Burned to Death and Restored to Life. I know off a man near Maxey e. Gs., who for ten or twelve years was almost a solid sore from head to foot. For three years his appearance being so hor-ribly repulsive, he refused to let any one see him. The disease, after eating his flesh, commenced on his skull bones. He tried all destore and medicines without benefit, and no one thought he-oould possibly recover. At fast he be-gan the use of B. B. B., and after using ix bottles, his some wars all healed and he was a sound man. He looks just like a man who had been hurned to death and hean restored to life. The best men of the county know of the case, and several doctors and metrihants have spoken of it as a most wounderful case. Joint CRAWFORD, Druggist, Athens, Ga. I know of a man near Maxey's, Ga.,
