A "Practitioner" sends something in reply to our comments on a communication recently copied from the New York Medical Record on State regulation for the practice of medicine. He says we failed, like all others, to give one solitary idea of our position, and winds up his communication by asking for some broad and common sense views of the matter.

Now we have so desire for a contro

versy with "A Practitioner" or any ber of the medical fraternity, be cause we do not feel competent to en gage in such controversy, but it cer tainly does not seem very broad or very much like common sense to assume that the General Assembly of North Carolina was buildozed by a few older members of the medical profession into passing an act simply for the purpose of choking off the younger members of the profession. We presume that the members The A. & N. C. R. will run a special of the General Assembly were influat large from incompetent men who assume the practice of medicine and surgery without proper qualifications, and not by a desire to injure any worthy man, young or old, who is properly qualified for this responsible profession.

Bribery at Elections. There has been so much talk of brib ots are that the Democratic ticket ery and corruption in the politics of Craven county, perhaps it would be well to publish the law on the subject. It will be seen that both the giver and re 2716 of volume II. of the Code reads as follows:

"Any person who shall, at any time before or after an election, either di in order to be elected, or to procure any other person to be elected a member o the general assembly, or to any office under the laws of this State, shall for feit and pay four hundred dollars to was with Mr. Simmons in his canvass of Jones county, and we learn made a very and shall be guilty of a misdemeanor; and shall be guilty of a misdemeanor; and any person who shall receive or agree to receive my such bribe shall also be guilty of a misdemeanor."

a few straggling ones behind yet. think it a good one. Whenever a man's general disturbance shall occur or not schools make things appear quite secure for him an office, the days of many than any of the other nations, strike might at any moment be ardered. It and all lovers of peace should first under free time. In the iron business, as in shard matter to prove a case of brib—obligations to her if hostilities are every other branch of industry, much on a trip to New York, and is ery where both parties are willing to avoided.

The 143d Bond Call.

afternoon issued the 143d call for the redemption of bonds. The call is for 515,000,000 of the 3 per cent loan of 1832 and notice is given that the principal and accrued interest of the bonds designated will be paid at the treasury November 1, 1886, and that the interest on mid bonds will cease that day. Three months' interest, due November 1, 1880, on the above described bonds will not be paid by checks forwarded to the holders of bonds, but will be paid, with the principal, to the holders at the time of presentation. Parties holding bonds called by this circular can obtain mediate payment, with interest to have of presentation, by requesting the ame in the letter forwarding bonds for edemption.
