

BARGAIN—A gainful or satisfactory transaction."—Webster.

We repeat with emphasis, everything formerly mentioned in this column calling attention to the many "Bargains" with which our store is packed from the bottom to the top, and after reading the above definition of this much discussed word, we hope, if you want "gainful or satisfactory transactions," that you will visit our "Bargain Store."

We have cheap or low-priced goods for those wanting goods of such character, and medium or fine goods for those wanting such kinds, but do not discriminate against any class of trade. Our store is for the public and we at all times welcome any in search of Bargains.

As to competition with the "large and imposing houses that are in our city," we would say that our building is much smaller than we would like it to be, but if you compare what is in it, with other stores, think you will decide that goods with us are abundant.

We are grateful and thankful for past favors, and a continuance of your valued patronage is most earnestly solicited.

FOR FRIDAY AND SATURDAY:

Good quality 4-4 Bleached Domestic for 6 1-2 cents, worth 8 cents.

T. ARCHON Laces, 12 cents for 12 yards.

Our Shoe stock is now complete.

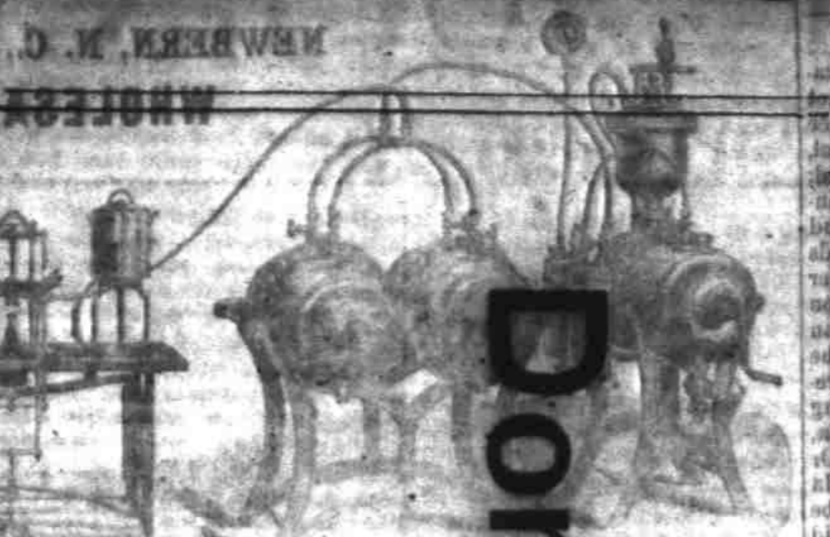

Come to see us for all kinds of Goods, and we will satisfy you. Samples furnished upon application.

SATURDAY, we propose to give you a drive in Men's, Youth's and Boy's Straw Hats. If you want a Straw Hat, you can save about one-third by buying from us.

Respectfully submitted,

H. B. Duffy,
