NEW BERNE. N. C., FRIDAY, NOVEMBER 14, 1884.

LOCAL NEWS. A Big Potato.

Journal Miniature Almanae. Sun rises, 6:36 | Length of day, Sun sets, 4:58 | 10 hours, 17 minutes. Moon rives at 3:39 a. m.

Cotton continues to boom. The Board of City Council meets to-

night.

the Exchange.

New Berne Lodge No. 443, Knights of Honor, meet to-night.

The Methodist church will be a thing of beauty and comfort when completed. The steamer Trent arrived last night from up Trent with a full cargo of cot-

Freights on the Atlantic and North and one that every lady will value. Carolina Railroad are very good for the Mrs. Burkhead's father was the inventor season.

Remember the meeting of the Cleveland and Scales Club to-nigt. Important business.

The ladies of the Baptist Church Aid Society will have a festival on next Thursday night.

The steamer Florence arrived from Vanceboro yesterday evening with a cargo of rice and corn.

O. Marks is out with a new ady. offering first-class goods at New York prices. Read his column.

Sheriff Hahn wants taxes. He says he means what he says, and we believe he does. Read what he says.

Mr. Wm. Hay has an apple tree in full bloom. Any one passing his house week. now would think the spring time was at hand.

Messrs. Duffy & Ives offer a Harper's Bazar pattern with each dress amounting to \$3.50 or more. See amendment to adv. to-morrow.

Raleigh Democrats had a grand celebration Monday evening, Goldsboro lasc night. New Berne's time will come in a few days and we propose to have a big time.

The graded school building is receiving the finishing touch. The lower rooms are completed, and next week will be used until the upper rooms can be finished up.

On our second page to-day will be found a striking and instructive illustration of the comparative worth of the various kinds of baking powders now in the market.

Mr. Solomon Broughton, of Bairds Creek, Pamlico county, reports the biggest potato yet. It measures twenty-six and three quarter inches in circumference, and weighs eighteen pounds.

Inventive Genius.

Mrs. Dr. Burkhead, of this city, we are pleased to learn, has obtained a other of his numerous writings; he stands high in the imedical world, parpatent for an improvement on the cor-To-day will be Jones county day at sett. To properly appreciate the imhead has been working on it for over two years, and at one time was on the point of giving it up, but remembering that the reward is with him that endureth to the end, she persisted until a no common ground on which those enpatent has been granted upon its merits. It is really a substantial improvement,

> of the famous Utley cotton press, and Carolina to give a lecture on 'pitch' to obtained patents for several other im-

portant inventions. She seeme to have inherited a good share of his genius. Personal.

Dr. Charles Duffy is in the city. He came over the Quaker Bridge road and says it was very unbusiness like to take child in the State knew that pitch was the hands off of it before it was completed.

Mr. H. A. Creagh has returned from Catharine Lake, where he says the citizens had a grand jollification meeting Monday night in honor of the election of Cleveland and Scales.

Mr. J. C. Whitty was off to Goldsboro display of machinery at the Fair next not be confounded, the writer says that

Messrs, J. C. Moore and E. M. Foscue of Jones called to see us last night. They want to know where York buried those poor white people and negrocs

that had to die to prevent his election. Mrs. Cassie Rhoes. Miss Jennie Sandlin and Miss Erwin, of Onslow, are in

the city. Maj. Fred. Harding, of Johnson's Mills, Pitt county, is in the city.

Rev. C. A. Jenkens is attending the Baptist State Convention, which is in session at Raleigh.

Gur Oyster Industry.

Mr. G. W. Moore, of the firm of Moore & Brady, oyster packers of Baltimore, is in the city looking after the oyster business. We hope these gentlemen have emotions. Dr. Hammond says: will be able to begin work much earlier

Literary Gossip. The first paper in the November numcounty canvassers resumed its session

ber of The Popular Science Monthly, is a most able one from Dr. Wm. A. Ham-mond on "the relations between the mind and the nervous system." Dr. to-day. The room was filled with politicians and lawyers representing the Republican and Democratic parties. Hammond is better known in North Carolina from his controversy with Dr. The committee on protests and corrected returns were appointed. The canvass Eugene Grissom on the question of the of the first assembly district was begun treatment of the insane, than from any It was found after proceeding a short way down the district that the Democratic electoral ticket was not properly ticularly on the treatment of mental filled in, and that there were clerical and nervous disorders, and has written provement, ladies must see it; we will many papers on different subjects; none, discrepancies or omissions. On motion the whole district was referred to the not attempt to describe it. Mrs. Burk- it is safe to say, of more vital importcommittee on corrected returns. ance to the rising generation than this
