New Berne Theatre
On Wednesday night, Dec. 15th, Miss Bella Moore, supported by a strong comedy company, will appear at the New Berne Theatre in "A Mountain Pink," a story of life among the moonshiners of North Carolina. Read what the *Houston (Texas) Post* says;

"Quite a treat was furnished the audience by the presentation of the rural romantic drama of 'A Mountain Pink,' by Miss Bella Moore and her company, at Pillot's Opera House last night. The play which is vigorous, the plot being laid in the mountains of North Carolina among the moonshiners, is very attaining and furnishes a fine scope for Miss Moore's vivacious and graceful acting. The young lady, too, not only acts well, but has a sweet face, a pleasant carriage, and, best of all, a fine voice. Her songs last night were heartily applauded. The company supporting her is in many respects above the average. Mr. Hanna as 'Jack Weeks' is very comical, as is Mr. Kennedy in the character of 'Sop,' the negro part. The rest of the parts were well sustained."

Event Justice
Last Monday morning Brown Holly, col., was held in good esteem by the citizens of this community, but undeservedly so. Monday night he was caught in an act which, it appears, he had been systematically committing for several months, namely: Stealing wood from the woodhouse of Mr. Joseph Barker. He was arrested, lodged in jail, a bill was drawn next day and sent to the grand jury, who found a return bill for the high crime of burglary, for which the statute of North Carolina prescribed the death penalty. Friday morning he was brought before the court. His good character heretofore and the leniency of the prosecuting witness saved him from being put upon trial for his life. He submitted to a verdict of guilty of larceny and was sentenced to five years imprisonment in the penitentiary. This is speedy punishment, and if justice could always be meted out in this manner it would have a salutary effect. If Brown Holly's case had been laid over until next court it is questionable if he ever would have been punished for the crime, he has committed further than remaining in jail for his appearance at court. The opportunity for packing justice and manufacturing evidence is not allowed to escape in these days. Save speedy punishment for a crime in what we need, and is the only way to prevent or check its increase.

The Superior Court.

Court convened at 9 o'clock.

The following cases were disposed of: State vs. Brown Holly, burglary. W. W. Clark with Solicitor Collins for the State, M. DeW. Stevenson and Geo. H. White for defendant. A second count in the indictment charged the defendant with larceny. The State consented to a verdict of not guilty on the first count and the defendant submitted to a verdict of guilty on the second count. Sentenced to five years in State prison.

Sam Evans, convicted for obstructing A. & N. C. R., was brought into court and sentenced to seven years in the State's prison.

S. A. Edwards, convicted of disposing of mortgaged property was brought into court. Upon making satisfactory arrangements to pay the mortgage debt. Judgment was suspended.

State vs. Job Manly and Wm. Slade; larceny. L. J. Moore and W. E. Clarke for defendants. Simmons & Manly and P. H. Pelletier for the State.

This is the most hotly contested case during the court. The entire evening was consumed in examining witnesses. At the close of the testimony court took a recess until 9 o'clock this morning when arguments by the counsel will be made.

Tales Jurors.
The cases being tried at the present term of the Superior Court are tried almost entirely by tales jurors. When the grand jury was drawn out there were only eight jurors left to make up the petit jury. Where were the other ten required by law? It seems to be a favorite plan in Craven to try criminal cases with tales jurors. This is all right, provided the sheriff can get the right sort of talesmen. Judge Phillips very properly called the Sheriff's attention to the fact yesterday morning that the law required a tales juror to possess all the qualifications of a regular juror and the additional qualification of being a freeholder. A tales juror then, is required to be of good moral character and of sufficient intelligence. But it is well known that a large number of our best citizens are exempt from jury duty on account of their connection with the fire department and it is difficult for the Sheriff to obtain talesmen who have all the qualifications, namely: good moral character, intelligence, freeholders, paid taxes for last year and not having served as a juror in the court within the last two years.

This thing can be remedied by the county commissioners drawing and summoning a larger number of regular jurors. The time wasted in obtaining jurors by calling in by-standers who are in many instances rejected because they are not qualified in some respects, will more than counterbalance the cost of a larger number of regular jurors. The law now limits the number to three-six (there were but twenty-six at the court house last Monday morning ready for duty) but we hope that some one will draw a bill and submit it to the next General Assembly, so amending the law as to leave it discretionary with the county commissioners how many regular jurors to draw for each term of the court.

Letter from Elizabeth City.

November 30, 1885.

EDITOR JOURNAL.—I am beginning to have some hope for E. City after all. Since my last letter to the JOURNAL, the worthy citizens here have organized a Commercial and Mercantile Club, a group I believe to one already existing in New Berne; the object being to promote the prosperity of Elizabeth City, and vicinity.

This is a step in the right direction, well calculated to cheer the heart of new citizens. In the ranks of the battle of life, as well as in the lessons of school days "not to go forward is to go back."

People like to live where the watchword is Excelsior to be one of a lively and stirring community each following the poet's advice to be "up and doing with a heart for what is what the South want, but people, especially people with money—ah! that's what is wanting—well they won't stay where the 'lotus eaters sit, and dream."

The ladies here are making laudable efforts to improve the cemetery, they meet with good wishes from everybody, and are likely to succeed.

I believe the JOURNAL grows more interesting every week. I have greatly enjoyed the descriptive letters of L. C. Vass, on the subject of Bern, Switzerland. Surely these interesting letters should be produced in book form, placed in the library, and the children told of the importance of knowing the history not only of New Berne, their native city, but of Bern, the home of their ancestors.

Raleigh goes quite out of its way to glorify Sir Walter, (who never set foot on the land), why then should not New Berne remember De Graffenried?

I was sorry to see the *Biblical Recorder* out against Mrs. Chapin. I need hardly protest, I'm not thinking of voting, I'm sorry because I liked her views on temperance, especially in regard to the introduction of the study of the Hygiene in the public schools; but why not adopt the suggestion anyhow?

I am delighted with Mr. Oliver's masterly treatment of the silver question. He seems to me to have the best of the argument all ways. He is on the right side, America for herself!

"Norfolk's" letter on the importance of a new railroad, via Elizabeth City, has been read with interest, and a gentleman who knows something of Onslow county will address the Commercial and Mercantile Club on the subject at the next meeting.

One thing more in the JOURNAL has interest for me, to see on the Roll of Honor the names of the dear little children who were in my class drawing and water colors last spring.

With best wishes for them and other New Berne friends, I remain,
Yours truly,
MRS. ANNIE M. HUMPHREY.

Stonewall Items.

Louis Henries died at his home on Tuesday, the 24th inst. Tully B. Spruill, aged 6 years and 7 months, son of Albert Spruill, died at his home on the 25th inst. of hemorrhagic fever.

On Thanksgiving day, Judge Shepherd, accompanied by Burney Tingle and Festus Miller, two of Pamlico's best hunters, accompanied by many others and a lot of hounds, hid away to Smith creek for a deer hunt. Mr. Benj. O'Neil reports many deer but many other things were shot, such as targets, dollars, etc. After the hunt was over they congregated at Mr. C. M. Caroon's, where they served a good Thanksgiving dinner, and all got back safe and sound and well pleased with the day's recreation.

On Monday of court week Jas. T. Lincoln and son went out of the corporation of Bayboro to settle their difference, but when they got opposite B. F. Mayhew's house could not go farther, so they piled in and wound up by the son's being bruised and pretty bloody and Jim with a sprained wrist. No other damage done. On the same day or the next W. N. Pugh, J. P., and Elijah Lupton had a small bout with little damage and but a small amount of blood spilt. Lupton charges the whole cause to Mr. John Barker Corn. Well, that fellow has any amount laid to his presents. C. C. Taylor, of the JOURNAL, and B. W. Cobb, the "possum man" of the Messenger, were on hand and seemed to be doing well, and especially Cobb, for it was said he eat all the "possums" that could be had; the last I saw of him on the court ground, he had a quarter of one in his coat pocket and said all he liked was a little possum able to report.

Judge Shepherd held our court last week to the entire satisfaction of all who paid any attention to the court. There was but one penitentiary case on the docket, one Sam Gibson, negro, for stealing one bale of cotton from Nelson Caroon who was promptly convicted and as promptly sentenced to three years in the pen. There was two cases for trading mortgaged property, G. S. McCleese and Bob Mewbene, colored; both convicted; judgment suspended by their satisfying their mortgagor, which they both did. Hardy Moore, a negro preacher, was convicted of slandering a negro school marm and sentenced to jail for ten months or pay a fine of one hundred dollars and cost. He is now in jail awaiting for next Monday for the meeting of our county commissioners, to see which he will do. John Davenport was put in jail for refusing to pay the cost in a bastardy case. Wm. Potter, sr., secured a verdict for one hundred dollars and cost for damages to his crop by his neighbors who drain land from above his.

A LIBEL SUIT AGAINST THE N. Y. WORLD.
NEW YORK, Dec. 3.—Mayor Wm. R. Grace has begun libel suit against Joseph Pulitzer and the New York *World* for \$50,000 damages in the Superior Court. The complaint was filed today, and sets forth that Joseph Pulitzer has libeled Grace in his paper at various times during the last six months. Pulitzer was arrested in the afternoon and taken to the sheriff's office, where he gave bail in \$5,000 and was released.

FIGHTING CHINESE IMMIGRATION.
SAN FRANCISCO, Dec. 1.—A convention of the Knights of Labor was held here last evening to adopt measures for the prevention of further immigration of Chinese into the United States. Delegates were present from nearly every trade organization on the coast. Resolutions to systematize anti-Chinese movements in every city and town, and calling on the labor organizations in the East to extend their sympathy and aid, were adopted. The Pacific coast Congressmen will be requested to aid in the passage of an act to effectually prevent the arrival of any more Chinese. The customs report just issued shows that since the passage of the Chinese Restriction act in 1882, 18,000 Chinese have landed at this port, and that nearly 4,000 have been permitted to land without the legal customs certificate.

TRAVELS OF CANADIAN PHOSPHATES.
OTTAWA, Dec. 1.—It has been discovered that a large part of the phosphates exported from Canada to England and Germany is reshipped to the United States as British and German phosphates. It is understood that the American Consul at this place, in his next report, will point out the absurdity of forcing Canadian phosphates to make two trips across the Atlantic before entering the United States.

FOREIGN.
ZORILLA STARTS FOR SPAIN.
BORDEAUX, Dec. 1.—Senator Zorilla, the Spanish agitator, has started for Spain for the purpose of fomenting a rising in favor of a republic.

MADRID, Dec. 1.—The new Cabinet has accepted the Pope's settlement of the Caroline question.

FRANCE AND TONGKIN.
PARIS, Dec. 1.—M. Fatenotte, the French Minister to China, appeared today before the Tonquin Committee of the Chamber of Deputies, and spoke in favor of the continued occupation of Tonquin. He said that the evacuation of that country would be a cowardly and dangerous proceeding. China, he declared, was well disposed toward France.

THE BRITISH CONQUEST OF BURMAH.
LONDON, Dec. 1.—The British expeditionary force under Gen. Prendergast has arrived at Mandalay, the capital of Burma, without any resistance being offered by the Burmese. Lord Dufferin, the Viceroy of India, has telegraphed to the home government that he has arranged to administer the Burmese government provisionally in Queen Victoria's name. The Europeans who remained at Mandalay on the outbreak of hostilities are safe. The surrender of King Thebaw was unreserved. He wanted terms, but his request was refused and his unconditional surrender demanded. He then acceded to the British demands.

"I have thee on the hip," cried rheumatism seizing his victim and tossing him on a suffering bed. "Not so," he cried, "not so! Wait, my ancient foe, just five minutes, until the boy brings a bottle of Salvation Oil, then we'll see who wins the day."

The Doctor's Last Happy Resort.
EVANSVILLE, IND., Jan. 11, 1882.
I recently had a very difficult case of Consumption. I treated it in the most scientific manner possible, but to no effect; patient grew gradually worse. Rather than give her up, and as a last resort, I decided, much against my wish, to use a remedy that had cured one of my former patients. Greatly to my surprise, the patient began to gain, and in a much shorter time than I dared to ever expect, she was completely cured. The name of this remarkable remedy is Dr. King's New Discovery for Consumption. I now use it altogether in my practice.—*Leading M. D., Evansville.*

A Little Gold was Spent.
Mr. Z. A. Clark, of Atlanta, Ga., in speaking of \$480.00 in gold, desires to say to the readers of this paper, that the whole of the above amount was spent in a fruitless effort in finding relief from a terrible Blood Poison affecting his body, limbs and nose—presenting ugly running ulcers. He is now sound and well, having been cured by the most speedy and wonderful remedy ever before known, and any interested party who may need a Blood Purifier will learn from him that three bottles of B. B. B. restored his appetite, healed all ulcers, relieved his kidneys, and added twenty-five pounds to his weight in thirty days.

Better than Real Estate

There are very few investments better than real estate, but we know of one that is, and that one is a policy in

THE FIDELITY MUTUAL LIFE ASSOC'N OF PHILADELPHIA.

The policy can be bought at the rate of \$22.00 for \$20.00.

It needs no cultivation or repairs, and the yearly tax on it, levied tri-annually, is not as much as the tax on real estate of like value. Upon the death of the owner, the policy does not require appraisals, appraisers and lawyers to diminish the value, but is paid in FULL AND AT ONCE without expense to the beneficiary named therein.

The payment of each policy is guaranteed by nearly \$10,000,000 of assets, and a reserve fund of \$2,000,000, and each asset of nearly \$200,000.

The Association owns its own building, and rents enough offices to have its rent free. Its expenses are limited to fixed annual dues. Incorporated, December, 1853. Home Office, 91 Walnut Street, Philadelphia, Pa.
