## 1885.

January. New Year.

Not much rice coming in now.

The Cotton Exchange will be closed to-day.

A happy and prosperous New Year to all our readers.

Now let us all resolve to do better than we did last year.

New Year's Gift! and a happy new year, will be the greetings to-day.

Corn is looking up a little. A cargo sold on Monday for 45 cents in bulk.

We publish to-day President-elect Cleveland's position on Civil Service the capital of Switzerland. Hence, we lofty patriotism.' Reform. If he adheres strictly to this always write "New Berne." But there is pointed ?

Our Register of Deeds is off on a New Years' hunt down to Slocum's creek. He will accept our thanks for the quarintends to bring us.

Our colored citizens celebrate to-day as the anniversary of President Lincoln's emancipation proclamation. They will parade the city and have a number of speeches at the theatre.

The stolen cattle advertised in the JOURNAL a few days ago have been claimed and proven by the lawful owners, they having seen the advertisement. People do read advertisements.

Yesterday was a beautiful spring day. By reference to the JOURNAL files we find that 1883 went, out with a thunder storm. While the last day of 1884 was quite warm enough for thunder showers, yet the day was bright, calm and pleasant.

The negro Charles Smith who was lynched near Clayton a few days ago, it is said, was known in Onslow and follows: Jones counties as a bad man and a bold

Personal. Carolinian, and in favor of such meas- and cubs. ures that will redound to the good of the whole State and not for one section to the detriment of another.

Crisp, recently burned out at Goldsboro business for a while.

#### How to Spell It.

The article on "New Berne" was written by Judge Clarke, who says in large letters on the cars and other public places without the final c. We have always been under the impression, of Switzerland. in fact, we think, the geographies always gave the final e when speaking of

position won't somebody be disap- another view to take of it. By reference to the oldest books in the office of

> the Superior Court Clerk, some of them If this method of spelling the word has

extended discussion was had on it immediately after the late war, and the result was, just what it will be now we suppose, that every one went on writing it his own way.

### Berne and New Berne.

In December, A.D. 1710, a colony of Swiss and German Palatines, under the leadership of Louis Mitchel and Chris. the property in immediate contiguity? topher, Baron de Graaffenreidt, landed at the Indian village of Chattoka, at the

confluence of the Neuse and Trent rivers, and founded a town, which, in honor of De Graaffenreidt, who was a native of Berne, in Switzerland, was called New Berne. This town was incorporated by act of the Legislature passed in the year 1723.

Dr. Alexander Dallas Bache, in a lec-Institute in 1870, speaks of Berne as

"Berne, the capital of the Swiss Conthief. The lynching was an outrage federacy, is in appearance thoroughly a upon the laws of North Carolina and Swiss town of the old school. Its sate is a bold promontory nearly surrounded receives the condemnation of all law- by the Aar, a tributary of the Rhine. abiding people, but it is some relief to The appearance of the town is very know that one of the characters at least three gateways are passed in succession, at intervals from each other, beneath towers which mark so many epochs in the extension of the walled town. Beplace of great strength, the site having been selected in the twelfth century for congregation, kneeling, were sending its military properties, by Berthold of up fervent petitions to the Throne of Zahringen, the founder of the city. The fronts of the houses in the principal streets, as in the Italian towns of the of an All-wise Providence during the Middle Ages, rest upon arcades, which coming year. The meeting was inter- form covered walks for passengers. The heavy piers of the arcades render the shops dark, but this inconvenience is The advance agent of the Standard more than counterbalanced by the pro-Dramatic Company, Mr. Warner, is in tection from the winter's snow in a town almost among the Alps, and at an elevation of sixteen hundred feet above the sea. The streets are provided at intervals with fountains of curious de-Mr. Warner has been working for this vices and rude execution, in which, betroupe for a number of years, and his sides the figure of the bear in various "armor and attitude," are warriors and good judgment in the selection of points goddesses, and remarkable above all, and properly advertising, in connection the terror of children, the great Kinderfresser, or ogre, who with the head and shoulders of one poor innocent in his gaping mouth, in the very act of swal-

#### Sidewalks Again.

EDITOR JOURNAL:-"Truth" says to improve the sidewalks the means could be raised by "economizing in some dating back to 1713, we find it written things, say dispense with the lights and "Newbern," and it is said that it was apply the funds so saved." Now as the ter of fine venison which no doubt he so written in the act of incorporation. principal lights used at present by the council are furnished direct from If this method or spennig the word has the sanction of law, is it not the right one? Since we have brought the sub-ject to notice we are told that quite an it on the sanction of law, is it not the right one? Since we have brought the sub-ject to notice we are told that quite an it of the sanction of law, is it not the right sub-ject to notice we are told that quite an it of the sanction of law, is it not the right sub-ject to notice we are told that quite an it of the sanction of law, is it not the right sub-so slowly raised by such economy, that those perverse swearers would be placed beyond the hope of redemption before the improvements could avail them.

The city now furnishes lights at the engine houses and police headquuarters only, and it may be that is why the sidewalks have become so suddenly unbearable. Are not sidewalks generally

#### The Latest News.

CINCAGO, Dec. 30 .- A dispatch from Pierre. Dakota, says: Pierre is one seething mass of flame and all efforts of the citizens are unavailing to stay the fire. The wind is blowing a fierce gale and the mercury is down to twenty-five degrees below zero. All the pumps are ture delivered before the Smithsonian frozen solid and it is impossible to secure water. Men, women and children are working desperately. endeavoring to save property, caring nothing for the intense cold and looking only to the assistance of others. The fire is now sweeping towards the river.

To the officers and members of the MADRID, Dec. 30.-At Granada to-day a Te Deum was sung and prayers were Craven County Teachers' Association, offered for the cessation of the earthquake. At Friego, in the province of

#### Obituary.

Mrs. Susan J. Hancock was born Oct. 21st, 1819, and died in New-Bern Dec. 19th, 1884. She was the daughter of Jonathan and Elizabeth Blaney. She joined the M. E. Church June, 1837, and lived a consistent member until the "silver cord was loosed" and the Master called her to "enter in through the gates" and receive the reward of eternal

life. She was married to James Hancock Dec. 28th, 1850. She was a devoted January, and an affectionate daughter, wife and February mother. She possessed a good mind, March, which was well filled with useful April, knowledge. Kind, generous, and charitable, she was always ready to June, April. help the needy, to the extent of her July, means. She did what she could. A Augu August. sincere and devoted Christian, and warm-hearted Methodist, she had many October, friends, and served the Lord with fidelity, and blessed her generation. Her December, husband died January 20th, 1884, and she followed in less than a year. "One by one" we pass over the "Death-River!" One by one, we enter through the "pearly-gates." Three children are left behind. Mrs. M. O. Humphrey, of left also, who mingle their tears of sympathy with those of the heartstricken children. Her memory is blessed. Our dear sister died in great peace. As I stood by her bed-side, and watched the closing scene, I was deeply impressed with the blossed truth: 'Jesus can make a dying-bed

Feel soft as downy pillows are, While on his breast I lean my head

And breathe my life out sweetly there."

Sister H. had long been battling with the tempestuous waves of the sea of life, and sometimes driven by fierce winds amid raging seas; but her faith in Christ was firm and unshaken. She knew in whom she believed. The precious promises of the Bible cheered her soul. She could say:

"The Bible is my chart;

By it, the seas I know.

I cannot with it part. It, rocks and sands doth show. It is a chart and compass too,

Whose needle points forever true." Her happy soul looked forward with lessed hope to the "Land of pure delight;" and by faith saw glimpses of her glorious home, and longed to be

there 'Land ahead!'' its fruits are waving O'er the hills of fadeless green, And the living waters laving, Shores where heav'ly forms are seen. Rocks and storms I'll fear no more, When on that eternal shore. Drop the anchor! Furl the sail! am safe within the vail.

Let her children and friends serve God and meet her in Heaven. L. S. BURKBEAD.

#### Murder Near Dover.

A telegram from Capt. C. K. Hancock at Kinston yesterday evening informs us that the wife of Mark McCleas, an industrious and inoffensive colored man, was brutally murdered at her home on the Atlantic & North Carolina Railroad, about two miles above Dover, on Mon-Kinston, by a negro man named Alex Black.

#### Feast of the Holy Innocents.

The parish of Christ Church gave the annual feast to the poor children at the The figure now raises a wand and strikes Chapel on George street yesterday.

This feast is generally given on Holy Innocents day, but that day falling on twenty-four hours the bears have rest. Sunday caused the postponement until The regard for bruin in Berne has been yesterday, when a large number partook of a sumptuous dinner and many others were supplied at their homes placed the effigy upon the coat of arms, with a substantial remembrance.

#### A Good Salesman.

That was's good salesman who succeeded in getting a number eleven boot animal kept to amuse the people by his on the number fourteen foot of a cus- antics. A whimsical old lady left a tomer yesterday which required the handsome estate to the town to maintain combined strength of himself, the cus- a family of bears forever, and in 1798 tomer and three stalwart colored men, misfortunes of the canton as it had been and an hour's hard labor to get it off. predicament that he could neither trade the fate of those of the canton, when nor travel, and as the help was a treat, the French armies, appropriated the thirty millions of specie in the vaults of

lowing, has a bag full of similar choice mouthfuls about his neck, apparently struggling to escape the fate of their comrade. In one of the towers is the famous clock of kindred taste with the ogre. Before each hour a cock flaps his wings and crows a warning. A figure representing Father Time reverses his hour-glass, and opens his mouth as if to cry aloud to the careless. At noon is day night while her husband was at the grand procession of the bears, who, marshaled by knights and soldiers, issue to the sound of music and pass before the figure of Time, first on all fours,

> the town, of which they are patrons. the hour upon a mimic bell, keeping time with the striking of the clock; the cock again flaps his wings, and for the growth of the ages. The accidental killing of a bear by the Duke of Zahrin-gen on the day of founding the city and perhaps gave name to the infant city, for Berne signifies bear in the Swabian dialect. The effigy of the bear was connected with the conquests of

the warlike burghers, and the living the animal became associated with the nd an hour's hard labor to get it off. with its rise and prosperity. The sav-The old man was in the awkward ings from the estate of the bears shared must have the cash.

Cordova, the shocks came while the fore the use of artillery Berne was a jumped from the galleries and from the ticular business pertaining to the Assowindows upon the crowd below. Two ciation. were killed outright, and forty were more or less seriously injured. At Malaga two lofty chimneys, forming a part of the gas works, fell to the earth. The patients in the hospital were so terrified that they forgot for the time being their maladies and fled to the open air. The convicts in the prison refused to enter their cells and remained all ate great holes into my flesh and spread night in the court yard. Alhama and Santa Cruz were completely destroyed. The soldiers are at work s still unknown. There is no doubt, however, that the report which fixed the number at 900 is an exaggeration. There s much distress among the survivors. the city of the same name, the earthquake was followed by a hurricane.

This finished the destruction of many houses which had already been brought to the brink of ruin by the previous shock. The inhabitants fied in terror from their houses and camped qutside of the town. Much suffering has been caused by the scarcity of provisions. The alarm in Malaga, however, is now subsiding, and affairs, it is believed, will soon resume their ordinary course then half erect, and finally rampant, LONDON, Dec. 29.—To-day is Glad-stone's seventy-fifth birth day and the occasion is being celebrated with great figuring thus the different conditions of festivity at Hawarden. Birthday greetings reach the great leader from all parts of the empire. The Prince of Wales has sent cordial congratulations.

Many liberal bodies take advantage of the day to present the "grand old man" with addresses expressive of continued confidence and profound admiration. The newspapers, without distinction of party, devote leading articles to the eulogy of the great statesman. KEY WEST, Fla., Dec. 29.-The steamer
