### Scenes Incident to the Inauguration of the Bartholdi Statue.

New YORK, Oct. 28 .- The rain storm which prevailed all day yesterday inauguration of the Bartholdi statue. A slight fog hangs over the city and obscures in a measure the elaborate and American flags are flying from house tope and windows in every direc tion, and a general holiday appearance is represented by the moving bodies of soldiers, militia and civic organizations and by the collection on the sidewalks of great crowds of people.

The decorations of the City Hall are very elaborate. Long streamers and flage have been hung from the Federal building opposite, along the main street through which the procession will march. A magnificent arch of ever greens, flags and mottoes is erected in front of the World building, which is hose. Twenty-five cents a bottle testafully decorated with flage and jan94dtuthsatw'y bunting.
