#### Seribner's Magazine.

The first number of this magazine will be issued December 15th the well known Charles Scribner's Sons, publishers. An article on the downfall of the French Empire, by United States ex-Minister Washburn, will appear in the opening number and will be of apecial interest. Mr. Washburn was the only minister of any of the leading nations who had the courage to remain in Paris during the siege and Commune and while the Republic was being established Alro there will be published at an early date the much talked of Thackeray letters. The prospectus

gives promise of a bright future and a valuable acquisition to American liter-

Escape of Prisoners.

#### On Saturday night last the prisoners

in the juil at Trenton, Jones county. made their escape. Only two were confined at the time, John Green, col. under sentence of death for burglary. and George Jones, white, sent there by the U.S. district court and who had served out his term several days ago but no order for his release had been sent.

How they escaped seems to be a mystery. The jailer, in conversation with a JOURNAL representative on Monday. stated that he attended the jail on Saturday evening and fed the prisoners as usual. Green was locked up in the cell while Jones was allowed privileges outways. She has done valuable service side the cell. He says he locked the for the company during the dry fall, cell and outer doors as usual and carbeing the only bost on the line to ninke ried the keys to Mr. Brogden's store and deposited them in the safe where It was reported in the city yesterday they were usually kept. Sunday morn-

open where they made their escape. The mystery is, how was the cell door

#### Commissioner's Proceedings. The board of county commissioners
