at 4:50 p. ms. The public are condially invited to satenday

Christ Church V. W. Shields, Rector. Thirteenth Sunday after Trinity. Services at 11 a. m. and 6 p. m. The public is always favined to take part in the sarvines of this church. Ushers at the does to provide seats.

Y. M. O. A. Meeting at 8 p. m. Leader, Dr. John D. Clark, Subject: "The Christian's Lamp." Psalm 110:

Benegratic Convention.

The speaking At Vancebore.
According to appointment the can-didnies on the People's Ticket, with the exception of Mr. Lane and one or two others, met the people of Ms. I town-ship at Vanceboro yesterday and discussed the issues involved in the county canvass, in an open, fair, intelligible

and forcible manner.

There were about two bundred present, and the meeting was called to order by Mr. A. Cohn, chairman of the township Democratic executive committee, who introduced Hon. C. C. Clark, the candidate for the Senate, as

of his ability, urged the principles of marked that the editor should change He alluded briefly to the prin-word.

was again before the people.

He told the people how the county had suffered for want of proper representation in the General Assembly, and convincing. He produced a map of was in memory of a bell which hangs Craven county as it was before the war; in the tower of St. Mary Magdalen's told how the county of Pamlico had church, and is named "St. Mary's bell," been cut off, but he did not complain so but is usually known as "the poor sinmuch of that now, as Pamlico had sep ner's bell." It was July 17th it rang arated honorably, taking its share of forth its silvery peals reminding the the county debt; but another slice of the people that it was cast on that day 500 county had recently been taken off and given to Cartevet without carrying with if one cent of the county debt. He referred also to a bill passed by the last art of bell making are aware of the fact General Assembly in regard to fishing on the north side of Neuse river below tion is required, and often years were New Berne, whereby no one but those who own the soil on the banks of the river were allowed to fish. He also trip effered by the Neuse & Trent River put to great disadvantage in the arSteamboar Company to Polloksville rangement of the judicial districts, and how it redounded to the injury of the great Managas J. M. White and rious measures passed by the General the lookout to furnish convenient Assembly, Mr. Clark wanted to know reportation at low rates to all points where were Craven county's representatives. From the best information he could get they were eating ground peas. the people of the county, oppose legislation that is deleterious to her interest,

county government "bugaboe." He read from a paper the letter informing trates. Blood for blood was the law; he him of the action of a mass meeting held in New Berne in 1882, and his reply thereto. This reply has been paraded over the State as his famous "county government letter." "Now," said Mr. Clark, "after he had completed the reading, "if there is a Democrat in all this crowd who objects to a single line in that letter and says it is not good Bemoeratic doctrine, I wish Pablic Democratic Convention.

At the Democratic convention at saybore Saturday the following ticket to leave anybody in doubt about my position. When I wrote that letter I knew that I was doing something that feeds. Thos. D. Perkins; treasurer, no. T. Cooper; Coroner, W. W. Jones; nrveyor, Faul Tingle; House of Reparatives, J. B. Martin.

The convention was inreely attended not very enthusiastic and harmonious.

The convention was inreely attended not very enthusiastic and harmonious.

The convention was inreely attended not very enthusiastic and harmonious. he would just step up here and point it Democratic government. These are my convictions now. But as Republicans, both black and white, and Democrats, have told me that they did not want the present system of county government disturbed, it being not the issue in this canvass, he was willing, as the Democratio party is doing, to hold these convictions in abeyance; and therefore he would op-pose any change for the pros-

ant if it is made an issue in the General Assembly." These are Mr. Clark's words on this point as near as we remember them, and it seems to us his position is plain enough for any man to understand.

Mr. Clark's concluding remarks were

A white swallow with pink eyes has peen captured at North Hayen, Conn. The trial of the Norfolk bank officers

has been postponed until November 1st. In Great Britain last year, says the New York Ledger, there was an increase in the consumption of tea by nearly twenty millions of pounds, and a de-crease in the consumption of spirits by more than two millions of gallons.

One of the most remarkable and interesting discoveries yet made in the excavations in Egypt is the recent finding of the mummy of the ancient king,

government as marked out by the head from German text type as the the illustrious Henry Clay upon "w" in dawning was too much like an people of Craven county. "m," which would spell a very naughty

ciples held by the two great parties of A Philadelphia girl Miss Nellie the country at that time; to his position Everest, has been studying vocal music on the question of secession while a in Paris under Madame Marchesi and member of the General Assembly in has received a certificate of professor-1860; his position after the war; the ship. While there she sang before the war. From 1792 to 1868 such an overtures made to him by Republicans; Liszt, who went up to her, and taking idea had not entered into the minds of the reasons why he could not be a Re- hold of both hands, extended his conpublican, and finally, after these intro- gratulations. She says she will soon ductory remarks he came down to the return home, not to become a prima present, declared he was no office donna, nor go on the stage, but to use seeker and explained how and why he her talents and make her living in the

modest role of a teacher of music.

The beautiful little city of Breslaw Germany has just celebrated the 500th anniversary of an occurrence which in this his argument was forcible and has not been forgotten in that town. It yet be caught, unless he skips to Can years ago, under circumstances which may not prove uninteresting to briefly mention. Any one acquainted with the that in casting them the greatest of causpent in turning out only one of these monster ringers. But to the story: The founder of this famous bell was nearly descriptions can make a cheap pointed ont how the county had been ready for turning on the catch, but for some cause withdrew for a few moments, warning the boy left in charge how it redounded to the injury of the of the furnace to in no way interfere with the seething metal in the caldron. Like some of the boys of today, a spirit to interfere with what they have been strictly forbidden, got controll of this boy, and the command was disregarded. On seeing the moulten metal pour into He pointed out to the people how they the mould, the youth became frightmembers to the General Assembly who would dare to stand up for the rights of the had intended to be his masterpiece feet the devotion and fidelity of the Bulnow had an opportunity of electing ened, and called to the founder for members to the General Assembly who help. Rashing in and discovering what ruined, as he thought, so completely drove him to madness that he slew the the cost of electric search and provide search for strangers. All persons are cordially and advocate such as would advance her material and industrial interest. In this he made a strong and elequent appeal, which seemed to go to the hearts of his hearers.

In this hearers hear the sew the boy on the spot. When the hear the bell extricated it was the bell extricated it was the bell extricated it was the hear the heart that the sew the boy on the spot. When the hear the hear the hear that the hear that the sew the hear the hear that the heart that recognized his bloody work and immediately gave himself up to the magiswas condemned to die, and he went to his doom while his beautiful bell pealed an invitation to all to pray for the sinner, whence its name, "The poor sin-

Obstructive Tactics to be Discon-

ner's bell."

tinued. LONDON, Sept. 16.-The Parnellite members of Parliament, at an informal meeting today, agreed to abate their obstructive tactics after a full debate obstructive tactics after a full debate on the vote for the Iriah police, and permit the government to conclude the consideration of the estimates. The object of this decision is to enable Mr. Parnell's land bill to reach a second reading on Monday. Mr. Gladsone will speak in the House on Tuesday. At the opening of the next session the government intends to introduce new rules of procedure to prevent the obstruction of business.

Married to Gen. Booth's Son.

London, Sept. 16.—Miss Charlesworth, whose enlistment and detention in the Salvation Army against the wishes of her parents led to such an outcry against the Booths some time ago, was married today at Clapton to Gen. Booth's son. Thousands were present, including Miss Charlesworth's sisters, but her father was absent.

The Salvation Army had a great torchlight demonstration in London tonight in honor of Gen. Booth, who departs tomorrow for the United States.

Disastrous Fire Caused by Lightning. St. PAUL, Sept. 16.—A dispatch from Eauclaire says: The Chippewa Lumber and Boom Company's saw mill at Chippewa Falls, the largest in the country, was struck by lightning at 3 o'clock this morning and completely destroyed. Lose \$250,000; partially insured.

ADVICE TO NOTE

Kinston Items.

The prevailing epidemic in this section of country is political soreheadism. The disease "threatens to disrupt every tie" that binds together all parties.

The prohibition convention last Wednesday chose cabbage instead of sugar. The convention sticks to its fundamental principles—it "takes no sigar in theirn."

F. C. Loops, Esq., is "home again," and partially restored in health and activity. Courting operations will now soon be renewed among the widowers of this town.

Miss Helen C. Bryan, who for several weeks has been on an extended summer visit among friends at Charlotte, Raleigh and other cities of the State, returned home last Thursday. A colored minister here prophecies

the severest earth shock is yet to come. There is soon to be a peculiar twist of the earth, which will take off seven Southern States among them is North This is a bountiful producing year for

grapes. The scuppernong is now too cheap and plentiful to be a luxury. The market is overstocked. If not to be made into wine, why did a bountiful Providence provide such an abundant crop/

Your Trenton Itemizer is a good soul who need not take on so seriously at the idea of "war in heaven." It is nothing more than Milton's poetical conception. Our co-laborer may, therefore, quiet his nerves there is no real war or snakes either in that happy region. Let him make the trip thither, if he can.

The railroad section master, Mr. White, had the misfortune last Thursday to lose twenty dollars in money and his gold watch chain, both being taken from his trunk in his sleeping-room during his absence. Certain persons are suspected, and the sneak thief may ada or elsewhere.

The learned Kinston boys, who recently started afoot to Charleston to investigate the earthquake, reached White Hall in Wayne county, where, becom-ing wearied with the pursuit of scien-tific knowledge, they borrowed of old man Whitford a small river craft, in which they paddled their way home, only to feel the force of an electrical shock, which may furnish them an opportunity of studying seismic disturbances "on a penitentiary rock.

President Cleveland Going to Buffalo. BUFFALO, Sept. 15 .- A despatch from Saratoga says that the special car to President Cleveland and party out of the woods passed through there today. The President will not proceed direct to Washington, but will first visit Buffalo, as Mrs. Cleveland is desirous of seeing friends here, and the President also wishes to visit Secretary Man-ning and friends who are at present here. The party is expected to remain in Buffalo several days.

Asked to Protect Bulgaria. LONDON, Sept. 16 .- In the Bulgarian Sobranje teday it was resolved, after much opposition, to send a telegram to the Czar saying that Bulgarians would garian people. The hope is also ex-pressed that friendly relations between Bulgaris and Russia will be resumed. de. The hope is also exand that the Czar will defend the Bulgarians in their aspirations for union and independence. After a heated dis-cussion the expression "defend the Bulgarians" was substituted for "protect the Bulgarians," as originally drafted. The sum of \$20,000 was voted to defray Prince Alexander's traveling expenses.
The St. Petersburg Official Gazette
publishes a dispatch from the Russian consul at Sofia, stating that on the Czar's fete day delegates representing the ex-archate, all the members of the Bulgarian covernment and a large number of the deputies to the Sebanje went to the Russian consulate and presented congratulations to the Czar.

Wost Excellent.

J. J. Adams, Chief of Police, Knox-ville, Tenn., writes: "My family and l are beneficiaries of your most excellent medicine, Dr. King's New Discovery for consumption; having found it to be all that you can claim for it, desire to testify to its virtue. My friends to whom I have recommended it, praise it at every opportunity."

Dr. King's New Discovery for con-

sumption is guaranteed to cure coughs colds, bronchitis, asthma, croup, and every affection of throat, chest and lungs. Trial botsles free at Hancock Bros. drug store. Large size \$1.00.

The Cholera.

BAN FRANCISCO, Sept. 16.—Advices have been received by the steamer Gaelic, from China and Japan, as fol-

lows: Total number of cholera cases through-

Total number of cholera cases throughout Japan, since its first appearance this year, 50,000, of which 37,000 resulted fatally. The indications are that the epidemic is now abating.

Intelligence from Bront, Corea, says the cholera is still raging in that city. According to the official returns, the fatal cases for July this year, were 48,600, out of a population of 250,000. Outside of the capital the epidemic is equally fatal.

Destructive Storms.

INDIANAPOLIS, Ind., Sept. 16 .- A dispatch from Terre Haute says: At 11:30 today a cyclone struck this city, coming from the southwest. For fifteen min utes the wind blew a hurricane, filling the air with missiles. The storm was confined to the central portion of the city. Numerous large buildings were unroofed, and the min which followed did great damage. A careful estimate places the loss at \$45,000.

The canvas of a circus was blown down and the large audience left in the storm. Many of the actors were in the dressing-room half nude, and they made a brisk movement up the street for the nearest hotel. Several hundred people were at the fair grounds. An esting-house was blown down and the wreck caught fire, severely burning a woman and a boy. No fatalities oc-

A special from Newport, Vermillion county, reports six or eight buildings destroyed, but no lives lost. The damage reported along the Wabash Valley great and will aggregate over \$90,000.

About 11 o'clock this morning a vio lent wind storm struck Montezuma, Park county, this State, but did no damage beyond unroofing a number of houses and uprooting shade trees

Opening of the Reichstag. BERLIN, Sept. 16. - The Reichstag was opened today. The speech from the throne was read. It was confined to an explanation of the objects of the com mercial treaty with Spain. The presi dent and vice-president of the last Reich stag were re-elected.

Opposed to the Jesuits.

Rome, Sept. 16.-The Pope's course in favoring the Jesuits has caused general dismay. It is proposed to hold public meetings in Reme and other towns to urge the government to inexorably en force the laws against the Jesuits

Landslide in West Virginia PITTSBURG, Sept. 16 - A large rock verhanging the mountain side in Jack son county, W. Va., yesterday became detached and rolled down. The dwelling and barns of Lostie Cummins were de molished. Cummins' son Frank and a hired man, Edward Jenks, were killed outright-two other children of Cummins were so badly hurt they will die Several horses were also killed

The San Domingo Revolution.

HAVANA, Sept. 15 .- Advices from San Domingo of the 22d ult. say that the revolution there had lost ground that the advantage was all with the Government, and unless something extraordinary happened the revolution would soon be crushed.
