**Harrah for Simmons!**  
Neither side felt safe in doing much "hollering" yesterday.

**The President has designated Thursday, Nov. 25th,** as Thanksgiving day.

**It is reported that ballot box stuffing** was put in practice at some of the precincts below.

**The occupation of the political striker** is gone and the "abort" gang must seek other fields and pastures new.

**Mr. Killey Terry wants ten million** feet of logs at Stella, Carteret county. **Hope some one will take the job.**

**C. E. Slover advertises groceries** of which he keeps a fresh and choice stock, receiving them by every steamer.

**Lenoir county elects its entire Democratic** ticket except the county treasurer. Simmons gets one hundred and seventy-five majority in the county.

**Oaslow Superior Court convenes next** Monday, Judge Clark presiding. Our delinquent subscribers will find our agent, C. C. Taylor, there ready to wait on them.

**A chimney on fire opposite the JOURNAL** office last night caused some one to squall fire and others to heel it to the engine house, but the policeman at the station knew enough not to ring the bell.

**This has been a big off year in politics** in Craven. It looks as if the vote will be as large as in 1884. It was thought that a new registration would cause considerable falling off, but the Democrats knew their duty and did it well; of course when we say this it is understood that we except the bolters and those who were afraid they wouldn't be on the big side. They will not do for leaders.

**The Democrats of Nos. 1 and 2 townships** did nobly in the recent election. When they understood the coalition movement and saw that it was for the good of their county they went to work like men and like patriots. From the time Mr. Clark opened the canvass at Vanceboro they have been almost a unit for coalition, and they are today better Democrats than Buck Kichin who thinks a Democrat ceases to be honest when he coalitions with Republicans for the common good of his community. Three cheers for the Democrats of 1 and 2 townships.

**The Election in Craven.**  
From reports thus far received it will take the official count to determine the election in Craven county. It is charged that there is evidence of fraud, intimidation and other irregularities at some of the precincts. The board of canvassers meet today at the court house to canvass the vote and announce the result.

**The Craven County Vote.**  
The following is the vote as far as heard from in this county for Congress and the legislative ticket. This is subject to revision as it is not official. There are yet three precincts to hear from. For Congress, F. M. Simmons 1906, O'Hara 1450, Abbott 545. For Senate, Clark 1063, Green 1698. House, Lane 1592, Hunsy 1621.

**The board of canvassers will meet** today and canvass the vote. Tomorrow we hope to give it officially.

**Personal.**  
Mr. W. F. Rountree and family have returned from a visit North.

**J. C. Bryan, Esq., of Jones,** is in the city on his way to the Goldsboro Fair. Messrs. S. W. Forebee and J. F. Cowell passed through the city yesterday for the Goldsboro Fair.

**Dr. F. P. Gates, Mr. B. F. Mayhew,** Sheriff Hooker and Mr. C. H. Fowler, of Pamlico, arrived last night and they confirmed the report that Dawson, independent candidate for sheriff, is elected and that Latham's majority will be 675 or 600 in the county.

### Graham and Reid Defeated.

### Simmons Elected.

### The Legislature in Doubt.

[Special to JOURNAL.]  
RALEIGH, N. C., Nov. 3—9:40 P. M.  
Returns to this hour are so full that results may safely be assured. Republicans have made heavy gains in some districts, in others suffer decided reverse. In first district Latham's majority appears to be about 1500; in second Simmons has a handsome plurality over O'Hara and Abbott; he so telegraphs and the vote for him so far as reported shows he is correct. In fourth district the Democrats suffer heavy reverse; Nichols is elected by six hundred majority with Nash not heard from. In Alamance the vote is so close that official count is necessary. In the fifth district Reid is badly beaten by Brower, whose majority is said to be 2,500, possibly 3,000. Rowland overwhelmed Charles R. Jones in sixth district, and Johnston is asserted to be safe in the ninth. The Democrats thus carry first, second, third, sixth, seventh, eighth and ninth districts, and Republicans fourth and fifth. The result is a surprise to both parties. Congressional matters being thus practically disposed of, interest centers on the legislative ticket. The Republicans are making heavy gains and claim that they have a majority in the House. This claim is openly made by Logan Harris, acting chairman of their executive committee. Democratic view of matters is that Republicans, so far as heard from, have gained ten Senators and twenty members of House. The outlook is for further gains for Republicans. Davidson county goes Democratic—quite a victory. Swift Gallopway is beaten for Solicitor in this district. F. A. OLDS.

Columbia, Nov. 2.—A clean Democratic sweep, apparently. There being no opposition to the Democratic candidates for Congress in the first, second, third, fourth, fifth and sixth Congressional districts, in this State. The election was quiet and the vote very small, not more than one-third, if so many, were polled in the seventh. In the only remaining district, known as the black district, now represented by Small, negro Republican, the situation is different. Small is a candidate for re-election and is opposed by William Elliott, white Democrat. The whites will have a number of leading influential negroes have made a strenuous effort to defeat Small with a good chance of success. So much so that it cannot be

## An Important Decision.

WASHINGTON, D. C., November 1.—A decision was rendered by the Supreme Court of the United States today in what are known as the Pacific National Bank cases, brought here by appeal from the United States Circuit Court of Massachusetts. There were suits instituted by the receiver of the insolvent Pacific National Bank of Boston against stockholders of that bank to enforce personal liabilities for assessments of 100 per cent. upon the shares of both the original and increased capital stock of the bank standing upon its books in their names. The Supreme Court, in its decision today, holds that the stockholders are liable upon their shares of increased capital stock and that the judgment and decrees of the Circuit Court in favor of the receiver must be affirmed in all the cases.

## Cotton Overboard.

The steamer Elm City, Captain Salters, which arrived this morning from North Carolina, reports that Saturday morning about 6:30 o'clock, while in the cut in Albemarle Sound, between Ferebee's Island and Mackey's Point, the barge Jenny Reed, which was in tow, ran against one side of the cut and careened over so as to throw a large part of her cargo of cotton overboard, and in rebounding the opposite side of the barge dipped, throwing off an additional number of bales. The Captain states that the steamer and barge had together 653 bales of cotton, partly for Norfolk and for Northern ports. He thinks that about 300 bales were thrown overboard and as a strong westward wind was prevailing the cotton drifted to the eastern shore.—Norfolk Ledger.
