A Einstein ben has coffreed, in dual productions, the Republican convention which nominated O Hars and Abbet deayor to merit the confidence which for Congress at Kinsten last Wedness you have reposed in me. You have day. This hen last Friday deposited in known me long and sufficiently well as her nest two soft shell eggs connected a Republican and a worker for the together like the Slamese twins by a party's success. I have long since been ligament an inch long and the size of a your choice and the choice of the delechild's little finger. One of these eggs contains the white, and the other the yelk of an ordinary egg. The old hen enterprise is very commendable, but her productions are "no good," except

day morning. The officer who had in charge the jury that tried Job L. Stroud hat week, reported Chas. H. Brown, a practising attorney at the Kinston bar and of counsel for Strond, to the Judge for a wilful attempt to influence the jury in its verdict, in approaching said officeriate at night white in charge of his jury and saying to him and in the heating of one of the juryes. If the jury should need any instructions of advice to dail on him thus usurptus the functions of the judge. This was indigentable denied by Mr. Brown in one court under oath. Thereupon Judge Clark requested the Solicites to eard a bill to the grand jury, charging the accused with Embracery, which was
