Protect Your Wheat from Weevil.
The wheat crop in our State has been harvested under most unfavorable circumstances. Much of it was sprouted and otherwise damaged. Proper precautions should be taken as doubtless this year will be unusually active. And again, there is danger from the moist condition of the grain, that it will become musty.

Prepare scaffolds, cover with sheets and put out the wheat about four inches in depth. Let it have the full sunshine during all the warm part of the day—say from nine in the forenoon to four in the afternoon, stirring it thoroughly three or four times. Have your boxes, hogheads or bins thoroughly cleaned out and ready to receive the grain. Air them and sun them thoroughly. They should be as hot as the sun can make them at the time the wheat is put in them.

Pour it up *while it is hot*, mixing with it a handful of salt or lime to every three bushels. The wheat will keep sound and we have had very little trouble with weevil when we used these precautions.—*Progressive Farmer.*

Our Firm Belief.

ATLANTA, June 12, 1884.
It is our firm belief that B. B. B. is the best blood purifier on the market. We are selling four or five bottles of it to one of any other preparation of the kind. It has failed in no instance to give entire satisfaction. It is the secret.

A Rare Opportunity.

There are at present several vacant places on Middle and Broad streets in New Bern, that would make elegant places for **W. H. STORES**, and if some enterprising person would take them they might sell some and create a lively business. But as I have a place already that takes all my time to attend to successfully, I would say to the citizens of New Bern and the public generally that I will continue to serve them with the **VERY CHOICEST CIGARS** ever made by the **KNIGHTS OF LABOR**; there are none better if you good.
TAKERS Smoking Tobacco a SPECIALTY. The very best, Cheving, Fine and Fine Cut Tobacco, etc., etc. Call and see me. I and I can't sell but near the corner of Middle and South Front streets, New Bern.
