The next session of the N. C. M. E.  
Conference goes to Fayetteville. New  
Berne must wait at least another  
year for her turn.

The finance committee of the A. N. C.  
C. R. was in session yesterday. They  
report the finance of the company in a  
healthy condition.

Rev. J. T. Harris, of the New  
Berne district, will preach services at  
the M. E. Church in this city tomorrow  
morning and at night.

The Atlantic Hotel at M. Belmont's  
was sold on Thursday and the "Large  
Sportsmen" from this city are unable to  
give us any particulars as to prospective  
purchasers. It is no doubt however  
in such hands that will have it in first  
class order for next summer.

A quotation party was held at Mrs.  
Manly's school room last evening. The  
subject was "Love," and many beau-  
tiful and apt quotations were read.  
Quite a number of ladies and gentlemen  
were present to hear the readings, and  
the evening was spent pleasantly and  
profitably.

**Personal.**  
Harry Stevenson has returned from a  
trip to Providence, R. I.

Maj. Gordon, of Egypt farm, called to  
see us yesterday.

Dr. J. P. Bryan, of Kinston, was in  
the city yesterday attending a meeting  
of the finance committee of the A. N. C.  
C. R. Co.

**No For Liverpool.**

Mr. J. V. Williams informs us that  
he will give a through bill of lading on  
cotton from New Berne to Liverpool by  
the next trip of the Elm City to Norfolk.  
In this connection a cotton compress has  
been suggested for New Berne, and we  
don't see why it would not pay to have  
one. About fifty thousand bales of  
cotton pass through New Berne to Nor-  
folk and other points North annually.  
We are not familiar with the cost of a  
compress, nor with the amount saved  
by the process in shipping, but it strikes  
us as a matter worth investigation.

**The County Statement.**

We complete today the publication  
of the annual statement of county ex-  
penditures. Compared with the report  
published last year it is a good showing,  
but there is yet room for improve-  
ment. The total amount expended  
from Aug. 31st, 1884, to Nov. 30th, 1885,  
covering a period of fifteen months  
was \$18,176.21. The total amount ex-  
pended from Dec. 1st, 1885, to Nov.  
30th, 1886, covering a period of twelve  
months, is \$10,710.73. For the year  
ending Aug. 31st, 1885, the time when  
the fiscal year formerly ended, was  
\$18,248.05, a difference in favor of the  
year just closed of \$4,627.32.

**Public Debate.**

The Hermetian Literary Society, an  
organization sustained by our young  
men for improvement in literary pur-  
suits. When the present generation of  
young men from the stage of action  
have passed, it will be a matter of course  
that the subject for discussion was  
"Should Labor Organizations be En-  
couraged?" The affirmative was sus-  
tained with much vigor by Messrs.  
Samuel Brinson and Walter H. Willie,  
while the negative was zealously and  
strongly presented by Messrs. F. W.  
Hall and A. Shepard Bryan. The  
decision of the judges was in favor of  
the negative.

Our older citizens should encourage  
these young men in their literary pur-  
suits. When the present generation of  
young men from the stage of action  
have passed, it will be a matter of course  
that the subject for discussion was  
"Should Labor Organizations be En-  
couraged?" The affirmative was sus-

the negative.

### Death of Dr. W. H. Barker.

Our community was startled last  
night at the news, which quickly spread  
through the city, of the sudden death  
of Dr. W. H. Barker, which occurred  
at about midnight at the residence of  
Mr. Thos. Daniels, where he and Mrs.  
Barker were on an evening visit.

A few days ago while walking along  
the river bank with Mr. Daniels he  
suffered a stroke of paralysis of the  
face and limbs. For some time past he  
has had his fingers and his days on  
earth were numbered. That he was truly  
a good man, and a true friend, is  
evident to all who knew him.

Dr. Barker was 52 years of age, and  
was a native of North Carolina. He  
was a man of great energy and  
ambition, and was a successful  
business man. He was a member of  
the N. C. M. E. Conference, and was  
a devoted member of the church. He

### Forty-Ninth Congress—Second Session

Washington, Dec. 9.—Mr. Edmunds  
presented a memorial in favor of a con-  
stitutional amendment empowering  
Congress to pass uniform laws on the  
subject of marriage and divorce. Re-  
ferred to the Judiciary Committee.

The Senate proceeded to the consid-  
eration of the bill reported by Mr. Blair  
from the select committee on Woman  
Suffrage, February 2, 1880, proposing  
the admission of the constitution of the  
United States extending the right  
of suffrage to women, and was ad-  
vised by Mr. Blair in support of the  
bill. At the close of his speech Mr.  
Blair said that he would at an early  
date ask a vote on the bill. There  
were 100 yeas and 100 nays. The bill  
was referred to the Judiciary Com-  
mittee.

A message was received from the  
President and was immediately  
acted upon. It was a message from  
the President of the United States  
relating to the bill for the relief of  
the estate of the late John W. Wood-  
row, deceased.

Mr. Woodrow's estate was the subject  
of a bill introduced in the House  
of Representatives by Mr. Woodrow  
himself. The bill was passed by the  
House and is now in the hands of the  
Senate.

### Failure of a Boat and Ship House

Boston, Dec. 9.—The old and well  
known boat and shoe house of Field  
Thayer & Co., 178 Congress street, made  
an assignment this afternoon with li-  
abilities estimated at \$200,000. About  
\$500,000 of the indebtedness is said to  
be held by banks and bankers, and the  
failure is due to the unwillingness of  
these creditors to carry such a large  
amount of any firm's paper.

The firm of Field, Thayer & Co. has  
been in business here for forty years,  
and its standing has been of the best.  
After the great fire here in 1872 the  
firm found itself \$200,000 in debt, but  
eventually succeeded in paying every  
dollar of its indebtedness.

The firm has two partners, John  
Medway and the other in Boston. The  
firm did a business of \$1,000,000 a  
year. It is reported that the firm  
will receive a good dividend, and  
the firm hopes to be able to pay  
full.

The firm's assets of \$1,000,000 were  
warded Thayer & Co. Boston, Mass.
