THE JOURNAL.

NEW BERNE, N. C. JAN. 7, 1886.

ONE RESULT OF THE ELECTIONS.—Among the valuable results of the recent election has been the increase in the Prohibition vote and the reduction in the majorities of the parties heretofore controlling the several States. Mr. Hill was chosen Governor of New York by about 10,000 plurality. This State, which used to have 60,000 Republican majority, will hereafter be classed as doubtful. In all the States the parties are getting to be more evenly balanced. In New York City, for instance, where the Democrats had two votes to the Republicans' one, changes have occurred which are largely increasing the one vote and diminishing the other. This state of things puts the parties on their good behavior, and will permit in time the Prohibitionists to hold the balance of power and dictate terms to the rival party organizations, and eventually wipe one of the parties out of existence. —Democrat's Monthly.

When old Mrs. Gravedown read about the cremating of a score of human bodies, she exclaimed: "Only to think of such going on! It is a burning shame!"

Better than Real Estate

There are very few investments better than real estate, but few know of one that is, and that one is a policy in

THE FIDELITY MUTUAL LIFE ASSOC'N OF PHILADELPHIA.

The policy can be bought at the rate of \$100 for \$10.00. It insures the policyholder against death, and the proceeds are paid to the heirs or to the policyholder if he survives. Upon the death of the owner, the policy does not require appraisers, administrators and lawyers to diminish the value, but is paid to the beneficiary named therein. The payment of each policy is guaranteed by nearly \$10,000,000 of assets with a reserve fund of \$300,000, and cash assets of nearly \$50,000. The Association owns its own building, and rents other offices to have its rent free. Its expenses are limited to fixed annual dues. Incorporated, December, 1878. Home Office, 914 Walnut Street, Philadelphia, Pa. Send name and address for treatise on plan.
