F. M. Simmons' Vote.

By some means or other a telegram from Raleigh got in with the press dis patches on Thursday night to the effect that I. B. Abbott was elected to Con gress from the 2d district. The official vote shows Simmons' plurality to be 1858 over O'Hara

By analyzing the vote in Jones. Lenoir, Greene and Halifax we find the following facts:

In Jones, where the Democratic ticket was defeated by about two hundred, county by 43 majority. In Lenoir, where the highest Democratic majority was almost solid for O'Hara, Abbott receiving but 31, Simmons' majority was 282. In Greene, where the entire Democratic ticket was defeated and the

it advocates for office. We have never thought it necessary to carry our politics at the head of our paper. We leave to the intelligent reader to judge for himself by the utterances in its editorial columns whether it is Democratic or Republican; or whether it is a newspaper containing the news, condemning whatever is wrong in public officials whether committed by Democrats or Republicans or whether it is a blind, partisan sheet with its columns filled with abuse and inconsistencies, covering up the faults of its own party and exagerating those of the opposite; intolerant, vindictive and untruthful. We say we are willing to leave our readers to judge for them selves of the politics of the JOUENAL, and if the Free Press has not the intelligence to appreciate and understand us, why then we are only sorry that we cannot express our thoughts in plainer words

But the Frie Press has heard that the editor of the JOURNAL wanted to do something for Mr. H. L. Taylor, the Republican candidate for sheriff of Lenoir county. We don't see how what we had to say to Mr. Mewborre in private conversation can be of any benefit to the Free Press in determining the politics of the JOURNAL, but as it has seen fit to refer to it, we propose to give it

the full benefit of it. We did tell Mr. Mewborne that we wanted to say something in reply to the abusive paragraphs her. against Bruton Taylor in the Free Press but would not do it because we thought the Democrats of Lenoir would take it and where the Republican vote was that we were interferring with their solid for O'Hara, Simmons carried the canvass in behalf of the Republicans. Mr. Mewborne assured us that Mr. Taylor was held in the same esteem by reached 155, and the Republican vote the good people of Kinston and Lenoir that he was when we lived there, notwithstanding the insulting paragraphs Democrat. in the Free Press, and that many Democrate were going to vote for him.
