Col. If. B. Short, a prominent chizen of Columbus county, died at the Orton House in this city last night, about halfpast 9 o'clock, in the sixty-second year of his year. His death resulted from no specific disease, but rather from general exhaustion of the system. About six weeks ago Cole Short went to New York and, after a brief so journ in that cite; feeling unwell, he returned home, going thence to Smithville. But receiving no benefit there, he came to Wilmington, stopping at the Orton, where he was compelled to take his bed indegradually sank until he died. A Compromiss.

PITTISHUMO, Aug. 26.—An unexpected change is about to take place with our manufacturers and nailers. The lockout between them, which lasted thir teermeaths has mided in a compromise of 18 cents on a \$2.25 card. During the strike the manufacturare? 17 cent card, which they made at Cincinnati was accepted by some of the men in the Wheeling district and the factories were started. The Pittsburg nailers refused to work on the 17 cents card and did not start till a compromise was reached, which was 18 cents. I know of a man near Maxey's. Ga. who for ten or twelve years was almost a solid sore from head to foet.

For three years, his appearance being so horribly repulsive, he refused to let any one see him. The disease, after eating his flesh, commenced on his skull bones. He tried all doctors and medicines without benefit, and thought he could possibly recever. At last he began the use of B. B. H., and after using six bottles. his sores were all healed and he was a sound man. He looks just like a man who had

been burned to death and then restored to life. The best men of the county know of the case, and several doctors and merchants have spoken of it as a most wonderful case. JOHN CHAWFORD
