GRAND JOLLIFICATION AT KINSTON.

The Democrats of Lenoir assembled en masse at Kinston last Tuesday night election on November 4th. It was the ence as our native birds. first time they had elected their entire just cause to be proud and jubilant.

The committee of arrangements having extended an invitation to A. W. Wood, Chairman of the Executive Com-"Didn't I tell her that when I got well mittee of Craven, and Clement Manly, I'd pay her the money back or git the Esq., President of the Cleveland and stove?" asked Tom Pate, col., who was Scales Club of this city, these gentlebefore Esq. Brinson yesterday for a men secured a special train and took little crocked dealing with an old col- up the following enthusiastic Demoored woman about the purchase of a crats: Gen. R. D. Hancock, W. F. who was a witness. "Now brudder," Frank Smaw, W. H. Oliver, Jos. Schwerin, Maj. D. W. Hurtt, J. K. Willis, Lon Richardson, R. L. Burk-Jesse Lasitter, W. E. Patterson, Joe. The Goldsboro Fair will open next Wagner, F. Ulrich, M. H. Sultan, Wm. Tuesday. All articles for exhibition Sultan, Mr. Rosenbaum and Mr. Wm. Toler, to join their brother Democrats in their bour of rejoicing. Arriving at Kinston they found the town illuminated and a perfect blaze of enthusiasm on every side.

Some two or three thousand people had assembled, and a long procession miles around. The procession halted in front of the residence of J. W. Grainger, Esq , and called loudly for that gentleman, who was so triumphantly elected to the York was to be made by the county can- House of Representatives. He appeared vassers on Tuesday last. We have full and made them a short speech and inconfidence that the vote will not be ma- troduced P. M. Pearsall, the memberelect of Jones county. He made a given by the impartial and independent lowed by N. J. Rouse, Esq., who made a very appropriate little speech, which was well received by the vast crowd. The procession then moved to Nunn's hotel where the speech of the occasion was made by our fellow townsman

CLEMENT MANLY, ESQ.

le was introduced by Geo. E. Miller, Esq., and made just the speech for the occasion. He spoke from the balcony pleted the official count without material change in the vote heretofore given. Generally believed that the State is safe.

J. F. TRACY.

State is safe.

J. F. TRACY.

J. F. TRACY. of the hotel and his eloquent strains of Berne delegation assembled around him and sang the "Old North State." the whole crowd joining in the chorus.

Short speeches were made by others and at about ten o'clock the vast conourse dispersed and returned to their homes. It was a glorious time for the Democracy of Lenoir, and we trust they will never have cause to regret the day's work done by them on the 4th of November, 1884.

Those who were at the theatre last was too small-enjoyed the rarest entertainment of the season.

Miss Kittie was in her element Mr. J. C. Bryan, of Jones, is in the Hayden as "Maggie," who knows she original idea struck him, He was sure city. He intends to be with us when we is beautiful and scorns to lie about it. have our jollification meeting over the while the whole troupe showed that election of Cleveland. We wish to have they could and would do their parts, re- If a quick sighted New Yorker could all the good Democrats of Jones on that gardless of the dampening effect of a mistake a dummy for a lady, why should not other people? No sooner

This performance closed the engagement for this city and the troupe goes and the few cents for calico, buttons, with him but it was a soft shell and to-day to Kinston, and to our friends hooks and eyes, and a chignon were broken in one place. It seems to us there we cheerfully commend them

Literary Gossip. The October number of the Auk Olean, has been ill for several months, a quarterly journal of ornithology puband the cause of her sickness could not lished for the "American Ornitholo- be determined by her physicians. A gists' Union," contains an account of fortnight ago she consulted Alfred has grown all over his face, and looks the second meeting of the union held at Gillett, who claims to be guided in almost as well as it ever did, and I would like some of your company to see him." the American Museum of Natural Histhe American Museum of Natural History in New York in September last.

The committee on the "Revision of the Esterbrook had swallowed a snake three Nomenceature and Classification of North American Birds' reported had grown to great dimensions in her through its chairman, Dr. Elliott Coues, stomach. He said that the only way to In the obituary notice of Mrs. Roberts in to-day's paper, you say that she died of "tetemums or lock-jaw," I suppose you meant tetamus, as that is the surgical name for lock-jaw. It is a paradoxical name for a rigid contraction of the muscles of the jaw, and is also more properly called trismus. The Greek and tetamos is derived from the Greek with teino—I stretch. I said it was paradoxical as you will see from the definition of which is just published by any time of ucus, a grove, dark and shady, which is derived from lux—light; and from this we obtain our English word lucus, a grove, dark and shady, which is derived from lux—light; and from this we obtain our English word lucid—bright, shining. What do you think of the doctors who call the soporific—eye-closer—op i um? when it is a shut-eye?

North American Birds" reported through its chairman, Dr. Elliott Coues, the author of "Coues' Key to North American Birds." reported through its chairman, Dr. Elliott Coues, the suit of cours, key to North American Birds" reported through its chairman, Dr. Elliott Coues, the suit of "Coues' Key to North American Birds." which contains a concise account of every species of living and fossil bird at present known on the continent north of the boundary of newer meant tetamos is derived nor the description of which is just published by Estes & Lawriat, Boston. Dr. Clues has just returned from England, where a meeting of British zoologists was held in the "British Museum" to "take advantage," as the call said, "of the presence in this country of the distinguished wantage," as the call said, "of the present known on the continent north of the boundary to reserve days took no nourishment of any kind. At the end of that she was so nearly dead that her husband compelled her to eat and drink. Both Mr. and Mrs. Esterbrook have faith in Gillett still, and the patient is now on the third day of a second fast. Friends wantage," as the call said, "of the present known on the continent north of the boundary to read the said of the contin report of this meeting in Nature and a sminds me of the story of the condensed one in this number of the

insects, the grown ones prefer grain and the seed of indiginous plants, and prove very destructive to fields of grain. The committee did not advise their wholesale slaughter, but only that they should to celebrate the victory which they achieved over the Republicans in the jected to the same struggle for exist-

In selecting English names for our North American birds two cases have county ticket since 1866, nearly twenty come before the A. O. U. committee on years ago, and they felt that they had nomenclature and classification, on which they desire an expression of opinion from the readers of The Auk. These cases relate to the names "Vireo" and "Greenlet," and "Junco" and "Snowbird." Responses indicating the writer's preference in respect to these alternative names, may be sent to the editor of The Auk, and the name in each case having the greatest number of supporters will be adopted for the species of birds to which these names are commonly applied. Replies to be available, must be received not later stove, of another old colored gentleman Rountree, J. W. Moore, G. F. M. Dail, than December 15th, 1884, and the result of the ballot will be announced in the next (January) issue of The Auk.

Who'll speak for the Snowbird? Here head, F. W. Hancock, Esq., D. G. Smaw, preference to any other.

Our Academy Library ought to contain a copy of Dr. Coues' work, which rule. I am a Cleveland man, young is invaluable to the Ornithologist, and man." most useful to the general reader as a book of reference.

The recent appointment of one of our New Berne boys as State Naturalist to represent North Carolina at the New Orleans Exposition, will be an inducement to the rest to study Natural History and the library ought to contain the best text books for their use. Birds."

GENERAL NEWS.

A Chinese doctor at Victoria, B. C., is reported to have made some remarkable cures in cases where white physicians had given them up as incurable.

A nine-ton lump of coal, claimed as the largest ever mined, will represent the coal interests of Birmingham, Ala., at the New Orleans Exhibition.

DETROIT, Nov. 9 .- The Free Press tonight received a report from Calhoun county that the Butler votes of that county had not been counted, and it will be materially reduced, and that of their works, though." the Fusionists may secure a few electoral votes.

Eighteen ravens were captured near Gridley. Cal., a short time ago in a somewhat curious way. A flock of 300 swooped down on the backs of a number of sheep that were grazing, and in the birds' eagerness to get away eighteen of O'Brien said. "I often hear such them got their talons fastened in the sheep's wool, where they were held captive until secured by lookers-on.

Paris, Nov. 9.—The cholera epidemic ments. During the 48 hours ending at _N. Y. Sun. midnight last night 186 new cases and 63 deaths were reported. At Montreuil 10 new cases were reported during the same time. To-day one fresh case has been reported at St. Nazaire, and there have been four deaths from the disease at Nantes.

Mr. Leslie, when he began the work of Land Commissioner for South Carolina, found that his time was frittered away by idle callers. Walking down the street one day, a well dressed female for a good cut. in a store caught his eye, and, wondering why the lady tarried so long, he approached, and discovered that the as Belinda Trehern, and Miss figure was a dummy. Just here an that no one, at least no Southerner, would attempt to interrupt him while he seemed to be talking to a woman. thought than done. The figure was in size. It now gives me no pain, and made, and placed in his office. Leslie my general health has so much im-The laughter was side-splitting and made, and placed in his office. Leslie every one present was more than worked with his back to the door and his face to the figure. People came, and looked and waited, and walked away. The thing acted like a charm, uable time of the Land Commissioner.

ELMIRA, Nov. 9 .- Mrs. E. M. Esterbrook, wife of a prominent citizen of years ago, while drinking, and that it

This reminds me of the story of the little Frenchman who was passenger on an Eric canal boat. The bridges across the canal are very low, and it is usual when a boat is about to pass under one, to dry "Look Out" The passenger heard the cry and popped his head out of the cabin window just in time to have it strike against a bridge. He fell back evolutining, "Sacre vota countrys, they calls Look-out, ven they means look-in!"

Dear Typo, I hope and believe your morals are better than your spelling.

H. Bosser.

The Curse of Brandy.

"Brandy," said a man during a conversation on temperance, "why it's the worst drink in the world. That's what killed Bill Fellers." "Bill Fellers is not dead," replied some one, "I saw in ment pets any mere privileges. After weighing the prox and cons of the testimony the committee decided that the injurious traits of the sparrow greatly over balance its beneficial qualities. It is proved conclusively that our native insectivorous birds are being driven out by those, and an an during a conversation on temperance, "why it's the worst drink in the world. That's what killed Bill Fellers." "Bill Fellers is not dead," replied some one, "I saw in morals are better than your spelling.

The Curse of Brandy.

"Brandy," said a man during a conversation on temperance, "why it's the worst drink in the world. That's what killed Bill Fellers." "Bill Fellers is not dead," replied some one, "I saw in the mountains the other day." "Well, no difference," said the first speaker. "Brandy is what will have a proved donolusively that our native insectivorous birds are being driven out the mountains the other day." "Well in don't see how it can, for he never drinks a drop of it." "Ah, well, it's what would kill him." "I don't see how it can, for he never drinks a drop of it." "Ah, well, it's what would kill him." "I don't see how it can, for he never drinks a drop of it." "Ah, well, it's what would kill him." "I don't see how it can, for he never drinks a drop of it." "Ah,

TAKEN ABACK.

Gentleman of Strong Political Opinions Speaks Out to a Stranger.

A very young man, in a dark business suit, sat alongside of a nervous middle-aged man in a Brighton Beach train coming up Good Ordinary 8 13-16. from the races on Saturday eve ning. The fussy man turned occasionally from his paper to give bits November, 10.10 of election news, interlarding them with comments of own to the very young man.

"This is particularly wholesome," he said, after reading the headlines from his paper: "Arrest of John Good Ordinary 8 13-16. from his paper: "Arrest of John J. O'Brien-Attempt to Defraud in the Election Returns-Trapped nah upland 90 to \$1.00. Tide-water in his Little Game-Johnny Daven- \$1.10 to \$1.25. New Berne upland 80 port to be Arrested."

"If there is one thing Cleveland's administration'll do, it will be to rid us of such vipers as John J O'Brien and Johnny Davenport, They've too often betrayed the interests of the people to remain in office, now that the people are to

"I'm glad to know that " said the very young man, speaking for the first time; "but are you sure you aren't doing John J. O'Brien great injustice; that you haven't put down to knavery what was political zeal?"

"Queer kind of political zeal," the fidgety man replied, "making combinations with all sorts of policical tricksters to defeat the will of the people. Oh, he's carried on his game too long for me to be deceived in him. Cleveland 'll warm him, and all of the political tricksters. I tell you, sir, the peeple have the power in their hands now, and they'll use it. Mark my words."

"Do you know Mr. O'Brien?" the young man asked, good naturedly.

"Hardly," the fidgety man replied, with asperity. "I don't care now claims that the present plurality to know him or his crowd. I know

"John J. O'Brien is my father," the young man replied.

"You don't say so," the other answered. "I hope I haven't wounded you."

"Not in the least," young Mr. talk from men who mistake party zeal for crooked dealing. I'm used to it. So is father. Little things in Paris is increasing, especially in the like this don't bother him. He has Eleventh and Nineteenth arrondisse- to take it, along with his salary.'
