city as jurors in the United States court.

Messrs. C. H. Foy, Samuel Lindson and D. H. Harrison, of Jones, are in the city attending the District Court as jurors.

Where to Register.

The registration books of the city can be found at the following places:

1st Ward, at the store of Thos. Gates & Co., B. M. Gates, Registrar.

2nd Ward, at the City Clerk's office, J. H. Bell, Registrar.

3rd Ward, at the store of J. J. Tolson & Co., on Broad street, J. J. Tolson, Registrar.

4th Ward, at J. C. Whitty's store, on Heaven street, below express office, J. C. Whitty, Registrar.

5th Ward, St. Phillips precinct, at E. G. Hill's office on Broad street, E. G. Hill, Registrar.

6th Ward, South of Queen street, at Samuel Cook's shop, Samuel Cook, Registrar.

Every voter should examine the book and see that his name is properly registered.

Steamer Movements.

The *Steel* from Baltimore with cargo of merchandise.

The *Em City* from Hyde county with cargo of rice, cotton and passengers.

The *Neuse*, from up Neuse, with cotton.

The *Trent*, from up Trent, with cotton.

The *Florence*, from Vanceboro, with cotton.

The *Shenandoah* with merchandise and a full cargo of cotton on the outward trip.

District Court.

This body convened at the court house yesterday morning at 11 o'clock. Marshal J. D. Hill and Solicitor W. S. O. B. Robinson were at their post discharging their duties with their usual zeal and courtesy.

The following cases were disposed of:

U. S. vs. A. L. Wiggins; judgment nisi.

U. S. vs. E. W. Matlocks; sci. fa.; dismissed.

ATTENTION, EXECUTIVE COMMITTEE.

All members of the County Democratic Executive Committee are requested to meet at my office, next door to the Cotton Exchange, in New Berne, on Saturday, Nov. 1st, at 12 o'clock. Important business on hand.

ALPHRUS W. WOOD, Chairman.
MATT MANLY, Sec'y.

Once you catch the flavor and fragrance of a pipe or cigarette of Blackwell's Durham Long Cut, you can appreciate this sentiment from the "Review of a Bachelor":—"That first taste of the new smoke, and of the fragrant leaf is very grateful; it has a bloom about it that you wish might last. It is like your first love—fresh, genial, and fragrant."

La Grange Items.

There is some indications of rain. The dry earth needs it; let it come. The sweet potato crop, as far as we have heard, is very good.

There was a goodly number of Democrats from the country here last Saturday evening to hear North Carolina's next Governor. There were many of them who are rarely seen here at this time of the week, but the opportunity of seeing and hearing General Scales brought them out.

The meeting last Saturday of the church at Hickory Grove and the association committee appointed to investigate the trouble at the church, was very harmonious, and the best of feeling prevailed. The church appointed a committee who presented to the association committee their reasons for withdrawing from the association. It is always a pleasure to gentlemen to meet gentlemen and transact business upon business and gentlemanly principles. The church adhered to its former position and the committee expressed that their action was final.

There is one duty devolving on every citizen who wishes to see the coming election conducted fairly and according to law. That is, a close examination of the registration books. Already attempts have been made to have illegal voters registered. It is not reasonable to suppose that the registrar can always prevent these impositions. It is the duty then of every good citizen to aid in this matter and to see that no one votes who cannot do so according to law. We would not be understood as opposing any one, Republican or Democrat, white or colored, who is entitled, but we are opposed to any and all, who are not duly qualified, and it will take the assistance of others to prevent it. Another thing should be done. If any man shows a disregard of the law and votes, not being a duly qualified voter—let all such be prosecuted as the law directs.

Stonewall Items.

Any quantity of wild geese are reported in the waters about the mouth of Bay river.

Charles C. Wharton had the misfortune to brake his leg on last Saturday. Wm. Riggs was thrown from his buggy on Sunday evening on his way home and had his collar bone broken and otherwise painfully hurt.

On next Saturday, the 1st of November, the big barbecue and mass meeting takes place here. Gov. Jarvis, Hon. L. C. Latham, Hon. C. C. Clark and other prominent Democrats are expected, and a grand rally is anticipated.

Mr. Joe Perry, the man who accidentally shot himself near Vandemere, died on last Friday night. Mrs. Fannie Perkins, wife of T. D. Perkins, died on Sunday evening of hemorrhagic fever at 3 o'clock, at the residence of Mr. Benj. Perkins.

On last Thursday the Republicans had their appointment here. R. S. Daniels, their candidate for the lower house, W. D. Alfred, for sheriff, and Wm. Richardson, the broke down candidate for sheriff, constituted the entire crowd. A gay time they had.

Col. Jno. N. Staples filled his appointment at Bayboro on schedule time, although his hearers were not as numerous as was desirable. But not one complaint was made of his speech as I have not yet heard he filled the bill. The county canvass is progressing satisfactorily to the Democratic party.

R. H. Lane, on the 23d inst., had his cart get into a hole in the bridge across Bay river and so frightened her that she backed off of the abutment of the bridge and swam across the river with the cart hitched to her. She came near being drowned. I predict an indictment of the Board of Commissioners when court arrives. The bridge is, and has been, in a dangerous condition for some time.

Arsenic Pills by the Pint.

J. A. Smith, a Gainesville, Ga., merchant, says: "For years I was a victim to the combined effects of Erysipelas and an aggravated type of Keema, that baffled all medical skill. I consulted the very best physicians in the United States to no good purpose. I gave every patent medicine that was recommended a faithful trial and received no benefit. I took large quantities of potash and a pint cup full of arsenic pills. The patient medicine, pills, and potash mixtures fed instead of curing the disease. They destroyed my appetite and wrecked my system—I lost flesh and energy—I lost three years in a fruitless effort to regain my health. At last, when I began to consider my case hopeless, I commenced taking S. S. S., and in a short time I was entirely cured. I waited a year after a cure was effected, and continued to take Swift's Specific off and on as a sort of safeguard, before I was willing to make public this marvelous cure. Being assured beyond the possibility of a doubt that the cure was permanent, I wrote this history of my case for the benefit of my fellow-men.

My skin is now as smooth as it was when a boy. I weigh more than I ever did in my life, and my general health was never better. I passed through last winter (which was an unusually cold one) without losing a single day from my business. For the last twelve months I have had no return of the erysipelas in any shape or form, or any touch of eczema."

Treatise on Blood and Skin Diseases mailed free.

The Swift Specific Co., Drawer 3, Atlanta, Ga., 159 W. 23d St., N. Y., and 1205 Chestnut St., Phila.

To any body who has disease of throat or lungs, we will send proof that Pilo's Cure for Consumption has cured the same complaints in other cases. Address: E. T. HAZELTINE, Warren, Pa.

Jones County Items.

The dry weather is telling heavily on the gardens, turnip and rutabaga crops. Gen. M. W. Ransom, one of North Carolina's brightest jewels, will be at Trenton on Thursday, the 30th. Don't fail to hear him.

The most of the cotton has been picked out in our section. Farmers say that the crop is short, but it is said to be of a better quality than usual.

I have been informed that Mr. J. T. Scott, the old war horse of the Rads in Jones county, has announced himself an independent Republican candidate for sheriff. I hope our friends will stick to our nominee, John C. Parker, should the field be filled with independents.

The Rev. W. H. Packett will preach the funeral of Miss Jennie McDiamond at Lee's Chapel on the 2nd Sunday in November at 11 o'clock, a. m. As the deceased has many relatives and friends in Carteret county, the Telephone will confer a great favor by copying this item.

Professor E. Y. Perry of Trenton and Miss Mitty Taylor, daughter of John Taylor, Esq., were united in the holy bonds of matrimony at Hookerton, Greene county, by the Rev. Mr. Edwards, on the 14th of October. May happiness, peace and prosperity attend them throughout the journeying scenes of life.

Died, near Trenton, on Thursday morning last, after a long and lingering illness of heart disease and dropsy, Mrs. Winnifred Wilcox, wife of Thos. Wilcox, Esq. Mrs. Wilcox was a firm and consistent member of the Methodist Episcopal Church, and died in the full triumph of the faith. She has left a loving and devoted husband, several grand children, together with many relatives and friends to mourn their irreparable loss.

I sincerely hope that every Democrat in Jones county will see that his name is on the registration book; see that all your neighbors names are there too. Should there be one that has failed to register, look him up and find out why he has not; urge upon him the importance of this duty, and above all see that every one who has registered attends and deposits his vote. One vote may elect our worthy and competent citizen, P. M. Pearsall, to the next Legislature. One vote may secure the election of our Governor, while one vote may secure the electoral vote of North Carolina and be the turning-point in securing the election of a Democratic President.

GENERAL NEWS.

FRAMINGHAM, Mass., Oct. 27.—The worst department of the Biglow Carpet Company, at Clinton, shut down to-day for two weeks owing to the poor markets, throwing out of employment between 200 and 300 hands.

On the first of November the Lancaster Gingham Mills of that town will reduce its employees, who number nearly 200, so that the monthly roll will be some \$2,500 less than it now is.

LOUISVILLE, Ky., Oct. 27.—A special to the Times from Lexington, Ky., says: "On account of rain there was a heavy track and Maud S. did not trot. She will try to lower the record Thursday."

WASHINGTON, Oct. 27.—The statement of the U. S. treasurer shows the gold, silver and U. S. notes in the treasury to-day to be as follows: Gold coin and bullion, \$291,795,748; silver dollars and bullion, \$147,420,885; fractional silver coin, \$39,300,814; U. FALL RIVER, Mass., Oct. 27.—The mills which closed last week were started up this morning, but unless the cloth market improves another shut-down of a week is probable.

To the Voters of Jones County:

Having been solicited by the many friends of the Republican party to become a candidate for the office of sheriff, feeling it a duty I owe to my party, I hereby announce myself a candidate for said office, and solicit the vote of the people of Jones county, pledging myself to do my duty to the people of said county if elected. Respectfully,
B. F. DILLAHUNT.
Pollockville, Oct. 28th 1884.

Rheumatism, and similar diseases, caused by a low state of the system, are cured by using Ayer's Sarsaparilla.

A fine constitution may be broken and ruined by simple neglect. Many bodily ills result from habitual constipation. There is no medicine equal to Ayer's Pills to correct this evil, and restore the system to natural, regular, and healthy action.
