The crowd of persons on the Green and around the monument yesterday as prenounced by many who have been in attendance on former memorial days as the largest they have seen for many years, if ever before.

The address of Captain Graham is spoken of in the highest terms, and military operations up to the time of his must have made every North Carolinian who heard it the prouder of his State. cause the birth-place of such a noble student, scholar, soldier and patriot as James Johnson Pettigrew.

The City Council were in special session yesterday at 11 o'clock to consider the disposition to be made of the pile of shells belonging to the city now laying near the canning house of Messrs. Moore & Brady. The matter was referred to the sanitary committee.

Dr. H. G. Bates, Grand Patriarch of the Grand Encampment of North Carolins, and Edward Gerock, Representative to the Grand Lodge of I. O. O. F., leave this morning to attend the sessions of the two above organizations, which most in quakal session at Wilson, N. C., to-day:

At 4:30 p.m. a large crowd, at the sound of music from the Silver Cornet band, assembled on the Academy Green, when the following order of services were observed:

I. Music-"The Guard Around the Tomb.

II. Prayer-By Rev. V. W. Shields. III. Music-"The Voice of Peace." IV. Memorial Address-By Captain Hamilton C. Graham. Subject: "Gen-eral J. Johnston Pettigrew."

Capt. Graham was introduced in few appropriate remarks by Clement Manly, Esq. He spoke from manuscript for about one hour, not eloquently, but deliberately, forcibly, and at times with much pathos. His subject was an interesting one to a large number of the Army of Northern Virginia; as his death is closely interwoven with the history of that army. If we can obtain the manuscript we will publish the full text in a future issue. We have room for a few extracts only. In reference to the day and the custom of decorating

the soldiers' graves, he said: It is a noble spectacle to witness the annual outpouring of our people on oc-

casions like this for the purpose of keeping alive the remembrance of the heroes of our lost cause. The memory of the sad and pathetic fate of our lost and loved ones is ours now, and it is a labor of love that we perform in scat-tering heautiful flowers upon their graves. But it cannot and it will not be that the glory of their achievements will always remain the property of only portion of this land.

A portion of this land. As the passions and bitter animosities of the war shall disappear, and as the sentiment of the country shall become mellowed by time, history will at last do justice to that grand army of heroes who illustrated to the world such subby serian Sabbaih School will picnic to-day at Rock Spring, up the Trent river. They will make two trips on the Steamer Trent, from the foot of Craven street, American manhood. As the Englishman of today points Chief Marshal E. M. memories of these patriots be honored in this community. The world's history furnishes no nobler instance of patriotic response to earnest conviction of duty than was illustrated by that outpouring of the young men of the South in 1861, of which the action of these brave men of

New Berne was a fair example. I trust in this connection I may be pardoned if I borrow the language of that eminent South Carolinian, the eloquent Trescott, himself the biographer

eloquent Trescott, himself the biographer of the noble Pettigrew, who says: "Never in the history of the world has there been a nobler response to a more thoroughly recognized duty; no-where anything more truly glorious than this outburst of the youth and manhood of the South. And now that the end has come, and we have seen it the end has come, and we have seen it, it seems to me that to a man of humanity, I care not in what section his sympathies may have been nurtured, there never has been a sadder or sublimer spectacle than these earnest and devoted men, their young and vigorous columns marching through Richmond to the Potomac, like the combatants of ancient Rome, beneath the imperial throne in the amphitheatre, and exclaiming with uplifted arms "Moraturi te salutant."

"Their leaf has perished in the green, And while we breathe beneath the sun The world which credits what is done Is cold to all that might have been." "Of the great men of this civil war history will take care. The issues were too high. the struggle too famous, the consequences too vast for them to be forgotten. But as for those of whom I speak, if the State is indeed the mother

whom they so fondly loved, she will never forget them. She will speak of them in a whisper if it must be, but in tones of love that will live through all these dreary days. In Memoriam. Fell asleep in Jesus, on Saturday, May 9th, A. D. 1885, Mrs. ELIZABETH B. DAVES, in the eighty-first year of her age.

"Asleep in Jesus ! blessed sleep !

From which none ever wakes to weep. For nearly half a century the name of Mrs. Daves has been interwoven with nearly every movement of charity which has been instituted in our midst. Her kindness to the poor and afflicted, her liberality to her church, her unceasing efforts in doing good had become proverbial.

On Sunday afternoon at 6 o'clock, amid the most solemn silense and in presence of a vast concourse of our citizens her remains were tenderly borne

up the broad aisle of Christ Church (and placed immediately in front of that altar where she had so often communed with her God) there to receive the last sad rites of her church. The words of comfort "whosoever

Willacoochee

Is the name of a flourishing village in Coffee county, Georgia, on the line of the Brunswick and Albany railroad. Mr. D. E. Gaskin, a well-knewn citi-zen of that village, writes under date of December 904. December 22d:

Soon after my marriage, about four years ago, my wife was stricten with some trouble peculiar to her sex, which broke down her general health. In this condition she was soon after attacked with inflammatory rheumatism of such a severe type that it made her a cripple. She was reduced in flesh to sixty-five pounds, and came very near losing her life. She was attended by three good physicians who treated her with some benefit, but the swelling in her joints never left her. Last summer the rheumatism returned in a still more sever and painful form, which seemed to defy the skill of all the doctors. She would price of rough rice per bushel can easily almost go frantic with pain, and would lie and scream all day. A friend of mine, who is an engineer on the Brunswick & Albany railroad, suggested that I should use Swift's Specific (S. S. S.), which I did. After she had taken one small bottle she was up and able to walk over the house, and after taking the six small bottles she is now able to do any kind of house work; the swelling has gone, all the pain has left her, and she is in better health than she ever was. The treatment before using Swift's Spe-cific cost me between \$350 to \$400, and the six bottles of S. S. S. cost me six dollars.

It is certainly the most wonderful medicine and the best blood purifier in the world. The proprietors should let the world know about it.

NOTE-The S. S. S. Company wish to caution purchasers in regard to the nu-mercus imitations of their goods. Some carry the lie on the face, purporting to be vegetable remedies, when, in fact, they are really strong solutions of poi sonous minerals-as Mercury, Potash etc. Be careful to get the genuine.
