Mrs. Harriet Peebles, while on her return from Jones county, a few days ago, was attacked with a congestive ago, chill. chill. We are very glad to say that to day (Saturday) she is very much better. We are indebted to Mr. Doc. Ed wards for the best watermelon we have seen in many years. He has a crop of these melons on a par with his other crop-that is, first-class and plenty of them.

that is, first-class and plenty of them. The best way not to stop a runaway mula and cout in a busy street, is to throw your hat at him and cry whoal if a mule finds that you do not care whether he runs or not, he will stop im-mediately. Misses Sarah and Etta Einstein have been spending sometime at the Saven Springs. The waters of these springs, beyond question, have accomplished wonders for the sick. They should be more generally used. nore generally used.

more generally used. Speaking of good crops, Dr. R. Pelle-tier knows how to raise corn, cotton and peas, as well as make pills and lotions. We walked through his farm, east of town, on Friday, and was well paid for how walk. On land that had been pro-nounced unfit for cultivation, the old King farm, he has succeded, by proper proper of corn, pease and cotton that are simply wonderful. The corn is now made, rain or no min. The ootton takes are heavy with unusual fruitage. The peas are as abuildant that we fare, to the bowl never got them picked. Toung farmers might learn a lesson by infilling this farm.
